I _____ am requesting a transfer for my child _____
(Name of Parent/Guardian) (Student's legal name)

to attend Freedom Park K-8 School.

I recognize there must be class space for additional students in the grade my child will attend if chosen, and that a lottery may be the determinant as to whether or not my child or children may actually attend Freedom Park School. I further understand that if my child or children are selected to attend Freedom Park School, I am responsible for my child's transportation to and from Freedom Park School. Finally, I understand the Board of Education may revisit this selection each year to assure my residence has not changed.
