

Request for Information from Digital Archive or Public Registry

The Nunavut Impact Review Board (NIRB) makes all current project information available in digital form on its public FTP site ([ftp.nunavut.ca/nirb/](ftp://ftp.nunavut.ca/nirb/)). However, due to computer capacity limitations, previous year information is archived in a digital format. Should you require any project information from previous years, please complete this form and submit it to the NIRB office at the following contact information:
