**V. BIDDER RESPONSIBILITIES & THE BID PACKAGE**

If the IFB is modified prior to the final bid submission date, the State will issue an addendum to all bidders that received a bid package.

Bidder shall provide rate(s) on Rate Sheet (Exhibit B-1)

**NOTE:**

1. Any quantities listed on Exhibit B-1 are CDCR's estimates only and are offered as a basis for the comparison of bids. The State does not expressly or by implication agree that the actual amount of work will correspond therewith and reserves the right to omit portions of the work as may be deemed necessary or advisable by the State.
2. In the case of a discrepancy between the Unit Price (e.g., Hourly Rate, Cost per Service) and Item Total (e.g., Hourly Rate x Hours Worked = Item Total), the Unit Price shall prevail. However, if the Unit Price figure is ambiguous, illegible, uncertain, or is omitted, the Item Total shall be divided by the estimated usage (e.g., Hours Worked) to determine the Unit Price. In the case of a discrepancy between the Basis of Award and the sum of the Item Totals, the sum of the Item Totals shall prevail.
3. The amount of the total bid will be rounded up to the nearest whole dollar when the Agreement documents resulting from this bid are prepared.
4. CDCR reserves the right to include additional institution(s) or delete institution(s), which no longer require this service. The additional institution(s) will be included in the appropriate Institution Group and the bid rate for that group shall apply.

All required documents listed in the Bid Submittal Checklist must be included within the sealed bid package. No bid will be considered unless it is submitted with the CDCR Bidder Acknowledgement/Certification form (OBS 300) and Exhibit B-1 Rate Sheet and is in conformance with the submission requirements of this IFB. Additionally, an original, signed copy of all pages of the Contractor Certification Clause (CCC) must be submitted to CDCR with the completed bid package. The State reserves the right to request clarification of any documents included with this bid.

The bid must be for the entire activity described herein. The State does not accept alternate contract language from a prospective Contractor. A bid with such language will be considered a counter proposal and will be rejected. Additionally, bids may be rejected if the bid proposal shows any alterations of form, additions not called for, a

conditioned or incomplete bid, or erasures and/or irregularities of any kind. Any bid amounts changed after the amounts are originally inserted **MUST** be initialed in ink by the bidder.

Failure to submit required documentation may result in the rejection of your bid.

## VI. **BID SUBMITTAL**

Sealed bids must be received no later than the time and date specified in the Projected Timetable (Section I of these instructions) at the designated address stated below.

<u>MAIL DELIVERY,</u>	California Department of Corrections and Rehabilitation
<u>HAND DELIVERY, or</u>	Office of Business Services, Contracts Management Branch

Any bid received at the above address after the Submission of Bid date and time specified in the Projected Timetable, Section I, will **NOT** be considered. It is the State's policy to make every effort to ensure that all bids have been received and properly time stamped; however, bidders are ultimately responsible for ensuring timely receipt of their bid. Bidders may verify receipt of their bid by contacting the person identified in the cover letter of this IFB prior to the Public Bid Opening.

Bids that are not properly marked may be disregarded. All completed bids and required documents shall be packaged and submitted in a sealed envelope to the address specified in the section entitled "Bid Submission Requirements". The sealed envelope must be clearly marked **"BID FOR BAR SCREEN WASTE COLLECTION, REMOVAL AND DISPOSAL SERVICES. - BID NO. 6000001002 ATTENTION: KRISTINA LOPEZ - DO NOT OPEN."** Failure to do so may result in the premature opening of, or failure to open, your bid.

In submitting a bid, the bidder accepts the terms and conditions expressed herein. Costs incurred for developing bids and in anticipation of award of the Agreement are the responsibility of the bidder and shall not be charged to the State.

A bidder may modify a bid after its submission by withdrawing the original bid and resubmitting a new bid prior to the bid submission deadline. Bidder modifications offered in any other manner, oral or written, will not be considered.

A bid may be withdrawn from consideration by submitting a written withdrawal request to the State, signed by the bidder or an authorized agent. Once opened by the State, the submitted bid is binding and may not be withdrawn without cause.

All documents submitted in response to this IFB will become the property of the State and will be regarded as public records under the California Public Records Act (Government Code Section 6250 et seq.) and subject to review by the public.

**VII. LETTERS OF INQUIRY**

The purpose of these letters is to provide bidders the opportunity to ask questions and/or provide feedback to CDCR on the specifics of the IFB and/or DVBE requirements. While some input may be incorporated into the IFB, remarks and explanations submitted may not necessarily change provisions of the IFB. Any modifications to the IFB as a result of these inquiries will be documented by an addendum and forwarded to all bidders.

