Mary Taylor, CPA
Auditor of State

Bokescreek Township
Logan County
7357 County Road 50
Ridgeway, Ohio 43345

To the Board of Trustees:

As you are aware, the Auditor of State's Office (AOS) must modify the *Independent Accountants' Report* we provide on your financial statements due to an interpretation from the American Institute of Certified Public Accountants (AICPA). While AOS does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. Our Report includes an adverse opinion relating to GAAP presentation and measurement requirements, but does not imply the amounts the statements present are misstated under the non-GAAP basis you follow. The AOS report also includes an opinion on the financial statements you prepared using the cash basis and financial statement format the AOS permits.

A handwritten signature in cursive script that reads "Mary Taylor".

INDEPENDENT ACCOUNTANTS' REPORT

Bokescreek Township
Logan County
7357 County Road 50
Ridgeway, Ohio 43345

To the Board of Trustees:

We have audited the accompanying financial statements of Bokescreek Township, Logan County, (the Township) as of and for the years ended December 31, 2006 and 2005. These financial statements are the responsibility of the Township's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. The Township processes its financial transactions with the Auditor of State's Uniform Accounting Network (UAN). *Government Auditing Standards* considers this service to impair the independence of the Auditor of State to audit the Township because the Auditor of State designed, developed, implemented, and as requested, operates UAN. However, *Government Auditing Standards* permits the Auditor of State to audit and opine on this entity, because Ohio Revised Code § 117.101 requires the Auditor of State to provide UAN services, and Ohio Revised Code §§ 117.11(B) and 115.56 mandate the Auditor of State to audit Ohio governments. We believe our audit provides a reasonable basis for our opinion.

As described more fully in Note 1, the Township has prepared these financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and GAAP, we presume they are material.

Instead of the combined funds the accompanying financial statements present, GAAP requires presenting entity wide statements and also presenting the Township's larger (i.e. major) funds separately. While the Township does not follow GAAP, generally accepted auditing standards requires us to include the following paragraph if the statements do not substantially conform to GAAP presentation requirements. The Auditor of State permits, but does not require townships to reformat their statements. The Township has elected not to follow GAAP statement formatting requirements. The following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statements referred to above for the years ended December 31, 2006 and 2005 do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Township as of December 31, 2006 and 2005, or its changes in financial position for the years then ended.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances of Bokescreek Township, Logan County, as of December 31, 2006 and 2005, and its combined cash receipts and disbursements for the years then ended on the accounting basis Note 1 describes.

The Township has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statements.

In accordance with *Government Auditing Standards*, we have also issued our report dated October 15, 2007, on our consideration of the Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance, and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

Mary Taylor, CPA
Auditor of State

**BOKESCREEK TOWNSHIP
LOGAN COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2006 AND 2005**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

The constitution and laws of the State of Ohio establish the rights and privileges of the Bokescreek Township, Logan County, (the Township) as a body corporate and politic. A publicly-elected three-member Board of Trustees Township directs the Township. The Township provides road and bridge maintenance, cemetery maintenance, emergency medical services and fire protection.

The Township participates in a public entity risk pool. Note 6 to the financial statements provides additional information for this entity. This organization is:

Public Entity Risk Pool:

Ohio Township Association Risk Management Authority (OTARMA), a risk-sharing pool available to Ohio townships.

The Township's management believes these financial statements present all activities for which the Township is financially accountable.

B. Accounting Basis

These financial statements follow the accounting basis the Auditor of State prescribes or permits. This basis is similar to the cash receipts and disbursements accounting basis. The Township recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the Auditor of State prescribes or permits.

C. Cash and Investments

The Township's accounting basis includes investments as assets. This basis does not record disbursements for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

The Township values certificates of deposit at cost.

D. Fund Accounting

The Township uses fund accounting to segregate cash and investments that are restricted as to use. The Township classifies its funds into the following types:

1. General Fund

The General Fund reports all financial resources except those required to be accounted for in another fund.

2. Special Revenue Funds

These funds account for proceeds from specific sources (other than from private-purpose trusts or for capital projects) that are restricted to expenditure for specific purposes. The Township had the following significant Special Revenue Funds:

**BOKESCREEK TOWNSHIP
LOGAN COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2006 AND 2005
(Continued)**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Gasoline Tax Fund – This fund receives gasoline tax money to pay for constructing, maintaining, and repairing Township roads.

