

COME MEET ALL THE NEW FACES

At The Texas State Capitol

During TDA Legislative Day

Wednesday ★ February 20, 2013

Austin ★ Texas

Have you ever considered that our political and legislative advocacy as being one of our most powerful benefits of belonging to Organized Dentistry? YOU BET IT IS... IT IS THE BENEFIT THAT KEEPS YOUR DENTAL PROFESSION AS A PROFESSION. TDA Legislative Day gives members the opportunity to inform their elected officials in person of the legislative issues of the dental profession. If you don't get involved, then every law concerning the practice of dentistry will be made by others during the 83rd Legislative Session. Others' decisions may not have the best interest of our patients or our profession in mind. We need as many members as possible to attend and show legislators that dentists are serious about the way they want to practice dentistry in Texas.

During the morning session of this day, the Texas Dental Association's Council on Legislative & Regulatory Affairs, along with their lobby team, will inform attendees of TDA's Legislative Agenda. The afternoon session is set up for attendees to visit their elected officials at the Capitol to inform them of dentistry's legislative issues.

"GHDS Will Provide the Ride"

In order to help you to attend this event, the Greater Houston Dental Society's Legislative Action Committee has chartered a bus to Austin and back for attendees to relax and take it easy while we "Provide the Ride."
