CATASTROPHIC SICK LEAVE DONATIONS NEEDED!!!!

Catastrophic Sick Leave is a program where probationary and permanent unit members may donate some of their sick leave days to other unit members who have run out of sick leave and are suffering an injury or illness which is causing or will cause the member to be out of work for a significant amount of time.

If you choose, you may donate up to five (5) of your sick days, which will be deducted from your accrued sick leave and be made available to approved unit members needing help. We suggest that you make a copy of this form and put it with your own sick leave records.

Please understand that your donation is **irrevocable**.

Please consider donating some of your sick days to a fellow unit member in need.
