

1st Annual
Golf Classic F O R E Independence
AT OLD YORK COUNTRY CLUB

Dear Friend,

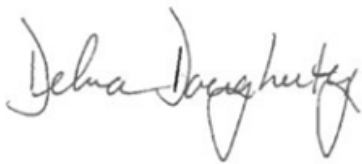

Canine Companions for Independence makes it possible for children and adults with physical and developmental disabilities to maintain their independence and quality of life by providing highly trained assistance dogs to individuals – free of charge. Through a special initiative, Canine Companions is working to provide assistance dogs to veterans and active duty military personnel with physical disabilities from the Middle East conflicts, and to military hospitals and medical centers. By supporting this remarkable organization you will help transform the lives of countless people. Read more about us at www.cci.org/northeast.

We invite you to partner with us by supporting Canine Companions in becoming a sponsor of our **1st Annual Golf Classic Fore Independence** fundraising event, which will take place on *Monday, June 17 beginning at 1pm at Old York Country Club, 228 Old York Rd., Chesterfield, New Jersey 08515.*

The cost to breed, raise, train and place just one of these canines is over \$45,000 and yet there is no charge to the recipient. We rely on private donations, foundations, corporate gifts and special event fundraisers to underwrite the program costs. We hope that you will join us by becoming an official sponsor of the 1st Annual Golf Classic Fore Independence. Please see the attached sheet for all of the acknowledgments that come along with being a sponsor.

Thank you for your consideration of this request. Your gift will help us continue to place these “*exceptional dogs with exceptional people*”.

Sincerely,

Debra Dougherty
Executive Director, Northeast Region
