ONCOLOGY

2013 Hematopoietic Stem Cell Transplant for Advanced Practice Providers

When: September 12 – 13, 2013

Location: Governor Hotel, Portland, Oregon

**KNIGHT
CANCER INSTITUTE**
Oregon Health & Science University

Course Objective

This course is designed to address the day-to-day care of hematopoietic stem cell transplant patients. Speakers will emphasize practical information to improve clinical management of these patients, with sessions designed to address the needs of practitioners in both the pediatric and adult transplant settings.

At the conclusion of the course, participants will be able to:

- Discuss cancer biology and post-transplant immune reconstitution
- Review disease specific indications for transplantation and current controversies
- Discuss the management of post-transplant complications including hematologic, cardiac, endocrine/metabolic, and infectious
- Discuss the latest updates from the NMDP, CTN and International Cord Blood Symposium
- Identify concerns for survivorship and long-term follow up care

Location and Accommodations

This course will be held at the Governor Hotel, 614 S.W. 11th Ave., Portland, Oregon. For reservations, please contact the hotel directly at **503 224-3400** and be sure to mention your attendance at the Hematopoietic Stem Cell Transplant for Advanced Practice Providers conference. Please make your reservations early as the room block will be released on Monday, August 12, 2013 and is subject to sell-out prior to that date.

Tuition and Registration

The tuition fee for registration is \$275 and includes lunch both days and all course materials. Early registration is encouraged as enrollment is limited. To help meet administrative costs, a \$35 service charge will be assessed on all refund requests received by September 1, 2013. No refunds can be offered after that date. On-site registration will be available on September 12.
