

CERAMIC TILE DISTRIBUTORS ASSOCIATION

TILE TRAINING IN A BOX

CTDA "Training in a Box" is an easy, affordable way to introduce a newcomer to the ceramic tile industry using a variety of teaching methods. It comes in an easy to use box, complete with a tabbed binder of resource information. PowerPoint presentations for each lesson are included as well as an updated stone section. Simply place the labels provided on your own tile, and training is ready to begin!
