

Science Fair Mentorship Club

Would you like to participate in the Carl Cozier Science Fair but need some help with your project? Here's a chance to work in a fun, collaborative setting with a High School or College mentor. The Science Fair Mentoring Club will meet on Monday afternoons from 3pm until 4:30pm at Carl Cozier during the weeks before the Science Fair. **You do not have to participate in the club in order to enter the Science Fair.** Mentors will be available during that time to help you with the following areas:

- Coming up with a science related question to explore.
- Conducting research.
- Performing experiments.
- Creating a display to show the school what you've been working on.

We will have 5 Mondays to work on the projects before the **Science Fair on April 26th**. The club will be meeting on the following Mondays:

- March 19th
- March 26th
- No school April 2nd!
- April 9th
- April 16th
- April 23rd

If you have any questions, please have your parents contact Jon McGrath at (360) 303-8099 or Jon@mcgrathhome.com

VERY IMPORTANT! If you are interested in participating, please fill out the form below and return to your teacher by March 5th.
