Dear Friends,

How many times have I said membership matters? Your continued support as members of RRA has proven to me that you hear this message and know that it takes full participation to make a community treasure like the Arboretum flourish. And we in turn share this respect for the land and each other by offering our members an easy escape from the urban frenzy.

Your membership supports the Arboretum's core operations and horticulture education programs, enabling us to provide enriching experiences to all who pass through our gates. RRA Members receive exclusive retail discounts, invitations to private events, priority registration for programs and workshops, and much much more. And as our way of saying ***Thank You for your support***, all of our signature events for 2014 will be ***free to RRA members!****

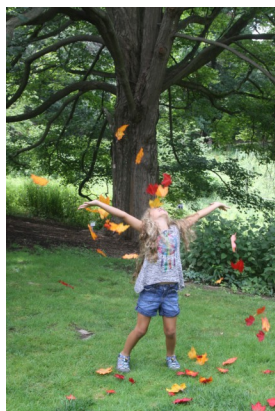

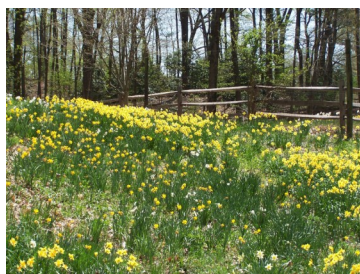

Just return the attached form with your fully tax-deductible membership contribution today. Or, for your convenience, join online at www.reeves-reedarboretum.org.

Become an RRA member. It's about love, laughter, learning, and community.

See you in the garden!
