

Explanation to Students: Media Release Form

There are several times during the school when the news media or school personal asks to interview and/or photograph many of our students.

Sometimes television stations, news reporters, or the school may request a taping in a successful classroom or an interview with an individual student. If you are willing for this to occur, we request that you complete the form below and it will remain on file at the school.

There will also be times when pictures, commercials, and/or information about contest winners, student's work, as well as student achievement may be available on the School's web page, YouTube or other media outlets. This media release form will serve as permission to post such information as needed.