Any letters of inquiry must be submitted in writing to allow CDCR time to research and prepare a response. Submit your letter of inquiry by seven days (7) prior to bid submittal directly to Kristina Lopez, Contracts Management Branch, by any of the following:

Mail: 10000 Goethe Road, Suite C-1  
Sacramento, CA 95827

FAX: (916) 255-6187

E-mail: Kristina.Lopez@cdcr.ca.gov

Inquiries received after this date will only be addressed at CDCR's discretion.

**VIII. PUBLIC BID OPENING**

If you are planning to attend the public bid opening, you must notify the contact person listed in the cover letter of this IFB two (2) working days before the bid opening date specified in Section I – Projected Timetable. If you and/or your representative require reasonable accommodation to participate in the Public Bid Opening, you must contact the contract analyst identified in this package and identify what reasonable accommodation(s) is required for you to participate.

At the time of the public bid opening, the dollar amount of each bid shall be read. The contract award is subject to a complete review of the entire bid proposal for compliance and adherence to the IFB requirements, verification of all calculations and claimed preferences, and compliance with DVBE Mandatory participation requirements, if applicable.

**IX. NONRESPONSIBLE BIDDER**

If a previous Agreement with a prospective bidder was terminated for cause, the State reserves the right to hold a responsibility hearing before awarding the Agreement to determine if the bidder is responsible. The bid may be rejected if the State deems, at the conclusion of the responsibility hearing, that the bidder is not responsible.

**X. BASIS FOR AWARD**

The award of an Agreement, if it is to be awarded, will be made to the lowest responsible bidder whose bid complies with all requirements prescribed herein. In the event a bidder submits more than one (1) bid for the same institution/service under this bid process, the State shall select the lowest bid and reject all other bids from this bidder.

In the event of tie bids, except as provided in Government Code §14838(f), CDCR reserves the right to determine the bidder entitled to the contract award based on the percent of discount specified in Exhibit B-1, if applicable. If not applicable or if there is a discount tie, a coin toss or lot drawing will be used to determine the bidder entitled to the contract award. The coin toss or lot drawing will be officially witnessed and all affected bidders will be advised of the tiebreaker method and invited to attend.

The State is not required to award an Agreement and reserves the right to reject any and all bids and to waive any immaterial deviations in the bid. The State's waiver of an immaterial deviation shall in no way modify the IFB document or excuse the bidder from full compliance with all requirements if awarded the Agreement.

The State intends to award one or more Agreements to the lowest responsible bidder(s). The State reserves the right to award either 1) one Agreement for all institutions specified herein, 2) one Agreement per geographic group, e.g., Deuel Vocational Institute (DVI), Mule Creek State Prison (MCSP) and Sierra Conservation Center (SCC), or 3) one Agreement per institution. This determination will be based on what is in the best interests of the State.

Bidders may submit bids for any and all institutions. If a bidder is the lowest bidder for more than one institution, all of the institutions awarded to that bidder will be incorporated into one Agreement.

#### **XI. PROTEST AWARD**

Information regarding the protest of an award may be found by going to [www.ols.dgs.ca.gov/Contract+Manual/Chapters4through6.htm](http://www.ols.dgs.ca.gov/Contract+Manual/Chapters4through6.htm), under Chapter 6: Contract Award Protests.

#### **XII. GENERAL PREVAILING RATE OF WAGES**

In accordance with the provisions of Section 1774 of the California Labor Code, the Contractor and any subcontractors shall conform to the general prevailing rate of wages as determined by the Director of the Department of Industrial Relations. Copies of the wage rate determinations or any amendments thereto issued by the Director of the Department of Industrial Relations are on file with CDCR.

**XIII. AGREEMENT EXECUTION**

The Agreement will be executed only upon the State's acceptance of the Contractor's certificates of insurance, bonds, licenses, and permits, when such items are required. Should the Contractor fail to commence work at the agreed-upon date and time, the State, upon five (5) days written notice to the Contractor, reserves the right to terminate the Agreement.

The successful bidder shall enter into an Agreement with the State, which will be prepared on a State of California Standard Agreement (STD 213 form, sample attached) and shall include from this IFB Exhibits A, A-1, B, B-1, D, E and F.

This Agreement will not include a hard copy of the General Terms and Conditions for Private Contractors (Exhibit C), which is incorporated into the Agreement by reference only on the STD 213. Also not provided is a hard copy of the Contractor Certification Clauses (CCC). Exhibit C and the CCC may be downloaded from the Internet at [www.ols.dgs.ca.gov/standard+language](http://www.ols.dgs.ca.gov/standard+language) and printed for your files. An original, signed copy of all pages of the CCC must be submitted to CDCR. Failure to submit a signed CCC may result in rejection of your bid.

After award, two (2) original Standard Agreements will be forwarded to the Contractor for signature. Upon receipt, the Contractor must sign each Agreement with an original signature and return all Agreements with any required documentation in accordance with the time frame specified in the transmittal letter. In the event the State has not received the signed Agreements and the required documentation within the specified time frame, the award may be rescinded and awarded to the next lowest responsible bidder.

