ASSET PURCHASE AGREEMENT

This **ASSET PURCHASE AGREEMENT** (this “Agreement”) is entered into as of [●], 2014 (the “Effective Date”), by and among Alliant International University, Inc., a California benefit corporation (“Buyer”) and Alliant International University, a California non-profit public benefit corporation (“Seller”). Buyer and Seller are referred to collectively herein as the “Parties” or each as a “Party.”

WHEREAS, Seller owns and operates Alliant International University, the private nonprofit, WASC accredited and Title IV Programs participating (i.e. under OPEID #: 01111700) institution of postsecondary education offering all or a portion of many academic degree and credential programs at the undergraduate and graduate education levels at several locations in the U.S., internationally, and via the Internet (hereinafter, the “University”);

WHEREAS, the University was formed in 2001 as the result of the merger of two proud and distinguished institutions, the California School of Professional Psychology and the United States International University;

WHEREAS, the University has expanded programmatically and geographically and now consists of five distinct academic schools, the Alliant School of Management, the California School of Professional Psychology, the California School of Forensic Studies, the San Francisco Law School, and the Shirley M Hufstедler School of Education, offering degree programs at six locations in California (Fresno, Irvine, Los Angeles, Sacramento, San Diego and San Francisco) and three international locations (Mexico City, Tokyo and Hong Kong);

WHEREAS, Seller has built an academically and geographically dynamic organization serving a diverse group of students trained by a capable, accomplished and caring body of excellent faculty constantly striving for superior student outcomes and professional development;

WHEREAS, Seller, despite its best efforts and spectacular achievements, has, for some time, found itself a direct witness to success in academia that did not yield financial results sufficient to remedy a continuing downward trend in student enrollments, poor economic conditions and overbearing financial pressures;

WHEREAS, Seller has sought to find capital through traditional nonprofit methods but found fundraising and leveraging assets an inconsistent and instable means of pursuing its mission;

WHEREAS, Seller has contemplated but avoided transitioning its form of organization to one more capable of attracting private capital as such transactions could not provide a structure that would allow for reasonable commitments to the University’s mission, employees, students, and short and long-term objectives;

WHEREAS, Buyer is backed by University Ventures Fund, a private equity fund committed to providing transformative capital to higher education businesses like the University;

WHEREAS, Buyer is guided by higher education professionals that understand the unique dilemma that nonprofit institutions face when confronting an uncertain financial future;

WHEREAS, with such insight as a guiding hand, Buyer has developed a financial, governance, and corporate structure that seeks to address the primary concerns of nonprofit institutions by respecting the institution’s legacy and achievements, committing to the deficiencies the institutions have desired to address, and incorporating a new benefit corporation structure that allows, for example, social, environmental, employment, student and similar considerations and values to outweigh the purely financial interest of shareholders;

WHEREAS, Seller found Buyer’s structure as a genuine and feasible method of significantly alleviating the concerns of Seller and its constituencies, and together with Seller, Buyer has developed a structure for the future of the University that tests the limits of private capital markets to promote greater opportunity for educational institutions that desire to maximize access to capital with social responsibility; and

WHEREAS, Seller desires to sell and transfer to Buyer, and Buyer desires to purchase from Seller, substantially all of the assets of Seller necessary for the operation of the University on the terms and subject to the conditions contained in this Agreement.

NOW, THEREFORE, in consideration of the premises and the mutual promises herein made, and in consideration of the representations, warranties, and covenants herein contained, the Parties agree as follows.

1. **DEFINITIONS.** Except as otherwise expressly provided in this Agreement, the capitalized terms used in this Agreement shall have the meanings specified in Appendix A hereto and shall be equally applicable in both the singular and plural forms. Any agreement referred to herein shall mean such agreement as amended, supplemented and modified from time to time to the extent permitted by the applicable provisions hereof and thereof.

