

Annex 4 to
Procedures for Filing Eurasian Applications,
Containing Nucleotide and/or
Amino Acid Sequences,
approved by EAPO Order
of March 29, 2004, #7

**To the Eurasian Patent Office
2 Maly Cherkassky per., 109012, Moscow, Russia**

Applicant: _____
(Surname, name, patronymic (if used) or title of applicant)

Title of the invention: _____

№ of applicant or representative: _____

№ of Eurasian application: _____
(if known)

Filing date: _____
(if known)

Declaration

We hereby confirm that the filed amended (clarified, corrected) nucleotide and/or amino acid sequence listing does not affect the essence of the invention (does not extend beyond the originally disclosed content of the Eurasian application) and that the abovementioned listing on the attached machine-readable data carrier is identical to the nucleotide and/or amino acid sequence listing filed in printed form.
