In the event of any conflict or inconsistency between these terms and the Agreement, these terms and conditions will prevail to the extent necessary to resolve such conflict or inconsistency.

The Customer shall at all times abide by all applicable laws and Rules in respect of its access and use of the Electronic Trading Facilities and any trading effected thereunder including without limitation the rules and regulations of the relevant exchanges or markets and the laws of the place where access and use of the Electronic Trading Facilities is or is to be established and/or effected. The Customer shall also enter into such agreement(s) and/or execute such document(s) with or in favour of UOBF, or ETF Provider or such other party or parties and upon such terms as UOBF may require from time to time and as agreed to by the Customer in respect of the Electronic Trading Facilities and trading thereunder (the "ETF Agreement(s)").

3. **Authorisation and Delegation:** Subject to the prior written consent of UOBF (which may be granted or refused in its sole and absolute discretion), the Customer may:
- (a) appoint any of its directors, employees or duly authorised agents as its Authorised Person to act on its behalf with respect to the access and use of the Electronic Trading Facilities; and

For the avoidance of doubt and except as provided in this Clause 3, the access and use of the Electronic Trading Facilities under these terms and conditions shall be strictly limited to the Customer, its Authorised Persons and its Delegates. Each Authorised Person and Delegate acknowledges that it shall not in turn be entitled to delegate its access and use of any and all of the Electronic Trading Facilities (including without limitation the access and use of any DMA Services and Sponsored Access) to any person whatsoever in any way, shape or form, except that a Delegate shall be permitted to appoint any of its directors, employees or duly authorised agents as authorised persons where applicable to act on such Delegate's behalf with respect to the access and use of the Electronic Trading Facilities. The Delegate shall assume similar duties and obligations with respect to such authorised persons as the duties and obligations of the Customer hereunder with respect to the Customer's Authorised Persons (including but not limited to the duty to exercise supervision and control and to assume responsibility for the conduct of such persons).

If the Customer wishes to appoint any person as its Authorised Person for the purposes of these terms and conditions, the Customer shall notify UOBF in writing in such form as UOBF may from time to time prescribe, and such form shall be duly completed and signed by a duly authorised officer for and on behalf of the Customer and be submitted to UOBF together with a duly completed and signed Declaration by Authorised Persons substantially in the form set out in Appendix 1.

The appointment of any person as an Authorised Person or delegation to any person as a Delegate shall be effective and recognized by UOBF only upon UOBF's written approval and confirmation of such appointment. UOBF reserves the right, in its sole and absolute discretion and without having to give any reason whatsoever and without any liability to any person whatsoever, to reject the Customer's appointment of any person as an Authorised Person and the delegation of any person as a Delegate and to refuse to issue to such person any Security Codes required for access to the Electronic Trading Facilities.

The Customer acknowledges and confirms that all Approved Contracts executed on an Exchange by the Customer (or by the Customer's Authorised Persons or Delegates) may, under the Rules and as between the Exchange and UOBF, be regarded by the Exchange as executed in the name and for the account and risk of UOBF. The Customer further acknowledges and confirms that notwithstanding the foregoing, as between and amongst UOBF, the Customer and each of the Customer's Authorised Persons and Delegates, all such Approved Contracts shall be deemed to be executed solely for and on behalf of, and for the sole account and risk of, the Customer.

Accordingly, the Customer hereby irrevocably agrees and undertakes to ensure that (i) such Authorised Person or Delegate shall be bound by and comply with each and every one of the Customer's duties and obligations mentioned in these terms and conditions as if a party hereto when accessing or using the Electronic Trading Facilities; and (ii) such Authorised Person or Delegate shall not access or use the Electronic Trading Facilities in any manner which would cause the Customer to breach any of the Customer's duties and obligations hereunder. Where the Customer is granted or provided Direct Market Access or DMA Services, the Customer shall procure that each of its Authorised Persons and Delegates agrees and is bound by the foregoing by way of a written agreement with the Customer, which written agreement shall be provided to UOBF forthwith upon request by UOBF.

