

CALIFORNIA INTERSCHOLASTIC FEDERATION REGIONAL/STATE CHAMPIONSHIPS MEDIA CREDENTIAL POLICY

- Your coverage is important to us and we thank you for your interest and commitment to high school athletics. We are happy to provide responsible media representatives with a working press credential.
- Credentials are non-transferable and may only be used by the person and on behalf of the media outlet for whom/which they were issued. Failure to comply may result in forfeiture of current credential and denial of future credential requests.
- CIF's policy is to accommodate your needs without infringing on the essential aspects of competition at CIF championship events. We require you comply with the policies for the site at which you are working.
- Only those media members who have secured proper approval in writing prior to the event will receive credentials. **Late requests or arrivals without prior approval will not be admitted.**
 - ❑ Submission of a completed media credential request form does not ensure approval for media credentials. **Verification of applications received can be found on the CIF State Web site.**
- All requests will be reviewed and must be approved by Quwan Spears, CIF State Sports Information Officer. **You will receive written confirmation via e-mail alerting you whether or not your request has been approved.** Media members must fill out credential request forms for the specific state championship event which you are covering. **No credential request will be considered without the sports editor/director's signature** on the form. You may mail or fax the completed forms to the CIF State office.
- Approved media members will have a credential waiting for them at the event. **Identification from your media organization and a valid photo ID will be required for admittance.**
- Unauthorized selling of photographs taken at CIF State Regional and State Championship events is strictly prohibited. In accordance with CIF contractual agreements, at no time may photographs be sold to the general public, participating schools or families of student-athletes.
- For basketball, CIF section passes will be accepted for all rounds PRIOR to the regional finals. These passes are secured through your local CIF Section office. State CIF-issued credentials are required for regional finals and state championship games. For volleyball, CIF section passes will be accepted for all rounds PRIOR to the state championship. These passes are secured through your local CIF Section office. CIF State-issued credentials are required for the state championship matches.

MEDIA ADVISORY

Should any working press become verbally or physically confrontational or abusive for any reason, or refuse to cooperate or comply with the policy as stated by the CIF, the CIF has the right to confiscate the credential and have the offending media person removed from the premises.