This Agreement is not valid unless and until approved by the Department of General Services, or, under its authority CDCR. The State has no legal obligation unless and until the Agreement is approved. Any work commenced by the Contractor prior to approval may be considered voluntary and the Contractor may have to pursue claim for payment by filing with the California Victim Compensation and Government Claims Board. When the Agreement is fully approved, a copy will be forwarded to you.

**XIV. EXTENSION OF TERM**

This Agreement may be amended to extend the term, if it is determined to be in the best interest of the State. Upon signing the amendment, Contractor hereby agrees to provide services for the extended period at the rates specified in the original Agreement.

**XV. DISABLED VETERAN BUSINESS ENTERPRISE (DVBE) PROGRAM**

**NOTE:** Bidders need to begin the required DVBE participation process as soon as possible to allow adequate response time for DVBE participants.

- a. DVBE participation of no less than 3 percent is mandatory for all bids exceeding \$15,000. These requirements apply whether conducting business as a for-profit or nonprofit individual, partnership or corporation. In order to be deemed responsive and eligible for award of the Agreement, the bidder must attain the prescribed goals.

For more information, bidders have been provided with a DVBE Program Requirements resource packet. Additionally, to document DVBE participation, bidders **must** complete and return the Bidder Declaration form (GSPD-05-105) and the DVBE Declarations form (STD 843) attached to this IFB. Failure to complete and submit all required forms with the bid, that fully document and meet the DVBE requirement, will cause the bid to be rejected.

- b. The DVBE participation goals must be based on the total amount of the bid proposal.
- c. Failure to submit the completed worksheets with the bid proposal will result in automatic rejection of your bid. Your bid will also be rejected if the DVBE requirement is not met.
- d. Proof of Department of General Services (DGS) DVBE certification for your firm and/or subcontractors must be submitted with your DVBE Participation Worksheets.
- e. CDCR's contact for this bid is:

#### **XVI. DISABLED VETERAN BUSINESS ENTERPRISE (DVBE) INCENTIVE**

CDCR is committed to meeting and exceeding the 3 percent goal for Disabled Veteran Business Enterprise (DVBE) participation in State contracting activities, set forth in Military and Veterans Code 999. The DVBE Incentive Program applies to all contracting activities for services including public works, construction, services, leasing, materials testing, and other related contracts. The DVBE incentive is applied during the evaluation process and is only applied to responsive bids from responsible bidders proposing DVBE participation. This incentive is for bid computation only.

To be eligible for the DVBE incentive, the business must:

1. Complete DVBE Incentive Request and Subcontractor Acknowledgement form (OBS 554) and submit with bid proposal.
2. Have a completed DVBE application on file with DGS, OSDS by 5:00 p.m. on the date bids are due.

For certification and preference approval process information, contact the DGS OSDS by telephone at (916) 375-4940 or access the DGS OSDS Internet website at <http://www.pd.dgs.ca.gov/dvbe/default.htm>

**Award Based on Low Price**

The incentive shall be equal to a bidder's DVBE participation level (rounded to the nearest two decimal places).

DVBE PARTICIPATION LEVEL	INCENTIVE APPLIED
1.0 - 1.99%	1%
2.0 UP TO 2.99%	2%
3.0 UP TO 3.99%	3%
4.0 UP TO 4.99%	4%
5.0 UP TO 5.99%	5%

1. The incentive is subject to a minimum of one percent (1%) and a maximum of five percent (5%) and will not exceed \$500,000. Bids with DVBE participation of more than five (5%) percent will be calculated with a five percent (5%) incentive.
2. Bidders with DVBE participation of less than the required percentage listed in the solicitation will be deemed non-responsive and eliminated from any further participation.
3. The Small Business Preference (five percent (5%) up to \$50,000) may be combined with the DVBE incentive but will not exceed a combined total of \$500,000.
4. The DVBE incentive is computed from the lowest responsive and responsible bid price.

**XVII. SMALL BUSINESS PREFERENCE PROGRAM**

Current law encourages state departments to first consider a Small Business (S/B) Enterprise / Microbusiness (M/B) Enterprise for contracting opportunities. CDCR is committed to supporting Small/Micro Business participation in state contracting and seeks to use certified Small/Micro Businesses whenever possible.