Further, the Customer acknowledges and agrees that it will retain ultimate responsibility and liability for the actions, omissions or conduct of any Authorised Person or Delegate Person, and the Customer hereby irrevocably agrees and undertakes to indemnify, keep indemnified and hold harmless UOBF, immediately on demand, against any and all Losses (including legal costs on a full indemnity basis) suffered or incurred by UOBF in respect of or in connection with any and all Approved Contracts and UOBF's provision of the Electronic Trading Facilities or arising directly or indirectly from any act, omission or conduct of the Customer or any of the Customer's Authorised Persons or Delegates in connection with its/their access and use of the Electronic Trading Facilities.

4. **Direct Market Access:** Unless otherwise expressly and specifically agreed by UOBF with the Customer in writing, the provision of the Electronic Trading Facilities hereunder shall not include the provision by UOBF of any Direct Market Access or DMA Services to the Customer.

If UOBF so agrees to provide any Direct Market Access or DMA Services, all references herein to "Electronic Trading Facilities" shall be deemed to include references to such Direct Market Access or DMA Services, and such Direct Market Access or DMA Services shall be deemed provided to the Customer, pursuant to this Clause 4.

In order to enable UOBF and the Exchange to identify an Approved Contract entered into by Direct Market Access as an Approved Contract of UOBF by the Customer, the Customer must use with each Approved Contract the relevant Customer Codes provided by UOBF.

The Customer acknowledges that UOBF may have to satisfy filtering obligations as required by the Exchange, including but not limited to pre- or post-execution risk management controls. The Customer's ability to trade through Direct Market Access may be subject to Trading Restrictions, DMA Procedures, and other restrictions and limitations imposed by UOBF.

The Customer shall have the following obligations in relation to any Approved Contract entered into by Direct Market Access:

- (a) the Customer must provide UOBF with sufficient information regarding the Customer's and each of its Delegate's trading strategies, types of financial products to be traded, intended volume of trade, and any other information required by UOBF in order to establish adequate pre- and/or post-execution limits on the DMA Services;
- (b) the Customer must notify UOBF immediately if it or any of its Delegates changes any of the information provided to UOBF under sub-Clause (a) above;
- (c) the Customer and each of its Delegates must not change the pre- or post-execution limits on the DMA Services without obtaining the prior approval of UOBF and must provide UOBF with means for monitoring the Customer's and each of the Delegates' compliance with the DMA Procedures, the Trading Restrictions, all applicable laws and Rules, and its obligation herein; and
- (d) the Customer must inform UOBF within a sufficient period prior to the Customer and each of its Delegates using any new software or implementing any changes in its order management system in order to enable UOBF to determine whether or not any tests with the Exchange is required in relation to such software or changes. In such case, the Customer must follow the instructions given by UOBF, if UOBF considers the same as necessary in order to conduct such tests, prior to the Customer and each of its Delegates using any software or implementing any changes.

UOBF shall be entitled to refuse, amend, cancel or suspend the execution of one or more orders, or to suspend, limit or cancel DMA Services to the Customer under these terms and conditions or deny access to any Exchange Trading System, without prior notice and without incurring any liability in respect thereof if:

- (a) the Customer has failed to perform any of its obligations under the Agreement in any way or is in Default (as defined in the Agreement) under the Agreement;
- (b) UOBF determines in its sole judgment that, as a result of one or more proposed Approved Contracts, the Customer is likely to be in Default (as defined in the Agreement);
- (c) the Customer and/or any Authorised Person and/or any Delegate has failed to comply with any Trading Restrictions, DMA Procedures, restriction or limitation imposed on it by UOBF;
- (d) the Customer and/or any Authorised Person and/or any Delegate has entered one or more orders which has/have been identified by an Exchange Trading System to be a suspicious order;
- (e) UOBF suspects a violation or potential violation of any applicable laws or Rules;
- (f) UOBF determines in its sole judgment that the security or integrity of the DMA Services has been compromised in any way;
- (g) UOBF is notified of any unauthorized access to Direct Market Access or any unauthorized use of the Customer Code, or has reason to suspect such unauthorized use or access; or
- (h) UOBF is directed by any Exchange or Clearing House to do so, or if UOBF itself is limited or denied access to the Exchange Trading System by any Exchange or Clearing House.

