ASPRS Conference Volunteer Opportunities
ASPRS 2012 Annual Conference
Sacramento, California
March 18-23

If you are a student at an accredited college or university and would like to attend the 2012 ASPRS Annual Conference without paying the required Conference Registration fee, consider assisting with the conference.

By helping for a minimum of 8 hours during the week of March 18-23, 2012, depending on your assignments, you will be able to attend the General and Technical Sessions, visit the Exhibit Hall, and enjoy the Exhibitors' Reception.

This is a great opportunity to learn more about the geospatial field, meet some of the top names in the industry, and explore job opportunities. We have even scheduled some activities and sessions specifically for students.

To serve as a volunteer, complete this application and e-mail it to:
Dr. Rakesh Malhotra, Student Volunteer Coordinator, rmalhotr@uncfsu.edu

Application Deadline: February 17, 2012

Please include **ASPRS Volunteer Program** in the subject line of all e-mail messages and send all applications via e-mail to Dr. Malhotra.