A Small/Micro Business enterprise is defined as a business certified by the Department of General Services (DGS), Office of Small Business and Disabled Veteran Business Enterprise Certification Services (OSDS) in which:

1. The principal office is located in California
2. The officers are domiciled in California
3. The business is independently owned and operated
4. The business, with any affiliates, is not dominant in its field of operation; and
  - a. For Small Business, either:
    - (1) The business, together with any affiliates, has 100 or fewer employees and averaged annual gross receipts of \$14,000,000 or less over the previous three years, or
    - (2) The business is a manufacturer with 100 or fewer employees
  - b. For Micro Business, either:
    - (1) The business, together with any affiliates, has 25 or fewer employees and averaged annual gross receipts of \$3,500,000 or less over the previous three years, or
    - (2) The business is a manufacturer with 25 or fewer employees.

Section 14835, et seq., of the California Government Code requires that a five percent (5%) preference be given to bidders who certify as a Small/Micro Business enterprise. The rules and regulations of this law are contained in Title 2, California Code of Regulations, Section 1896, et seq. A copy of the regulation is available upon request.

To claim the Small/Micro Business preference, which may not exceed \$50,000 for any bid, your firm must:

1. Have a completed application (including proof of annual receipts) on file with the DGS, OSDS, by 5:00 p.m. on the date bids are due, and
2. Receipt of documents verified by such office.

Therefore, if you are a Small/Micro Business, but are not certified, it is to your advantage to become certified. For certification and preference approval process information, contact the OSDS by telephone at (916) 375-4940 or access the OSDS Internet website at [www.pd.dgs.ca.gov/smbus/getcertified.htm](http://www.pd.dgs.ca.gov/smbus/getcertified.htm).

#### **XVIII. NON-SMALL BUSINESS PREFERENCE REQUEST**

Pursuant to Title 2, CCR Section § 1896, et seq., and GC Section § 14838, et seq., a bid preference of five percent (5%) is available to a responsive non-small business claiming no less than twenty-five percent (25%), Small Business/Micro Business (SB/MB) subcontractor participation with one or more SB/MB enterprises. This preference is considered only if the tentative low bidder is not a certified SB/MB.

In granting the Non-Small Business Preference, no bid price will be reduced by more than \$50,000. This preference cost adjustment is for bid evaluation purposes only and does not alter the actual cost offered by the bidder.

A non-small business is defined as a responsive/responsible bidder that is not certified by the DGS OSDS as a SB/MB enterprise.

To be eligible for the non-small business preference, the business prime vendor must complete and submit the Non-Small Business Preference Request and Subcontractor Acknowledgement form (OBS 555) with their bid proposal.

#### **XIX. NONPROFIT VETERAN SERVICE AGENCY (NVSA) SMALL BUSINESS PREFERENCE**

Pursuant to Military and Veteran Code Section 999.50 et seq., Nonprofit Veteran Service Agencies (NVSAs) claiming Small/Micro Business preference and verified as such in the relevant category or business type, will be granted a preference of five percent (5%) of the lowest responsive bid, if the lowest responsive bid is submitted by a bidder not certified as a Small/Micro Business.

In granting Small/Micro Business preference to NVSAs, no bid will be reduced by more than \$50,000. The preference cost adjustment is for computation purposes only and does not alter the actual cost offered by the bidder.

To be eligible for the NVSA Small/Micro Business Preference, the business concern must:

1. request preference at the time of bid submission, and
2. must possess a valid certification prior to bid submission.

An SB/NVSA is not subject to the same standards as other certified Small/Micro businesses. SB/NVSA standards are identified in Military and Veterans Code Section 999.51(a) (3).

**XX. IDENTIFICATION OF CONTRACTORS, SUBCONTRACTORS, CONSULTANTS: SMALL/MICRO BUSINESS AND DVBEs**

CDCR must identify all contractors, subcontractors, and consultants who will provide labor or render services in the performance of this Agreement and further identify whether any of the listed subcontractors and consultants are a certified Small/Micro business, or a certified DVBE. Therefore, the bidder must complete a Bidder Declaration (GSPD-05-105). If any changes occur in the submitted original GSPD-05-105, the Contractor shall notify the Office of Business Services (OBS), in writing within ten (10) working days of those changes, including any changes to Small/Micro business or DVBE status.

CDCR asks that you encourage any subcontractor(s) and/or consultant(s) not currently certified as a Small/Micro business or DVBE that may meet the certification requirements specified herein to become certified through the DGS, OSDS. Please provide those subcontractor(s)/consultant(s) the OSDS contact and certification information provided above.

If you are a certified Small/Micro business enterprise and fail to complete the Prime Contractor information of the CDCR Bidder Acknowledgement/Certification form (OBS 300), your business shall be classified as a large business, which will preclude your bid from receiving the five percent (5%) Small/Micro business preference and can cause incorrect reporting of Small/Micro business and large business participation by CDCR.

If you are a certified DVBE and fail to specify that information on the CDCR Bidder Acknowledgement/Certification form, (OBS 300) your business shall be classified as a large business, which will preclude your bid from receiving any range of the DVBE incentive and cause incorrect reporting of DVBE participation by CDCR.