To the maximum extent permitted by law, UOBF shall not be liable, nor shall it indemnify for any Loss suffered or incurred by the Customer arising out of or in connection with the DMA Services for any reason, whether or not the Loss is attributable to UOBF.

UOBF shall be entitled to change or suspend any and all pre- or post-execution limits on the DMA Services (if any) immediately upon written notice to the Customer in the event that UOBF finds it necessary to take any actions intended to prevent any risks, including but without limitation any possible distortion in the market, from occurring.

5. **Risk & Authorised Use:** The Customer acknowledges and agrees that any and all Electronic Trading Facilities which are provided by UOBF are provided, approved and/or consented to by UOBF on an "as is" basis. Nothing in these terms shall be deemed, construed or interpreted as creating or resulting in any obligation on UOBF to ensure, or constitute any representation or warranty by UOBF that the Electronic Trading Facilities or any part thereof are free from defect, failure or interruption or are fit for the Customer's purposes or meets any quality or standard and all such warranties and conditions (whether implied by statute or otherwise) are excluded from the terms of any and all agreements between the Customer and UOBF relating to the Customer's access and use of Electronic Trading Facilities to the fullest extent permitted by law.

The Customer hereby acknowledges that it has relied and relies solely on its own investigation and judgment in requesting to access and use, and in accessing and using, the Electronic Trading Facilities and in particular accepts that UOBF accepts no responsibility to the Customer (even if it owes such responsibility to any third party whether under contract or otherwise) that the Electronic Trading Facilities has or will have any quality or standard including features to reject or prevent the execution of any specific order or type of order.

Due to the nature of transactions carried out over the internet and other electronic telecommunication networks such as the Electronic Trading Facilities, the Customer also acknowledges and accepts the existence of risks unique to the use of the Electronic Trading Facilities. Such risks are inclusive of, but not limited to the following:

- (a) delay in or inability to access or use the Electronic Trading Facilities due to any hardware, software, system or connection failure, error, malfunction, omission, interruption, delay in transmission or computer virus;
- (b) loss of data or information that may occur due to any cause whatsoever, including any failure of any of UOBF's electrical, electronic, computer, microprocessor, recording or communication system;
- (c) the need to conduct maintenance of the Electronic Trading Facilities system infrastructure from time to time, and any delay, failure, error, omission which may ensue; and
- (d) the failure of any electronic protective measures, including without limitation filters, authentication processes and anti-virus software, whether for the protection of the integrity of the Electronic Trading System, the privacy of the Customer's information or the filtering out of inappropriate orders for execution or howsoever otherwise.

The Customer hereby acknowledges and agrees that UOBF is to have no liability with respect or referable to such risks and in any event releases UOBF from any claim which he may with respect to or referable to such risks or any one or more of them even if UOBF has been advised or is aware of the possibility of such damages, Loss or expense arising.

The Customer agrees and accepts that UOBF undertakes no liability and is to have no liability whatsoever in relation to the use of any software or hardware (collectively "Third Party Equipment") in connection with the Electronic Trading Facilities that is provided and/or maintained by a third party and with whom the Customer has entered into an agreement or otherwise secured consent/approval from UOBF for the Customer's use in conjunction with or as part of the Electronic Trading Facilities for the purposes of effecting trades in Approved Contracts for accounts with UOBF. The choice of using such Third Party Equipment is agreed by the Customer to be wholly the choice and at the risk of the Customer.

The provision of the Electronic Trading Facilities (insofar as it is provided by and/or maintained by UOBF) is on the basis that, in UOBF's good faith opinion, it will deliver such functionality and performance as may be reasonably expected and necessary in delivering a service within the scope of this Agreement to enable the Customer, any Authorised Person and any Delegate to effect trading or give orders for Approved Contracts electronically. UOBF does not however make or give any warranty that such expectation will be realised with respect any specific trade in Approved Contracts or will always be realised.