2. **PURCHASE AND SALE OF ASSETS.**

2.1 Transactions on the Closing Date. On and subject to the terms and conditions of this Agreement, on the Closing Date:

(a) Buyer agrees to purchase from Seller, and Seller agrees to sell, transfer, convey, and deliver to Buyer, all of the Acquired Assets free and clear of all Liens and for the consideration specified in Section 2; and

~~(b) 2.1 Purchase and Sale of Assets. On and subject to the terms and conditions of this Agreement, on the Closing Date, (i) Buyer agrees to purchase from Seller, and Seller agrees to sell, transfer, convey, and deliver to Buyer, all of the Acquired Assets free and clear of all Liens and for the consideration specified below in this Section 2, and (ii) Buyer, or a newly formed subsidiary of Buyer (“SFLS LLC”), shall purchase from Seller the San Francisco Law School Real Property pursuant to a real estate purchase agreement substantially in the form attached hereto as Exhibit P (the “Real Estate Purchase Agreement”) for the consideration of [3,900,000]¹ additional shares of Series A Preferred Stock, to be~~

¹ Note to Draft: To match current fair-market-value net of anticipated cost to sell the property, including brokers fees and taxes.

issued at a price per share of \$1.00 per share, ~~equal to~~; provided, that such consideration will be automatically adjusted (by either the forfeiture of shares or issuance of additional shares of Series A Preferred Stock at \$1.00 per share) to equal the net proceeds received by Buyer or SFLS LLC, as applicable, in connection with the subsequent sale of the San Francisco Law School Real Property after the Closing, as further provided in the Real Estate Purchase Agreement and required pursuant to ~~Section 6.8 below~~6.8. Buyer agrees to cause the sale of the San Francisco Law School Real Estate in a commercially reasonable manner promptly after the Closing, in accordance with Section 6.8. After the foregoing sale is complete, Buyer shall deliver a notice to Seller of the actual net proceeds of such sale with a certificate of adjustment indicating the actual number of shares of Series A Preferred Stock issued; until such time, Seller shall not be permitted to transfer such shares.

2.2 Assumption of Liabilities. On and subject to the terms and conditions of this Agreement, Buyer agrees to assume and become responsible for all Assumed Liabilities at the Closing; provided, however, that Buyer will not assume or have any responsibility with respect to any other Liability of Seller not included within the definition of Assumed Liabilities.

2.3 Purchase Price. The aggregate consideration (the “Purchase Price”) for the Acquired Assets shall be equal to Twenty-Seven Million Nine Hundred Sixty Thousand Dollars (\$[27,960,000]); provided, however, that the Purchase Price will be automatically recalculated prior to Closing in the event that there is material error in the assumptions or calculations set forth in the valuation analysis provided by the Independent Appraiser, in which case the Parties shall cause the Independent Appraiser to revise the valuation analysis prior to Closing and the Purchase Price will be automatically revised accordingly.

2.4 Manner of Payment. At the Closing, Buyer shall pay the Purchase Price due and payable at Closing, as follows:

(a) deliver to Seller, by wire transfer of immediately available funds to a bank account previously designated by Seller, an amount (the “Closing Cash”) equal to the Purchase Price, as adjusted by the Acid Test Ratio Adjustment, minus (i) the Escrow Amount, minus (ii) the Payoff Amount, and minus (ii) the product of (a) the Purchase Price, multiplied by (b) the Closing Share Percentage;

(b) pay to the holders of Long-Term Indebtedness the amounts required to pay in full the Long-Term Indebtedness (such aggregate amount, the “Payoff Amount”), as evidenced by payoff letters executed by such holders and delivered to Buyer on or prior to the Closing Date; and

(c) if elected by Seller in writing no later than thirty (30) days prior to the Closing Date, issue to Seller the number of shares of Common Stock and Series A Preferred Stock (the “Closing Shares”) together equal to the percentage (the “Closing Share Percentage”) of Buyer’s common stock (calculated on a fully-diluted basis as of immediately before the Closing) set forth in such writing; provided, however, that the Closing Share Percentage shall be not less than Five Percent (5.0%) and not more than Nineteen Point Nine Percent (19.9%); provided, further, Seller shall receive such Closing Share Percentage of the

Common Stock (excluding any shares reserved for issues under the 2014 Stock Plan) and the Closing Share Percentage of the Series A Preferred Stock.