Ambulance and Fire Fund – This fund receives tax levy for the operation of the Township EMS and Fire Department.

3. Capital Project Funds

These funds account for receipts restricted to acquiring or constructing major capital projects (except those financed through enterprise or trust funds). The Township had the following significant Capital Project Funds:

Public Works Fund – This fund accounts for Issue II money spent on behalf of the Township maintaining and repairing Township roads.

Miscellaneous Capital Projects Fund – This fund accounts for Logan County Sales Tax money spent on behalf of the Township maintaining and repairing Township roads.

E. Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Appropriations lapse at year end.

2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus cash as of January 1. The County Budget Commission must also approve estimated resources.

3. Encumbrances

The Ohio Revised Code requires the Township to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated.

A summary of 2006 and 2005 budgetary activity appears in Note 3.

F. Property, Plant, and Equipment

The Township records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

**BOKESCREEK TOWNSHIP
LOGAN COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2006 AND 2005
(Continued)**

2. EQUITY IN POOLED CASH

The Township maintains a cash pool all funds use. The Ohio Revised Code prescribes allowable deposits. The carrying amount of cash at December 31 was as follows:

	2006	2005
Demand Deposits	\$596,469	\$535,289
Certificates of Deposit	410,305	391,937
Total Deposits	\$1,006,774	\$927,226

Deposits: Deposits up to \$100,000 are insured by (1) Federal Depository Insurance Corporation; or (2) collateralized by the financial institution's public entity deposit pool.

3. BUDGETARY ACTIVITY

Budgetary activity for the years ending December 31, 2006 and 2005 follows:

2006 Budgeted vs. Actual Receipts

Fund Type	Budgeted Receipts	Actual Receipts	Variance
General	\$75,700	\$77,952	\$2,252
Special Revenue	181,000	215,266	34,266
Capital Projects		28,192	28,192
Total	\$256,700	\$321,410	\$64,710

2006 Budgeted vs. Actual Budgetary Basis Expenditures

Fund Type	Appropriation Authority	Budgetary Expenditures	Variance
General	\$415,599	\$65,894	\$349,705
Special Revenue	768,327	147,776	620,551
Capital Projects	28,192	28,192	
Total	\$1,212,118	\$241,862	\$970,256

2005 Budgeted vs. Actual Receipts

Fund Type	Budgeted Receipts	Actual Receipts	Variance
General	\$142,550	\$206,547	\$63,997
Special Revenue	179,170	214,857	35,687
Capital Projects	11,753		(11,753)
Total	\$333,473	\$421,404	\$87,931

2005 Budgeted vs. Actual Budgetary Basis Expenditures

Fund Type	Appropriation Authority	Budgetary Expenditures	Variance
General	\$260,692	\$60,704	\$199,988
Special Revenue	671,859	109,166	562,693
Capital Projects	11,753		11,753
Total	\$944,304	\$169,870	\$774,434

**BOKESCREEK TOWNSHIP
LOGAN COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2006 AND 2005
(Continued)**

3. BUDGETARY ACTIVITY (Continued)

The Township failed to record some restricted money in the correct fund which violated Ohio Rev. Code Section 5705.10. The Township failed to amend its certificate of estimated resources and appropriations resolution for Issue II money and Logan County sales tax money spent on behalf of the Township in 2006. As a result, Ohio Rev. Code Sections 5705.36 and 5705.40 were violated, respectively.

4. PROPERTY TAX

Real property taxes become a lien on January 1 preceding the October 1 date for which the Trustees adopted tax rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. The financial statements include homestead and rollback amounts the State pays as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Township.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

5. RETIREMENT SYSTEM

Ohio Public Employees Retirement System

The Township's employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes these plans' benefits, which include postretirement healthcare and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. For 2006 and 2005, OPERS members contributed 9 and 8.5%, respectively, of their gross salaries and the Township contributed an amount equaling 13.7 and 13.55%, respectively, of the participants' gross salaries. The Township has paid all contributions required through December 31, 2006.

6. RISK MANAGEMENT

The Township is exposed to various risks of property and casualty losses, and injuries to employees.