The Customer also expressly acknowledges and agrees that UOBF reserves the right to suspend and/or terminate the provision of the Electronic Trading Services to or the use or the approval of the use of any Third Party Equipment in conjunction therewith by the Customer without giving any reason at any time and without giving prior notice to the Customer and without incurring any liability whatsoever. Without prejudice to the generality of the foregoing, UOBF may exercise such right to effect a suspension if it in good faith believes that it is in its commercial interest to do so by reason of the occurrence of any extraordinary event including unexpected market volatility; or where margin required to be provided by the Customer has yet to be received by UOBF.

Orders placed by the Customer, any Authorised Person and any Delegate via the Electronic Trading Facilities are placed solely at the Customer's risk. The Customer agrees that it will be solely responsible for accurate placement of Orders. The Customer agrees that only the Customer, any Authorised Person and any Delegate may access and use the Electronic Trading Facilities provided by UOBF.

The Customer further acknowledges that the use of the Electronic Trading Facilities by the Customer, any Authorised Person and any Delegate also implies full responsibility to ensure that no

unauthorised person shall have the right to access and use the Electronic Trading Facilities, (and also to ensure that all orders or instructions placed via the Electronic Trading Facilities are in compliance with the agreements, terms, applicable laws, Rules and regulations described in Clause 2 and Clause 9 (including without limitation, the Customer's authorized trading limits and restrictions)). Accordingly, unless UOBF in fact has prior knowledge or actual notice to the contrary of such authority the Customer hereby agrees that UOBF shall be entitled to rely, without any further enquiry, on the mere fact of an order having been placed or an instruction having been given using the Electronic Trading Facilities with the correct entry of one or more Security Codes as conclusive evidence that the order was placed or instruction was given by the Customer or with such Customer's due authority.

Accordingly, UOBF shall be entitled to act on, and bind the Customer to, such order or instruction (unless instruction for cancellation of the same from the Customer is in fact received by UOBF in time). The Customer agrees to be liable for all such orders placed or instruction given using the Customer's or any Authorised Person's or any Delegate's Security Codes.

Customer may not, and shall not allow others to, alter, modify, support, or copy or otherwise reproduce the Electronic Trading Facilities except as expressly permitted herein. Without the prior written consent of ETF Provider, Customer shall refrain from copying, distributing, reverse engineering, disassembling, decompiling, translating, or modifying the Electronic Trading Facilities, or granting any other person or entity the right to do so.

Customer may not alter or remove from the Electronic Trading Facilities or any media on which they are held or any documentation issued by ETF Provider relating to the Electronic Trading Facilities any trademarks, copyright or proprietary notices except where expressly provided. Customer agrees that it will not infringe or misuse ETF Provider's intellectual property to develop, or aid another to develop, any product similar to the Electronic Trading Facilities.

Customer will not export, re-export, transfer, or make available, whether directly or indirectly, any Electronic Trading Facilities or other regulated item or information to any country, person, entity or Authorized User subject to laws of the Republic of Singapore export restrictions.

The Customer hereby agrees to indemnify UOBF and hold UOBF harmless from and against any and all Loss (including legal costs on a full indemnity basis) which arises from any alleged infringement of the Electronic Trading Facilities resulting from:

- (a) the use of Customer's own software, or
- (b) the combination, operation or use of the Electronic Trading Facilities with software programs or data not furnished by UOBF, or
- (c) modification of the Electronic Trading Facilities by Customer,
- (d) any alleged infringement of intellectual property rights which has arisen due to or as a result of the Electronic Trading Facilities having been used other than as permitted by this Agreement.

6. **No Responsibility:** Save for fraud, wilful default or gross negligence, none of UOBF, its officers, employees, agents, or contractors shall be responsible nor have any liability should the Customer, any Authorised Person or any Delegate fail to gain access to the Electronic Trading Facilities for any reason or to execute any order or instruction intended to be executed through the Electronic Trading Facilities or manages to execute any order or instructions beyond its authorized trading limits or restrictions or if the Customer's orders or instructions fail to be communicated or for any other irregularity due to any fault or failure of the services provided by the ETF Provider or UOBF. Save for fraud, wilful default or gross negligence, none of UOBF, its officers, employees, agents or

contractors is to have any liability for the Customer suffering any prejudice or Loss by reason of the information and/or reports being accessed by the Customer, any Authorised Person and any Delegate via the Electronic Trading Facilities being incomplete, inaccurate or corrupted.