2.5 Escrowed Portion of the Purchase Price. For the purpose of securing Seller's obligations pursuant to Section 9.2, the Escrow Amount shall be delivered by Buyer at Closing to Escrow Agent by wire transfer of immediately available funds to an account (the "Escrow Account") to be designated and administered by Escrow Agent pursuant to an escrow agreement in substantially the form attached hereto as Exhibit L (the "Escrow Agreement"). The Parties hereby acknowledge and agree that the Escrow Account shall be treated as an installment obligation for purposes of Section 453 of the Code, and no party shall take any action or filing position inconsistent with such characterization. The parties further agree that, consistent with Proposed Treasury Regulation Section 1.468B-8, for Tax reporting purposes, all interest or other income earned from the investment of the Escrow Account or any portion thereof in any Tax year shall be reported as allocated to Seller until the distribution of the Escrow Account (or portions thereof) is determined and thereafter to Buyer and Seller in accordance with their respective interests in the Escrow Account consistent with Proposed Treasury Regulation Section 1.468B-8.

2.6 Acid Test Ratio Adjustment. Within five (5) business days prior to the Closing, Seller shall deliver an estimated statement of Acid Test Ratio Adjustment as of the Closing substantially in the form of Exhibit A (the "Initial Acid Test Ratio Adjustment"). In the event the statement of Acid Test Ratio Adjustment delivered by Seller and accepted by Buyer indicates a deficit, then Buyer shall reduce the Closing Cash by such deficit. In the event the statement of Acid Test Ratio Adjustment delivered by Seller and accepted by Buyer indicates a surplus, then Buyer shall increase the Closing Cash by such surplus. As soon as reasonably practicable following the Closing Date, but in no event more than ninety (90) days after the Closing Date, Buyer shall cause to be prepared and delivered to Seller a statement of Acid Test Ratio Adjustment as of the Closing Date substantially in the form of Exhibit A. Seller and Buyer each shall bear its own expenses in the preparation and review of the Acid Test Ratio Adjustment statements. Seller and Buyer will use commercially reasonable efforts to cooperate with each other in connection with the preparation of the Acid Test Ratio Adjustment statements. If Seller disagrees with the calculation of Buyer's statement of Acid Test Ratio Adjustment, Seller shall, within fifteen (15) Business Days after its receipt of such statement, notify Buyer of such disagreement in writing, setting forth in reasonable detail the particulars of such disagreement. In connection therewith, Buyer will provide Seller reasonable access to all of Buyer's records not otherwise available to Seller as a result of the transactions contemplated by this Agreement, to the extent reasonably related to Seller's review of Buyer's Acid Test Ratio Adjustment statement and the calculation of Acid Test Ratio Adjustment. In the event that Seller does not provide such notice of disagreement within such period, Seller shall be deemed to have accepted Buyer's Acid Test Ratio Adjustment statement and the calculation of the Acid Test Ratio Adjustment. In the event any such notice of disagreement is timely provided, Buyer and Seller, in conjunction with their respective independent accounting firms, shall use commercially reasonable efforts for a further period of fifteen (15) business days (or such longer period as they may mutually agree) to resolve any disagreements with respect to the calculation of Acid Test Ratio Adjustment. If, at the end of such period, Buyer and Seller are unable to resolve such disagreements, then [●], an independent accounting firm of recognized national standing (the "Auditor") shall resolve any remaining disagreements. The Auditor shall determine as promptly as practicable (and in any