The Township insures against injuries to employees through the Ohio Bureau of Worker's Compensation.

The Township belongs to the Ohio Township Association Risk Management Authority (OTARMA), a risk-sharing pool available to Ohio townships. OTARMA provides property and casualty coverage for its members. OTARMA is a member of the American Public Entity Excess Pool (APEEP). Member governments pay annual contributions to fund OTARMA. OTARMA pays judgments, settlements and other expenses resulting from covered claims that exceed the members' deductibles.

**BOKESCREEK TOWNSHIP
LOGAN COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2006 AND 2005
(Continued)**

6. RISK MANAGEMENT (Continued)

A. Casualty Coverage

For an occurrence prior to January 1, 2006 OTARMA retains casualty risks up to \$250,000 per occurrence, including claim adjustment expenses. OTARMA pays a percentage of its contributions to APEEP. APEEP reinsures claims exceeding \$250,000, up to \$1,750,000 per claim and \$10,000,000 in the aggregate per year. For an occurrence on or subsequent to January 1, 2006, the Pool retains casualty risk up to \$350,000 per occurrence, including loss adjustment expenses. Claims exceeding \$350,000 are reinsured with APEEP in an amount not to exceed \$2,650,000 for each claim and \$10,000,000 in the aggregate per year. Governments can elect up to \$10,000,000 in additional coverage with the General Reinsurance Corporation, through contracts with OTARMA.

If losses exhaust OTARMA's retained earnings, APEEP provides *excess of funds available* coverage up to \$5,000,000 per year, subject to a per-claim limit of \$2,000,000 (for claims prior to January 1, 2006) or \$3,000,000 (for claims on or after January 1, 2006) as noted above.

B. Property Coverage

Through 2004, OTARMA retained property risks, including automobile physical damage, up to \$100,000 on any specific loss in any one occurrence. The Travelers Indemnity Company reinsured losses exceeding \$100,000 up to \$500 million per occurrence.

Beginning in 2005, Travelers reinsures specific losses exceeding \$250,000 up to \$600 million per occurrence. APEEP reinsures members for specific losses exceeding \$100,000 up to \$250,000 per occurrence, subject to an annual aggregate loss payment. Travelers provides aggregate stop-loss coverage based upon the combined members' total insurable values. If the stop loss is reached by payment of losses between \$100,000 and \$250,000, Travelers will reinsure specific losses exceeding \$100,000 up to their \$600 million per occurrence limit. The aggregate stop-loss limit for 2006 was \$1,901,127.

The aforementioned casualty and property reinsurance agreements do not discharge OTARMA's primary liability for claims payments on covered losses. Claims exceeding coverage limits are the obligation of the respective government.

Property and casualty settlements did not exceed insurance coverage for the past three fiscal years.

C. Financial Position

OTARMA's financial statements (audited by other accountants) conform with generally accepted accounting principles, and reported the following assets, liabilities and retained earnings at December 31, 2006 and 2005.

Casualty Coverage	2006	2005
Assets	\$32,031,312	\$30,485,638
Liabilities	(11,443,952)	(12,344,576)
Retained earnings	\$20,587,360	\$18,141,062

**BOKESCREEK TOWNSHIP
LOGAN COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2006 AND 2005
(Continued)**

6. RISK MANAGEMENT (Continued)

<u>Property Coverage</u>	<u>2006</u>	<u>2005</u>
Assets	\$10,010,963	\$9,177,796
Liabilities	(676,709)	(1,406,031)
Retained earnings	<u>\$ 9,334,254</u>	<u>\$7,771,765</u>

At December 31, 2006 and 2005, respectively, casualty coverage liabilities noted above include approximately \$10.8 million and \$11.6 million of estimated incurred claims payable. The Casualty Coverage assets and retained earnings above also include approximately \$10.8 million and \$11.6 million of unpaid claims to be billed to approximately 958 member governments in the future, as of December 31, 2006 and 2005, respectively. These amounts will be included in future contributions from members when the related claims are due for payment. The Township's share of these unpaid claims collectible in future years is approximately \$20,934. This payable includes the subsequent year's contribution due if the Township terminates participation, as described in the last paragraph below.

