

# Glenview Grizzlies Youth Hockey League

Friends, Fun, Excitement!!

September – March

**USA Hockey Registration:** Mandatory on-line registration for USA Hockey. Instructions on page 7.

## general information

The Glenview Youth Hockey League is a recreational hockey program for boys and girls aged 5 - 14 years. It is a house league level program that begins in mid-September and concludes in March. This Glenview Park District program emphasizes skill development, sportsmanship, fun and equal participation. The Ice Center's Hockey Director, Sylvain Turcotte and his professional staff work side-by-side with volunteer coaches to develop young athletes as hockey players and equally important, as individuals. USA Hockey rules prohibit travel hockey players from participating in this program at any level.

## the advisory board and other volunteers

The Youth League Advisory Board is comprised of the coaches, hockey director and rink manager and works to support and enhance the program. Parents and other adults with hockey knowledge and skills are encouraged to volunteer as team coaches, assistant coaches and team managers.

## equipment

A game jersey and game socks are included in the league registration fee. All other equipment must be provided by each player, with the exception of goalie equipment for Dynamites through Squirts. Full equipment is required for participation. Please refer to the Glenview Ice Center's Hockey handbook for the list of equipment.

## insurance

The Park District does not provide insurance to participants in the Youth League program. Players do participate in a limited USA Hockey insurance program with USA Hockey Registration.

## rating sessions

The first two weeks of the program consists of rating sessions. These sessions allow players to prepare for the upcoming season and for the staff to rate each player's skill level for the purpose of creating balanced teams. These ratings are used at a blind draft for team formation. When you register, you sign up for the rating session group which best fits your schedule during the 2 weeks. Once teams are formed, each player will receive their team's schedule. Practices begin in mid-October.

## player levels

► **Dynamites (born Jan. 1, 2008 and later):** The majority of these children have developed basic skills through our Development Hockey program and will continue to receive instruction at this level. All practices and games will be held on the Studio (*small*) Rink where skills can be better developed.

► **Mites (born between Jan. 1, 2006 and Dec. 31, 2007):** Our Mite players will continue to take advantage of the Studio Rink for practice as the smaller size provides for better control and high quality instruction. Games will be played on the Main Rink where full ice games will develop team strategies and cross-ice games will focus on puck touches and skills progression as recommended by the ADM program developed by USA hockey.

► **Squirts (born between Jan. 1, 2004 and Dec. 31, 2005)**  
 ► **Pee Wees (born between Jan. 1, 2002 and Dec. 31, 2003)**  
 ► **Bantams (born between Jan. 1, 2000 and Dec. 31, 2001)**

Players at these levels will utilize the Main Rink for the majority of their ice time. Attendance at team practices is expected. Pee Wee and Bantam levels compete in the North Shore Youth Hockey League and play against teams from Glenview and other area rinks. Some travel is necessary, but all member rinks are within a 30-minute drive from Glenview.