UOBF shall also not be liable for any action taken, or any delay or failure to take any action, to the extent that the taking of such action, or such delay or failure, arises out of war, insurrection, riot, civil commotion, act of God, accident, fire, water damage, explosion, mechanical breakdown, computer or system failure or other failure of equipment, or malfunction or failures caused by computer virus or hacking, security breaches, high levels of trading volume, failure or malfunctioning of any communications media or network for whatever reason, interruption, delay or failure of any communications services provided by third party service providers, interruption (whether partial or total) of power supplies or other utility of service, strike or other stoppage (whether partial or total) of labour, any law, decree, regulation or order of any government or governmental body (including any court or tribunal), or any other cause (whether similar or dissimilar to any of the foregoing) whatsoever beyond the reasonable control of UOBF.

The Customer acknowledges and agrees that any data, information and/or reports accessed by the Customer via the Electronic Trading Facilities are provided on an "as is" basis. The Customer further acknowledges that UOBF have not undertaken any investigations or enquiries to ascertain or verify that such data, information and/or reports are true, current, accurate, complete or otherwise reliable and that UOBF do not provide any warranties or representations that such data, information and/or reports are true, current, accurate complete or otherwise reliable. UOBF shall not be responsible whatsoever save for fraud, wilful default or gross negligence, and none of UOBF, its officers, employees, agents or contractors is to have any liability for the Customer suffering any prejudice, loss, damage or cost by reason of the data, information and/or reports being accessed by the Customer via the Electronic Trading Facilities being incomplete, inaccurate or corrupted.

7. **Regulatory Supervision:** Upon request by UOBF, the Customer shall, and shall procure that each of its Authorised Persons and Delegates shall, permit UOBF, an Exchange, a Clearing House, and/or any regulatory body (and their authorized representatives or independent auditors) access to such terminals or equipment in respect of the Electronic Trading Facilities as UOBF, the Exchange, Clearing House and/or the regulatory body (or their authorized representatives or independent auditors) may request and the Customer shall, and shall procure that each of its Authorised Persons and Delegates shall, co-operate in answering any of their queries and render all reasonable assistance to UOBF, the Exchange, Clearing House and/or any regulatory body (and their authorized representatives or independent auditors) in relation to any aspect of the Electronic Trading Facilities. The Customer acknowledges, and shall procure that each of its Authorised Persons and Delegates shall acknowledge, that inconvenience or delay may be suffered by the Customer, its Authorised Persons and Delegates, as a result of such access and in the rendering of such assistance and that it will not hold UOBF liable for any such inconvenience or prejudice suffered.

Without limiting the generality of the foregoing, in relation to the Customer's (and its Authorised Persons' and Delegates') access and use of the DMA Services and placing of orders for Approved Contracts and entering into Approved Contracts through Direct Market Access hereunder, the Customer shall, and shall procure that its Authorised Persons and Delegates shall, forthwith upon UOBF's request, provide any and all information and documentation on or relevant to such activities to UOBF. The Customer acknowledges and agrees that such information and documentation includes but is not limited to:

- (a) information and documentation relating to the Customer and each of its Authorised Persons and Delegates (including without limitation the name, address and the ultimate beneficial identity of the Customer and each of its Delegates and the financial position of the Customer and each of its Delegates for the time being as may be known to UOBF or its Related Corporations);
- (b) information and documentation relating to the Customer's and each of its Delegates' financial standing, credit history and criminal records, adverse records or pending court proceedings relating to prohibited market conduct;
- (c) information and documentation on or relating to any Approved Contract or dealings between the Customer and UOBF and information on or relating to any Approved Contract or dealings in relation to the Customer's trading on any Exchange;
- (d) such other information as UOBF may in its sole and absolute discretion regard as necessary, desirable or expedient for its compliance with the Rules, the applicable laws, and any requests or requirements that the Exchange may impose on UOBF from time to time; and
- (e) such other information which UOBF in its sole and absolute discretion notifies to the Customer.

