City, State Zip Code

Dear First Name:

It's a pleasure to inform you that you have been accepted for general admission to Normandale Community College. We are pleased you chose Normandale and look forward to you joining us for fall semester. We hope your experience on our campus will prove to be enjoyable and rewarding.

Fall semester classes begin on August 26, 2014. If you are not currently in the United States, you will need to arrive no later than August 1, 2014 as indicated on your I-20. When you arrive in the United States, contact the Normandale Office of Admissions at (952) 358-8207 to schedule an appointment to meet me. You must bring your passport, I-94 and payment for the medical insurance (this may be waived with proof of insurance through an exchange program or government agency). I will advise you on the next steps you need to take before attending Advising and Registration.

An Advising and Registration session is required for all new students. At that session you will meet with a counselor or an advisor who will help you select classes.

Your I-20 form is enclosed. Please bring your financial documents, passport and I-20 form to the United States consulate or embassy in your country for processing of the F1 visa, which is required for entrance into the United States. Your I-20 form must be signed in blue ink.

If you are unable to attend fall semester; you must return the enclosed I-20 form. A new I-20 form will be issued for a subsequent semester when you have received the form issued for fall semester and we have current financial documentation on file.

Welcome to the Normandale community!

Sincerely,

Antoinette Bowling-Harris

Coordinator of International Admissions

952-358-8207
