

REAL ESTATE EXAMINATION PROGRAM Sponsoring Broker Responsibilities

In an effort to increase awareness of, and compliance with, the Illinois Real Estate License Act of 2000 ("Act") and Administrative Rules ("Rules"), the State of Illinois developed a Real Estate Examination Program. The purpose of this program is to ascertain compliance with the Act and Rules by Illinois real estate sponsoring brokers.

When selected to participate in the compliance program, you will receive a letter from IDFPR establishing a time for an on-site review or a request to complete a *Brokerage Verification Report* to assess your level of licensed real estate activity prior to scheduling an on-site examination. A Real Estate Professions Examiner will be assigned to conduct the review of your business records, identify any deficiencies and provide you with the applicable cites from the Act and Rules to assist you with correction of the issues. If deficiencies are found, a follow-up examination will be performed to review those findings in order to ensure compliance with the Act and Rules. It is in the best interest of each licensee to actively and aggressively take the corrective steps for compliance or be subject to future discipline.

The following is an overview of the sections that will be reviewed in the examination by IDFPR. Please note that each area includes a reference(s), in parentheses, to the Act or the Rules (reference to the Rules will begin with 1450.__). You may download a copy of the Act and Rules from IDFPR's website at www.idfpr.com/dpr/re/realest.asp.