event, within thirty (30) days) whether the Acid Test Ratio Adjustment statement was prepared in accordance with the standards set forth in this Agreement and, only with respect to the disagreements submitted to the Auditor, whether and to what extent (if any) Closing Date Acid Test Ratio requires adjustment. The Auditor shall promptly (and in any event, within thirty (30) days) deliver to Buyer and Seller its determination in writing, which determination shall be made subject to the definitions and principles set forth in this Agreement, and shall be (i) consistent with either the position of Seller or Buyer or (ii) between the positions of Seller and Buyer. The fees and expenses of the Auditor shall be borne by Buyer and Seller in proportion to the degree to which the Acid Test Ratio Adjustment differs from the amount of Acid Test Ratio Adjustment proposed by the payer. The determination of the Auditor shall be final, binding and conclusive for purposes of this Agreement and not subject to any further recourse by Buyer or Seller under any provision hereof. The date on which Acid Test Ratio Adjustment is finally determined in accordance with this Section is hereinafter referred to as the “Determination Date.” Within ten business days of the Determination Date, the Acid Test Ratio Adjustment (as adjusted by any Initial Acid Test Ratio Adjustment, the “Final Acid Test Ratio Adjustment”) shall be paid in cash by wire transfer of immediately available funds from Buyer to Seller (if the Acid Test Ratio Adjustment is a positive amount), or from Seller to Buyer (if the Final Acid Test Ratio Adjustment is a negative amount).

2.7 Closing. The closing of the transactions contemplated by this Agreement (the “Closing”) shall take place at the offices of Orrick, Herrington & Sutcliffe, LLP, at 405 Howard Street, San Francisco, California 94105, commencing at 9:00 a.m. local time on the first (1st) business day of the calendar month following the satisfaction or waiver of all conditions to the obligations of the Parties to consummate the transactions contemplated hereby (other than conditions with respect to actions the respective Parties will take at the Closing itself) or such other date as Buyer and Seller may mutually determine (the “Closing Date”).

2.8 Allocation. Buyer shall prepare an allocation of the Purchase Price (and all other capitalized costs) among the Acquired Assets in accordance with Code §1060 and the Treasury regulations thereunder (and any similar provision of state, or local law, as appropriate), which allocation shall be binding upon Seller. Buyer shall deliver such allocation to Seller within sixty (60) days after the Closing Date. Buyer, as required by law, and Seller and their Affiliates shall report, act and file Tax Returns (including, but not limited to Internal Revenue Service Form 8594 and supplements thereto) in all respects and for all purposes consistent with such allocation prepared by Buyer. Seller shall timely and properly prepare, execute, file and deliver all such documents, forms and other information as Buyer may reasonably request to prepare such allocation. Neither Buyer nor Seller shall take any position (whether in audits, tax returns or otherwise) that is inconsistent with such allocation unless required to do so by a taxing authority after audit or other examination.

2.9 No Expansion of Third-Party Rights. The assumption by Buyer of the Assumed Liabilities shall not expand the rights or remedies of any third party against Buyer or Seller as compared to the rights and remedies which such third party would have had against Seller had Buyer not assumed the Assumed Liabilities. Without limiting the generality of the preceding sentence, the assumption by Buyer of the Assumed Liabilities shall not create any third-party beneficiary rights.

3. REPRESENTATIONS AND WARRANTIES CONCERNING SELLER AND ITS SUBSIDIARIES. Seller represents and warrants to Buyer that the statements contained in this Section 3 are correct and complete as of the Effective Date, and will be correct and complete as of the Closing Date (except for statements that speak as of a specific date, in which case such statements are true and correct as of such specified date) except as set forth in the disclosure schedule delivered by Seller to Buyer on the date hereof (the “Disclosure Schedule”). Nothing in the Disclosure Schedule shall be deemed adequate to disclose an exception to a representation or warranty made herein, *however*, unless the Disclosure Schedule identifies the exception with particularity and describes the relevant facts in detail. Without limiting the generality of the foregoing, the mere listing (or inclusion of a copy) of a document or other item shall not be deemed adequate to disclose an exception to a representation or warranty made herein (unless the representation or warranty pertains to the existence of the document or other item itself). The Disclosure Schedule will be arranged in paragraphs corresponding to the lettered and numbered paragraphs contained in this Agreement.

3.1 Organization, Qualification, Corporate Power and Minute Book.

(a) Seller is a nonprofit public benefit corporation duly incorporated, validly existing, and in good standing under the laws of California. Each of Seller’s Subsidiaries is duly organized, validly existing, and in good standing (to the extent applicable) under the laws of the jurisdiction of its incorporation. Seller and each of its Subsidiaries is duly authorized to conduct business and is in good standing under the laws of each jurisdiction where such qualification is required. Seller and its Subsidiaries have full corporate power and authority and all licenses, permits, and authorizations necessary to carry on the businesses in which it is engaged and in which it presently proposes to engage and to own and use the properties owned and used by it and to perform its obligations under the agreements to which it is currently a party.

(b) Section 3.1 of the Disclosure Schedule lists officers of Seller and its Subsidiaries, the members of the Board of Trustees of Seller and its Subsidiaries and each committee thereof (and the members thereof). Seller has delivered to Buyer correct and complete copies of the Charter and Bylaws of Seller and its Subsidiaries, each as amended to date. The minute books (containing the records of meetings of the Board of Trustees and any committees thereof) and the record books of Seller and its Subsidiaries which have been delivered to Buyer are correct and complete. Neither Seller nor any of its Subsidiaries is in default under or in violation of any provision of its Charter or Bylaws.

3.2 Due Authorization and Enforceability. All corporate and other action on the part of Seller and its Subsidiaries and their respective officers, boards of directors and boards of trustees necessary for the authorization, execution and delivery of the Transaction Agreements, including this Agreement, and the performance of all obligations of Seller thereunder has been taken or will be taken prior to the Effective Date, and the Transaction Agreements, including this Agreement, when executed and delivered by Seller, shall constitute valid and legally binding obligations of Seller, enforceable against Seller in accordance with their respective terms except (i) as limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance, or other laws of general application relating to or affecting the enforcement of

creditors' rights generally, and (ii) as limited by laws relating to the availability of specific performance, injunctive relief, or other equitable remedies.

3.3 Non-contravention; Consents. Neither the execution and the delivery of this Agreement or the other Transaction Agreements, nor the consummation of the transactions contemplated hereby or thereby, will (a) except as listed in Section 3.3 of the Disclosure Schedule (the "Educational Notices/Consents") violate or require notice or consent relating to any constitution, statute, regulation, rule, injunction, judgment, order, decree, ruling, charge, or other restriction of any government, governmental agency, court or Educational Agency, Educational Law, Educational Approval, Accrediting Body, State Educational Agency, Financial Assistance Programs and Title IV Programs to which Seller or its Subsidiaries is subject, (b) except as listed in Section 3.3 of the Disclosure Schedule, violate any provision of the Charter, Bylaws of Seller, the organizational documents of any Subsidiary of Seller or any other Contract or understanding with any director or trustee of Seller or its Subsidiaries; or (c) except as listed in Section 3.3 of the Disclosure Schedule, conflict with, result in a breach of, constitute a default under, result in the acceleration of, create in any party the right to accelerate, terminate, modify, or cancel, or require any notice under any arrangement or Contract to which Seller or any Subsidiary of Seller is a party or by which it is bound or to which any of its assets is subject (or result in the imposition of any Lien upon any of its assets), including, without limitation the agreements set forth in Section 3.21(a)(ii) of the Disclosure Schedule. Except for items listed in Section 3.3 of the Disclosure Schedule, neither Seller nor any Subsidiary of Seller needs to give any notice to, make any filing with, or obtain any authorization, consent, or approval of (a) any Governmental Authority (including any Educational Agency or State Educational Agency) or Accrediting Body in order for the Parties to consummate the transactions contemplated by this Agreement or (b) any third party.

3.4 Brokers' Fees. Neither Seller, any Subsidiary of Seller nor any Person acting on behalf of Seller or its Subsidiaries or the Board of Trustees of Seller has agreed to pay a commission, finder's or investment banking fee, or similar payment in connection with this Agreement or any matter related hereto to any Person, nor has any such Person taken any action on which a claim for any such payment could be based.

3.5 Title to Assets. Except as set forth on Section 3.5 of the Disclosure Schedule, Seller and its Subsidiaries have good and marketable title to, or a valid leasehold interest in, the properties and assets used by them, located on their premises, or shown on the Most Recent Balance Sheet or acquired after the date thereof, free and clear of all Liens, except for properties and assets disposed of in the Ordinary Course of Business since the date of the Most Recent Balance Sheet.

3.6 Subsidiaries.

(a) Section 3.6 of the Disclosure Schedule sets forth for each Subsidiary of Seller its name and jurisdiction of incorporation or organization, and, if applicable, (A) the number of authorized shares for each class of its capital stock or other equity interests, (B) the number of issued and outstanding shares of each class of its capital stock or other equity interests, the names of the holders thereof, and the number of shares held by each such holder, and (C) the number of shares of its capital stock or other equity interests held in treasury.

(b) All of the issued and outstanding shares of capital stock or other equity interests of each Subsidiary of Seller have been duly authorized and are validly issued, fully paid, and non assessable, if applicable. Seller or one or more of its Subsidiaries hold of record and own beneficially all of the outstanding shares of capital stock or other equity interests of each Subsidiary of Seller, if any, free and clear of any restrictions on transfer (other than restrictions under the Securities Act and state securities laws and laws of such Subsidiary's jurisdiction of incorporation or organization), Taxes, Liens, options, warrants, purchase rights, Contracts, commitments, equities, claims, and demands. There are no outstanding or authorized options, warrants, purchase rights, subscription rights, conversion rights, exchange rights, or other Contracts that could require any of Seller, or its Subsidiaries, to sell, transfer, or otherwise dispose of any capital stock or other equity interests of any of its Subsidiaries or that could require any Subsidiary of Seller to issue, sell, or otherwise cause to become outstanding any of its own capital stock or other equity interests. There are no outstanding stock appreciation, phantom stock, profit participation, or similar rights with respect to any Subsidiary of Seller. There are no voting trusts, proxies, or other agreements or understandings with respect to the voting of any capital stock or other equity interests of any Subsidiary of Seller.

(c) Neither Seller nor any of its Subsidiaries controls directly or indirectly or has any direct or indirect equity participation in any corporation, partnership, trust, or other business association that is not a Subsidiary of Seller. Except for the Subsidiaries set forth in Section 3.6 of the Disclosure Schedule, neither Seller nor any of its Subsidiaries owns or has any right to acquire, directly or indirectly, any outstanding capital stock of, or other equity interests in, any Person.

3.7 Financial Statements. 12.6 Governing Law/Arbitration.

(a) THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE DOMESTIC LAWS OF THE STATE OF CALIFORNIA WITHOUT GIVING EFFECT TO ANY CHOICE OR CONFLICT OF LAW PROVISION OR RULE (WHETHER OF THE STATE OF CALIFORNIA OR ANY OTHER JURISDICTION) THAT WOULD CAUSE THE APPLICATION OF THE LAWS OF ANY JURISDICTION OTHER THAN THE STATE OF CALIFORNIA.

(b) In the event of any controversy or claim between or among any of the Parties arising out of, relating to or in connection with any provision of this Agreement or the Transaction Documents, or the rights or obligations of the Parties hereunder, except for the enforcement of the confidentiality and non-solicitation provisions of this Agreement, the Parties shall try to settle their differences amicably between or among themselves and if such process fails, then through binding arbitration as follows:

(i) Informal Direct Communication. Any Party may initiate such informal dispute resolution by sending written notice of the dispute to the other Parties, and within ten (10) days after such notice, senior management level representatives of each party shall meet, in person or by telephone, for attempted resolution by good faith negotiations. Such representatives shall be empowered and authorized to bind their respective companies with respect to the matter in dispute, and to settle the issue on behalf of their respective companies.

(ii) Arbitration. If the Parties do not resolve the dispute within thirty (30) days, then the Parties agree to submit the dispute to final and binding arbitration before a panel of one arbitrator under the Commercial Arbitration Rules of the American Arbitration Association (the “AAA Rules”) to be held in San Francisco, California; *provided, however*, the if the aggregate amount in dispute is greater than \$1,000,000 then the panel will consist of three arbitrators. Arbitration will be commenced by any Party filing a demand for arbitration pursuant to the AAA Rules (an “Arbitration Demand”). That Party also shall send a copy of the Arbitration Demand to the other Parties involved in the dispute. The arbitration shall be conducted pursuant to the AAA Rules. The panel will agree to comply with the procedures agreed to by Parties, or if applicable, the AAA Rules (including without limitation any and all of the time deadlines governing the panel’s conduct set forth in the procedures agreed to by Parties and the AAA Rules, as applicable) and the terms of this Section. The panel shall have case management authority as provided under the AAA Rules. The Parties agree that a judgment may be entered on the panel’s award in any court of competent jurisdiction. The panel in reviewing any claim under this Agreement shall have the exclusive authority to determine any issues as to the arbitrability of any such claim or related disputes hereunder. In reaching a decision, the

panel shall interpret, apply and be bound by this Agreement, the other Transaction Agreements and by applicable law. The panel shall have no authority to add to, detract from or modify this Agreement, the other Transaction Agreements or any applicable law in any respect. Any up-front costs of the panel shall be borne equally by the parties engaged in such dispute; provided, however, that the fees of the panel shall be paid and/or reimbursed in accordance with the decision of the panel. Except as otherwise provided in this Agreement, each Party shall bear its own costs incurred in connection with attorneys' fees and related expenses.

(iii) Venue. Notwithstanding the provisions of this Section, nothing in this Agreement shall limit or in any way restrict the ability of any Party to seek injunctive or other equitable relief in a court or other judicial body. For such equitable or injunctive action or to enforce an arbitration order or award, each Party hereby irrevocably submits to the jurisdiction and venue of any federal or state court located in San Francisco, California (and any appellate court therefrom). Each Party hereby irrevocably and unconditionally waives and agrees not to plead, to the fullest extent provided by Law, any objection it may have to venue and the defense of an inconvenient forum to the maintenance of such action or proceeding in such courts.

(iv) Jury Trial. EACH PARTY, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY AS TO ANY ISSUE RELATING HERETO IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER TRANSACTION AGREEMENT.

12.7 Amendments and Waivers. No amendment of any provision of this Agreement shall be valid unless the same shall be in writing and signed by Buyer and Seller. No waiver by any Party of any provision of this Agreement or any default, misrepresentation, or breach of warranty or covenant hereunder, whether intentional or not, shall be valid unless the same shall be in writing and signed by the Party making such waiver nor shall such waiver be deemed to extend to any prior or subsequent default, misrepresentation, or breach of warranty or covenant hereunder or affect in any way any rights arising by virtue of any prior or subsequent such default, misrepresentation, or breach of warranty or covenant.

12.8 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

12.9 Expenses. Except as explicitly provided elsewhere in this Agreement, Seller shall bear its own costs and expenses (including legal fees and expenses) incurred in connection with this Agreement, the Transaction Agreements and the transactions contemplated hereby and thereby. Buyer shall bear its own costs and expenses (including legal fees and expenses) incurred in connection with this Agreement, the Transaction Agreements and the transactions contemplated hereby and thereby.