**XXI. BIDDER PROVIDING FACILITY(IES)**

Bidders providing facility(ies) for their services must specify the complete address(es) of the facility(ies) where the services will be performed in the appropriate section on the Bidder Acknowledgement/Certification form (OBS 300) in the spaces provided.

The bidder hereby authorizes the State to insert the bidder's facility(ies) as listed in the CDCR Bidder Acknowledgement/Certification form (OBS 300) into the contract Exhibit A Scope of Work.

\* The percent of discount (highest discount prevails) may be used in the event of tie bids. Refer to the Notice to Prospective Bidders, Bid Submission Requirements.

**1. Contract Disputes** (Supersedes provision number 6, Disputes, of Exhibit C)

As a condition precedent to Contractor's right to institute and pursue litigation or other legally available dispute resolution process, if any, Contractor agrees that all disputes and/or claims of Contractor arising under or related to the Agreement shall be resolved pursuant to the following processes. Contractor's failure to comply with said dispute resolution procedures shall constitute a failure to exhaust administrative remedies.

Pending the final resolution of any such disputes and/or claims, Contractor agrees to diligently proceed with the performance of the Agreement, including the delivering of goods or providing of services. Contractor's failure to diligently proceed shall constitute a material breach of the Agreement.

The Agreement shall be interpreted, administered, and enforced according to the laws of the State of California. The parties agree that any suit brought hereunder shall have venue in Sacramento, California, the parties hereby waiving any claim or defense that such venue is not convenient or proper.

**a. Final Payment**

The acceptance by Contractor of final payment shall release the California Department of Corrections and Rehabilitation (CDCR) from all claims, demands and liability to Contractor for everything done or furnished in connection with this work and from every act and neglect of CDCR and others relating to or arising out of this work except for any claim previously accepted and/or in process of resolution.

**b. Informal Appeal**

Contractor and the program or institution contract liaison, or other designated CDCR employee of the unit for which the goods are being delivered or the service is being performed, shall first attempt in good faith to resolve the dispute or claim by informal discussion(s). Contractor shall identify the issues and the relief sought. Informal discussion(s) between Contractor and contract liaison, or the designated CDCR employee, shall be written, dated, and signed by the authors.

The program or institution contract liaison shall issue an informal written statement to Contractor regarding the dispute within fifteen (15) calendar days following settlement or an impasse in the informal discussion(s) process. The written statement shall either: (1) document the dispute settlement and what, if any, conditions were reached; or, (2) document the reason(s) the dispute could not be resolved informally and provide notification to Contractor of its option to file a formal appeal within thirty (30) days of the informal statement. One (1) copy of the informal statement and the discussion(s) on which it is based shall be forwarded immediately to the Office of Business Services (OBS) for inclusion in the Agreement file.

**c. Formal Appeal**

If the dispute or claim is not resolved to Contractor's satisfaction by the informal appeal process, Contractor may file with the Associate Director, OBS, and a formal written appeal within thirty (30) calendar days of the date of CDCR's informal written decision. The formal written appeal shall be addressed as follows:

(SUBJECT)

Associate Director  
Office of Business Services  
California Department of Corrections and Rehabilitation  
10000 Goethe Road, Suite C-1  
Sacramento, CA 95827

Contractor shall specify in the formal written appeal the issue(s) in dispute, the particular relief or remedy sought, the factual basis for Contractor's claim or dispute, and Contractor's legal, technical and/or other authority upon which Contractor bases its claim or dispute.

The formal written appeal shall include a written certification signed by a knowledgeable company official under the penalty of perjury according to the laws of the State of California pursuant to California Code of Civil Procedure Section 2015.5 that the dispute, claim, or demand is made in good faith, and that the supporting data are accurate and complete. If an Agreement adjustment is requested, the written certification shall further state under penalty of perjury that the relief requested accurately reflects the Agreement adjustment for which the CDCR is responsible.

If Contractor is a corporation, the written certification shall be signed by an officer thereof. If Contractor is a sole proprietorship or partnership, it shall be signed by an owner or full partner. If Contractor is other than a corporation, sole proprietorship or partnership, it shall be signed by a principal of the company with authority to bind the company.

The Associate Director, OBS, shall issue a formal written decision on behalf of CDCR within thirty (30) calendar days of receipt of the properly addressed formal written appeal. If mutually agreed by the parties, the date for the issuance of CDCR's final written decision may be extended.

**d. Further Resolution**

If the dispute is not resolved by the formal appeal process to Contractor's satisfaction, or Contractor has not received a written decision from the Associate Director, OBS, after thirty (30) calendar days, or other mutually agreed extension, Contractor may thereafter pursue its right to institute other dispute resolution process, if any, available under the laws of the State of California.