Based on discussions with OTARMA, the expected rates OTARMA charges to compute member contributions, which are used to pay claims as they become due, are not expected to change significantly from those used to determine the historical contributions detailed below. By contract, the annual liability of each member is limited to the amount of financial contributions required to be made to OTARMA for each year of membership.

<u>Contributions to OTARMA</u>	
2004	\$10,944
2005	\$10,131
2006	\$10,467

After completing one year of membership, members may withdraw on each anniversary of the date they joined OTARMA. They must provide written notice to OTARMA 60 days in advance of the anniversary date. Upon withdrawal, members are eligible for a full or partial refund of their capital contributions, minus the subsequent year's contribution. Withdrawing members have no other future obligation to the pool. Also, upon withdrawal, payments for all casualty claims and claim expenses become the sole responsibility of the withdrawing member, regardless of whether a claim was incurred or reported prior to the withdrawal.

Mary Taylor, CPA

Auditor of State

INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS*

Bokescreek Township
Logan County
7357 County Road 50
Ridgeway, Ohio 43345

To the Board of Trustees:

We have audited the financial statements of Bokescreek Township, Logan County, as of and for the years ended December 31, 2006 and 2005, and have issued our report thereon dated October 15, 2007 wherein we noted the Township followed accounting practices the Auditor of State prescribes rather than accounting principles generally accepted in the United States of America. We also noted the Township uses the Auditor of State's Uniform Accounting Network (UAN) to process its financial transactions. *Government Auditing Standards* considers this service to impair the Auditor of State's independence to audit the Township. However, *Government Auditing Standards* permits the Auditor of State to audit and opine on this entity, because Ohio Revised Code § 117.101 requires the Auditor of State to provide UAN services, and Ohio Revised Code §§ 117.11(B) and 115.56 mandate the Auditor of State to audit Ohio governments. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Township's internal control over financial reporting as a basis for designing our audit procedures for expressing our opinion on the financial statements, but not to opine on the effectiveness of the Township's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the Township's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. However, as discussed below, we identified certain deficiencies in internal control over financial reporting that we consider significant deficiencies.

A control deficiency exists when the design or operation of a control does not allow management or employees, in performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Township's ability to initiate, authorize, record, process, or report financial data reliably in accordance with its applicable accounting basis, such that there is more than a remote likelihood that the Township's internal control will not prevent or detect a more-than-inconsequential financial statement misstatement.

**Internal Control Over Financial Reporting
(Continued)**

We consider the following deficiencies described in the accompanying schedule of findings to be significant deficiencies in internal control over financial reporting: 2006-001, 2006-002 and 2006-003.

A material weakness is a significant deficiency, or combination of significant deficiencies resulting in more than a remote likelihood that the Township's internal control will not prevent or detect a material financial statement misstatement.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be significant deficiencies and accordingly, would not necessarily disclose all significant deficiency that are also material weaknesses. However, of the significant deficiencies described above, we believe findings numbered 2006-001 and 2006-002 are also material weaknesses.

We also noted certain internal control matters that we reported to the Township's management in a separate letter dated October 15, 2007.

Compliance and Other Matters

As part of reasonably assuring whether the Township's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed instances of noncompliance or other matters that we must report under *Government Auditing Standards* which are described in the accompanying schedule of findings as items 2006-002 and 2006-003.

We also noted a certain noncompliance or other matter not requiring inclusion in this report that we reported to the Township's management in a separate letter dated October 15, 2007.

We intend this report solely for the information and use of the management, and the Board of Trustees. We intend it for no one other than these specified parties.

Mary Taylor, CPA
Auditor of State

October 15, 2007

**BOKESCREEK TOWNSHIP
LOGAN COUNTY**

**SCHEDULE OF FINDINGS
DECEMBER 31, 2006 AND 2005**

**FINDINGS RELATED TO THE FINANCIAL STATEMENTS
REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS**

FINDING NUMBER 2006-001

Material Weakness

Classification of Revenues

To assist in the effective management and reporting of financial resources, the Township should have procedures in place to help assure that revenues are correctly classified in the accounting records and financial statements. The Township's 2006 accounting records and financial statements had revenue classification errors of \$2,643 in the General Fund and \$3,748 in the Special Revenue Ambulance and Fire Fund. In 2005, the Township's accounting records and financial statements had revenue classification errors of \$586 in the General Fund and \$6,575 in the Special Revenue Ambulance and Fire Fund. The classification errors consisted of but were not limited to the recording of CAT tax and kilowatt tax reimbursements as miscellaneous revenue instead of intergovernmental revenue, an insurance claim recorded as intergovernmental revenue instead of miscellaneous revenue, ambulance run revenue recorded as tax revenue and intergovernmental revenue instead of charges for services revenue, exempt personal property tax reimbursements recorded as tax revenue instead of intergovernmental revenue, and revenue from Logan County to help provide EMS services was recorded as tax revenue instead of intergovernmental revenue.