12.10 Construction. Each Party acknowledges and represents that, in executing this Agreement and the other Transaction Agreements, it has had the opportunity to seek advice as to its legal rights from legal counsel and that the person signing on its behalf has read and

understood all of the terms and provisions of this Agreement. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement. Any reference to any federal, state, local, or foreign statute or law shall be deemed also to refer to all rules and regulations promulgated thereunder, unless the context requires otherwise. The word “including” shall mean including without limitation. The Parties intend that each representation, warranty, and covenant contained herein shall have independent significance. If any Party has breached any representation, warranty, or covenant contained herein in any respect, the fact that there exists another representation, warranty, or covenant relating to the same subject matter (regardless of the relative levels of specificity) that the Party has not breached shall not detract from or mitigate the fact that the Party is in breach of the first representation, warranty, or covenant.

12.11 Incorporation of Exhibits, Annexes, and Schedules. The Exhibits, Annexes, and Schedules identified in this Agreement are incorporated herein by reference and made a part hereof.

12.12 Specific Performance. Each Party acknowledges and agrees that the other Parties would be damaged irreparably in the event any provision of this Agreement is not performed in accordance with its specific terms or otherwise is breached, so that a Party shall be entitled to injunctive relief to prevent breaches of this Agreement and to enforce specifically this Agreement and the terms and provisions hereof in addition to any other remedy to which such Party may be entitled, at law or in equity. In particular, the Parties acknowledge that the business of Seller and its Subsidiaries is unique and recognize and affirm that in the event Seller’s breach this Agreement, money damages would be inadequate and Buyer would have no adequate remedy at law, so that Buyer shall have the right, in addition to any other rights and remedies existing in its favor, to enforce its rights and the other Parties’ obligations hereunder not only by action for damages but also by action for specific performance, injunctive, and/or other equitable relief.

12.13 Submission to Jurisdiction. Each of the Parties submits to the jurisdiction of any state or federal court sitting in San Francisco, California, in any action or proceeding arising out of or relating to this Agreement and agrees that all claims in respect of the action or proceeding may be heard and determined in any such court. Each Party also agrees not to bring any action or proceeding arising out of or relating to this Agreement in any other court. Each of the Parties waives any defense of inconvenient forum to the maintenance of any action or proceeding so brought and waives any bond, surety, or other security that might be required of any other Party with respect thereto. Each Party agrees that a final judgment in any action or proceeding so brought shall be conclusive and may be enforced by suit on the judgment or in any other manner provided by law or at equity.

12.14 Governing Language. This Agreement has been negotiated and executed by the Parties in English. In the event any translation of this Agreement is prepared for convenience or any other purpose, the provisions of the English version shall prevail.

12.15 Tax Disclosure Authorization. Notwithstanding anything herein to the contrary, the Parties (and each Affiliate and Person acting on behalf of any Party) agree that each Party (and each employee, representative, and other agent of such Party) may disclose to any and all Persons, without limitation of any kind, the transaction's tax treatment and tax structure (as such terms are used in regulations promulgated under Code §6011) contemplated by this agreement and all materials of any kind (including opinions or other tax analyses) provided to such Party or such Person relating to such tax treatment and tax structure, except to the extent necessary to comply with any applicable federal or state securities laws. This authorization is not intended to permit disclosure of any other information including (without limitation) (a) any portion of any materials to the extent not related to the transaction's tax treatment or tax structure, (b) the identities of participants or potential participants, (c) the existence or status of any negotiations, (d) any pricing or financial information (except to the extent such pricing or financial information is related to the transaction's tax treatment or tax structure), or (e) any other term or detail not relevant to the transaction's tax treatment or the tax structure.

12.16 Counterparts. This Agreement may be executed in multiple counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Electronic or pdf copies shall be deemed to be originals.