**e. Contract Disputes with Public Entities**

A county, city, district or other local public body, state board or state commission, another state or federal agency, or joint-powers authority shall resolve a dispute with CDCR, if any, through a meeting of representatives from the entities affected. If the dispute cannot be resolved to the satisfaction of the parties, each entity may thereafter pursue its right to institute litigation or other dispute resolution process, if any, available under the laws of the State of California.

**2. Right to Terminate** (Supersedes provision number 7, Termination for Cause, of Exhibit C)

The State reserves the right to terminate this Agreement subject to thirty (30) calendar days written notice to the Contractor. Contractor may submit a written request to terminate this

Agreement only if the State should substantially fail to perform its responsibilities as provided herein.

Additionally, the State reserves the right to terminate this Agreement subject to thirty (30) calendar days written notice to the Contractor should it be later identified as a service which can be consolidated into a statewide/regionalized Agreement. The State may exercise its option to cancel the remaining years of this Agreement, should it be decided that with additional institutions and/or sites, the State would receive a better rate for the same service.

However, the State can immediately terminate this Agreement for cause. The term "for cause" shall mean that the Contractor fails to meet the terms, conditions, and/or responsibilities of the Agreement. In this instance, the Agreement termination shall be effective as of the date indicated on the State's notification to the Contractor.

This Agreement may be suspended or cancelled without notice, at the option of the Contractor, if the Contractor or State's premises or equipment are destroyed by fire or other catastrophe, or so substantially damaged that it is impractical to continue service, or in the event the Contractor is unable to render service as a result of any action by any governmental authority.

### **3. Contract Suspension**

Notwithstanding any other provisions of this Agreement, pursuant to a Governor's Executive Order or equivalent directive, such as a court order or an order from a federal or state regulatory agency, mandating the suspension of state contracts, the State may issue a Suspension of Work Notice. The Notice shall identify the specific Executive Order or directive and the Agreement number(s) subject to suspension. Unless specifically stated otherwise, all performance under the Agreement(s) must stop immediately upon receipt of the Notice. During the period of contract suspension, Contractor is not entitled to any payment for the suspended work. Once the order suspending state contracts has been lifted, a formal letter from the Department will be issued to the Contractor to resume work.

### **4. Responsibility Hearing**

If this Agreement is terminated for cause, CDCR reserves the right to conduct a responsibility hearing to determine if the Contractor is a responsible bidder before an award of future Agreements can be made.

### **5. Confidentiality of Data**

All financial, statistical, personal, technical and other data and information relating to State's operation, which are designated confidential by the State and made available to carry out this Agreement, or which become available to the Contractor in order to carry out this Agreement, shall be protected by the Contractor from unauthorized use and disclosure.

If the methods and procedures employed by the Contractor for the protection of the Contractor's data and information are deemed by the State to be adequate for the protection of the State's confidential information, such methods and procedures may be used with the written consent of the State. The Contractor shall not be required under the provisions of this paragraph to keep confidential any data already rightfully in the Contractor's possession

that is independently developed by the Contractor outside the scope of the Agreement or is rightfully obtained from third parties.

No reports, information, inventions, improvements, discoveries, or data obtained, repaired, assembled, or developed by the Contractor pursuant to this Agreement shall be released, published, or made available to any person (except to the State) in violation of any state or federal law.

Contractor by acceptance of this Agreement is subject to all of the requirements of California Government Code Section 11019.9 and California Civil Code Sections 1798, et seq., regarding the collection, maintenance, and disclosure of personal and confidential information about individuals.

**6. Liability for Loss and Damages**

Any damages by the Contractor to the State's facility including equipment, furniture, materials or other State property, will be repaired or replaced by the Contractor to the satisfaction of the State at no cost to the State. The State may, at its option, repair any such damage and deduct the cost thereof from any sum due Contractor under this Agreement.

**7. Computer Software Management Memo**

Contractor certifies that it has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

**8. Accounting Principles**

The Contractor will adhere to generally accepted accounting principles as outlined by the American Institute of Certified Public Accountants. Dual compensation is not allowed; a Contractor cannot receive simultaneous compensation from two or more funding sources for the same services performed even though both funding sources could benefit.

**9. Liability for Nonconforming Work**

In addition, the Contractor shall not (either directly, or indirectly through an affiliated company, person or business) engage in financial dealings with inmates or parolees, except to the extent that such financial dealings create no actual or potential conflict of interest, are available on the same terms to the general public, and have been approved in advance in writing by CDCR. For the purposes of this paragraph, "affiliated company, person or business" means any company, business, corporation, nonprofit corporation, partnership, limited partnership, sole proprietorship, or other person or business entity of any kind which has any ownership or control interest whatsoever in the Contractor, or which is wholly or partially owned (more than 5% ownership) or controlled (any percentage) by the Contractor or by the Contractor's owners, officers, principals, directors and/or shareholders, either directly or indirectly. material changes in the Contractor's business status or structure that could affect the performance of the Contractor's duties under the Agreement.