The failure to correctly record revenues and expenditures not only impacts the user's understanding of the financial operations, it also inhibited the Township's Trustees and management's ability to make sound financial decisions, and may impact the Township's ability to comply with budgetary laws. The accompanying financial statements have been adjusted to reflect this activity in the correct revenue line items.

The Township Fiscal Officer should review the Ohio Township Manual, the UAN Manual, and Auditor of State Audit Bulletins for guidance in the recording of financial activity. The Township's Fiscal Officer and Trustees should also perform a periodic review of the financial records to help identify recording errors.

FINDING NUMBER 2006-002

Material Weakness/ Noncompliance Citation

Ohio Rev. Code, Section 5705.10 (D), requires that all revenue derived from a source other than the general property tax and which the law prescribes shall be used for a particular purpose is to be paid into a special fund for such purpose. During 2006 and 2005, the Township recorded the kilowatt hour tax reimbursement which is a property tax replacement payment, in the General Fund instead of allocating it between the General Fund and Special Revenue Ambulance and Fire Fund in the same proportion as property tax levy receipts. During 2006, the Township recorded a CAT tax distribution, which is a reimbursement from the State for the loss of tangible personal property tax revenue, in the General Fund instead of allocating it between the General Fund and the Special Revenue Ambulance and Fire Fund in the same proportion as property tax receipts. During 2006, the Township recorded excess IRP compensation, which is motor vehicle license revenue, in the General Fund instead of the Motor Vehicle License Tax Fund.

FINDING NUMBER 2006-002
(Continued)

The Township has made the necessary adjustments to increase/decrease fund balances to properly reflect these amounts in the funds. The required adjustments had the following net effect upon the respective funds:

Fund Type	2006	Amount		Fund Type	2005	Amount
General	Decrease	(\$4,423)		General	Decrease	(\$3,464)
Special Revenue Motor Vehicle License Tax Fund	Increase	80		Special Revenue Ambulance and Fire Fund	Increase	3,464
Special Revenue Ambulance and Fire Fund	Increase	4,343				

The Township Fiscal Officer should utilize resources such as Chapters 1 and 5 of the Ohio Compliance Supplement, AOS Bulletin 2001-011, and the Ohio Township Manual to provide guidance on the recording of revenues. In addition, the Township should implement review and monitoring procedures to help assure that revenues are recorded in the correct fund.

FINDING NUMBER 2006-003

Material Weakness/Noncompliance Citation

Ohio Rev. Code Section 5705.36(A)(2) allows all subdivisions to request increased amended certificates of estimated resources upon determination by the fiscal officer that revenue to be collected will be greater than the amount in the official certificate of estimated resources. **Ohio Rev. Code Section 5705.36(A)(3)** requires obtaining an increased amended certificate from the budget commission if the legislative authority intends to appropriate and expend excess revenue. **Ohio Rev. Code Section 5705.40** allows an entity to amend or supplement appropriations.

In 2006, the Township failed to amend the certificate of estimated resources and the appropriations resolution for Issue II money and Logan County sales tax money, in the amount of \$28,192, spent on behalf of the Township. In addition, the Township also failed to record in its accounting records and annual financial statements the memo entries to account for the receipt and disbursement of this money. The accompanying financial statements have been adjusted to reflect receipt and disbursement of this money.

The failure to record this activity prevents the users of the financial statements from seeing the financial benefit received by the Township.

The Township should review Auditor of State Bulletin 2002-004 for guidance in the budgeting and recording of Issue II money and other similar infrastructure money. Procedures should then be implemented by the Township to help assure the recording of this activity in the accounting records and financial statements.

OFFICIALS' RESPONSE

We did not receive a response from Officials to these findings.
