Recommend a friend.

You can earn up to £400 in cash between you, your friends and your family if you Recommend a Friend for a mortgage.

As a valued member of the Society you know that we offer exceptional customer service along with a competitive product range, so why not spread the word?

Recommend a Leeds Building Society mortgage to a friend or member of your family and when it completes, we'll reward you both with £50 - just to say thank you!

How it works...

It's so easy to do, so long as you're an existing member of the Society (either an investor of 3 months or more or a mortgage customer), simply fill out the form opposite and pass it on to a friend or member of your family. They then need to hand it in with their mortgage application and when their mortgage completes, provided that this is on or before 31st December 2014 a cheque for £50 will be on its way to you and your friend!

You can recommend up to four people which could result in a fantastic £400 in cash between you, your friends and family, just for spreading the word.