If the Contractor violates any provision of the above paragraphs, such action by the Contractor shall render this Agreement void.

All relevant information includes, but is not limited to: a) investigative reports; b) access to inmates/parolees and the associated staff; c) access to employee personnel records; d) that information reasonably necessary to assure CDCR that inmates and/or parolees are not or have not been deprived of any legal rights as required by law, regulation, policy and procedures; and e) written evidence that the Contractor has taken such remedial action, in the event of unnecessary or excessive force, or employee misconduct with inmates and/or parolees, as will assure against a repetition of incident(s) or retaliation. To the extent that the information provided by the Contractor fails to so assure CDCR, CDCR may require that any implicated Contractor staff be denied access to and the supervision of CDCR inmates and/or parolees at the facility and access to inmate and/or parolee records. Notwithstanding the foregoing, and without waiving any obligation of the Contractor, CDCR retains the power to conduct an

independent investigation of any incident(s). Furthermore, it is the responsibility of the Contractor to include the foregoing terms within any and all subcontracts, requiring that subcontractor(s) agree to the jurisdiction of CDCR to conduct an investigation of their facility and staff, including review of subcontractor employee personnel records, as a condition of the Agreement.

The State reserves the right to verify the Contractor's evidence of coverage. In the event the Contractor fails to keep workers' compensation insurance coverage in effect at all times, the State reserves the right to terminate this Agreement and seek any other remedies afforded by the laws of this State.

It does, however, serve to provide the State with proof that the Contractor and any subcontractor are insured at the minimum levels required by the State of California.

Contractor agrees that any liability insurance required in the performance of this Agreement shall be in effect at all times during the term of this Agreement. In the event said insurance coverage expires or is canceled during the term of this Agreement, Contractor shall provide the State within five (5) business days of receipt by contractor a copy of any notice of cancellation or non-renewal of insurance required by the contract. **PAYEE DATA RECORD**

STD. 204 (Rev. 6-2003) (REVERSE)

1	<p><b><u>Requirement to Complete Payee Data Record, STD. 204</u></b></p> <p>A completed Payee Data Record, STD. 204, is required for payments to all non-governmental entities and will be kept on file at each State agency. Since each State agency with which you do business must have a separate STD. 204 on file, it is possible for a payee to receive this form from various State agencies.</p> <p>Payees who do not wish to complete the STD. 204 may elect to not do business with the State. If the payee does not complete the STD. 204 and the required payee data is not otherwise provided, payment may be reduced for federal backup withholding and nonresident State income tax withholding. Amounts reported on Information Returns (1099) are in accordance with the Internal Revenue Code and the California Revenue and Taxation Code.</p>
2	<p>Enter the payee's legal business name. Sole proprietorships must also include the owner's full name. An individual must list his/her full name. The mailing address should be the address at which the payee chooses to receive correspondence. Do not enter payment address or lock box information here.</p>
3	<p>Check the box that corresponds to the payee business type. Check only one box. Corporations must check the box that identifies the type of corporation. The State of California requires that all parties entering into business transactions that may lead to payment(s) from the State provide their Taxpayer Identification Number (TIN). The TIN is required by the California Revenue and Taxation Code Section 18646 to facilitate tax compliance enforcement activities and the preparation of Form 1099 and other information returns as required by the Internal Revenue Code Section 6109(a).</p> <p>The TIN for individuals and sole proprietorships is the Social Security Number (SSN). Only partnerships, estates, trusts, and corporations will enter their Federal Employer Identification Number (FEIN).</p>
4	<p><b><u>Are you a California resident or nonresident?</u></b></p> <p>A corporation will be defined as a "resident" if it has a permanent place of business in California or is qualified through the Secretary of State to do business in California.</p> <p>A partnership is considered a resident partnership if it has a permanent place of business in California. An estate is a resident if the decedent was a California resident at time of death. A trust is a resident if at least one trustee is a California resident.</p> <p>For individuals and sole proprietors, the term "resident" includes every individual who is in California for other than a temporary or transitory purpose and any individual domiciled in California who is absent for a temporary or transitory purpose. Generally, an individual who comes to California for a purpose that will extend over a long or indefinite period will be considered a resident. However, an individual who comes to perform a particular contract of short duration will be considered a nonresident.</p> <p>Payments to all nonresidents may be subject to withholding. Nonresident payees performing services in California or receiving rent, lease, or royalty payments from property (real or personal) located in California will have 7% of their total payments withheld for State income taxes. However, no withholding is required if total payments to the payee are \$1,500 or less for the calendar year.</p> <p>For information on Nonresident Withholding, contact the Franchise Tax Board at the numbers listed below:          Withholding Services and Compliance Section: 1-888-792-4900 E-mail address: wscs.gen@ftb.ca.gov          For hearing impaired with TDD, call: 1-800-822-6268 Website: www.ftb.ca.gov</p>
5	<p>Provide the name, title, signature, and telephone number of the individual completing this form. Provide the date the form was completed.</p>
6	<p>This section must be completed by the State agency requesting the STD. 204.</p>
	<p><b><u>Privacy Statement</u></b></p> <p>Section 7(b) of the Privacy Act of 1974 (Public Law 93-579) requires that any federal, State, or local governmental agency, which requests an individual to disclose their social security account number, shall inform that individual whether that disclosure is mandatory or voluntary, by which statutory or other authority such number is solicited, and what uses will be made of it.</p> <p>It is mandatory to furnish the information requested. Federal law requires that payment for which the requested information is not provided is subject to federal backup withholding and State law imposes noncompliance penalties of up to \$20,000.</p> <p>You have the right to access records containing your personal information, such as your SSN. To exercise that right, please contact the business services unit or the accounts payable unit of the State agency(ies) with which you transact that business.</p> <p>All questions should be referred to the requesting State agency listed on the bottom front of this form.</p>