The Customer hereby authorises and consents, and shall ensure that each of its Authorised Persons and Delegates authorises and consents, to UOBF providing any and all such information and documentation to an Exchange, a Clearing House, or to any other person in accordance with any applicable law or Rules or as directed by any regulatory authority to whom UOBF may be subject.

The Customer hereby authorises and consents, and shall ensure that each of its Authorised Persons and Delegates authorises and consents, to UOBF using any and all such information and documentation collected to maintain one or more Registers, disclosing any information in such Registers to an Exchange or making available such Registers for inspection by an Exchange or an Exchange's representatives, and further that such Registers will include all relevant information of all persons which have been provided Sponsored Access (including without limitation the Customer and each of its Authorised Persons and Delegates).

The Customer shall procure all necessary consents from each relevant third party (including without limitation each Delegate) for UOBF's processing, use, handling and disclosure as herein contemplated of any and all such information and documentation relating to such third party. In providing any and all such information and documentation relating to such third party to UOBF, the Customer represents and warrants that all such necessary consents have been obtained and shall, upon UOBF's request, provide written evidence of the same for UOBF's inspection or records.

The Customer agrees and undertakes, and shall procure that its Authorised Persons and Delegates agree and undertake, to assist UOBF and any Exchange in any investigation into potential violations of the Rules and applicable laws. The Customer further agrees and undertakes, and shall procure that its Authorised Persons and Delegates agree and undertake, to provide timely assistance, which shall include, but is not limited to, the provision of information to UOBF and any Exchange relating to the identity and address of any person who may be responsible for the execution of an order or trade.

Where an Exchange requires UOBF or the Customer to appoint an independent reviewer to review the Customer's compliance with the Rules governing Direct Market Access, the Customer agrees to give UOBF and/or the Exchange the sole power and discretion to select a suitable independent reviewer. The Customer shall use all reasonable endeavours to appoint such independent reviewer as selected by UOBF or the Exchange, provide such independent reviewer with such information

and documentation, and such cooperation and access to personnel and Authorised Persons and Delegates, as such independent reviewer may require. The appointment of such independent reviewer and the conduct of the review by such independent reviewer shall be at the sole cost and expense of the Customer.

8. **Indemnity:** The Customer hereby agrees to indemnify UOBF and hold UOBF harmless from and against any and all Loss (including legal costs on a full indemnity basis) which arise as a result of, in connection with or in relation to, the Customer's breach or violation of these terms and conditions or the terms of any ETF Agreement(s), except to the extent where such breach or violation of the Customer is caused by wilful default, negligence or fraud on UOBF's part. This obligation to indemnify UOBF, to the extent that it relates only to the aforesaid events and has not been performed by the Customer, shall survive the termination of the Electronic Trading Facilities under these terms and conditions or the Agreement.
9. **Security:** The Customer acknowledges that UOBF will from time to time provide the Customer with one or more Security Codes for use by each of the Customer, its Authorised Persons and its Delegates. The Customer shall at all times ensure that the integrity and the security of the Electronic Trading Facilities used by the Customer, its Authorised Persons and Delegates are preserved and maintained. Accordingly, the Customer shall ensure, and shall procure that its Authorised Persons and Delegates ensure, that there is no unauthorised use of the Security Codes.

The Customer shall, and shall also ensure that each Authorised Person and Delegate shall:

- (a) only use its own Security Code for its own authorised use as set out in these terms and conditions;
- (b) be responsible for the confidentiality of its own Security Code, and must not provide it to third parties;
- (c) assume full responsibility for the use and protection of its own Security Code including but not limited to any orders entered into an Exchange Trading System and changes in its account information; and
- (d) notify UOBF immediately if it becomes aware of any loss, theft or unauthorised access/use of any Security Code and provide such particulars as UOBF may require.

The Customer shall, and shall also ensure that each Authorised Person and Delegate shall, use its own Security Code with each order submitted to an Exchange or an Exchange Trading System.

The Customer shall ensure, and shall also ensure that each Authorised Person and Delegate shall ensure that all orders sent through Direct Market Access are correct and contain all necessary data for executing and clearing Approved Contracts, including but not limited to, the relevant Customer Code.