AUTHORIZED REPRESENTATIVE

**CALIFORNIA DISABLED VETERAN BUSINESS ENTERPRISE (DVBE)  
PROGRAM REQUIREMENTS – NOT FOR GOODS AND INFORMATION TECHNOLOGY**  
(Revision Date 09/03/09)

**Please read the requirements and instructions carefully before you begin.**

**AUTHORITY.** The Disabled Veteran Business Enterprise (DVBE) Participation Goal Program for State contracts is established in Public Contract Code (PCC), §10115 et seq., Military and Veterans Code (MVC), §999 et seq., and California Code of Regulations (CCR), Title 2, §1896.60 et seq. **Recent legislation has modified the program significantly in that a bidder may no longer demonstrate compliance with program requirements by performing a “good faith effort” (GFE).**

**The minimum DVBE participation percentage (goal) is 3% for this solicitation unless another percentage is specified in the solicitation.** A DVBE incentive will be given to bidders who provide DVBE participation, unless stated elsewhere in the solicitation that the DVBE incentive has been waived.

**INTRODUCTION.** The bidder must complete the identified form to comply with this solicitation’s DVBE program requirements. Bids or proposals (hereafter called “bids”) that **fail to submit the required form and fully document and meet the DVBE program requirement shall be considered non-responsive.**

Information submitted by the intended awardee to comply with this solicitation’s DVBE requirements will be verified by the State. If evidence of an alleged violation is found during the verification process, the State shall initiate an investigation, in accordance with the requirements of the PCC §10115, et seq., and MVC §999 et seq., and follow the investigatory procedures required by the 2 CCR §1896.80. Contractors found to be in violation of certain provisions may be subject to loss of certification, penalties and/or contract termination.

**Only State of California, Office of Small Business and DVBE Services (OSDS), certified DVBEs (hereafter called “DVBE”)** who perform a commercially useful function relevant to this solicitation, may be used to satisfy the DVBE program requirements. The criteria and definition for performing a commercially useful function are contained herein on the page entitled **Resources & Information**. Bidders are to verify each DVBE subcontractor’s certification with OSDS to ensure DVBE eligibility.

**PLEASE READ ALL INSTRUCTIONS CAREFULLY.** These instructions contain information about the DVBE program requirements, bidder responsibilities, and the DVBE Bid Incentive. Bidders are responsible for thorough review and compliance with these instructions.

**To meet the DVBE program requirements, bidders must complete and fully document compliance with the following:**

**Commitment to full DVBE participation** - For a bidder who is a DVBE or who is able to meet the commitment to use identified certified DVBE(s) to fulfill the full DVBE participation goal.

**COMMITMENT** -- Commit to meet or exceed the DVBE participation requirement in this solicitation by either Method A1 (bidder is a California certified DVBE) or A2 (bidder is not a California certified DVBE). Bidders must document DVBE participation commitment by completing and submitting the Bidder Declaration (GSPD-05-105) located elsewhere within the solicitation document. Failure to complete and submit the required form as instructed shall render the bid non-responsive.

At the State's option prior to award of the contract, a written confirmation from each DVBE subcontractor identified on the Bidder Declaration must be provided. As directed by the State, the written confirmation must be signed by the bidder and/or the DVBE subcontractor(s). The written confirmation may request information that includes but is not limited to the DVBE scope of work, work to be performed by the DVBE, term of intended subcontract with the DVBE, anticipated dates the DVBE will perform required work, rate and conditions of payment, and total amount to be paid to the DVBE. If further verification is necessary, the State will obtain additional information to verify compliance with the above requirements.

**Method A1. Certified DVBE bidder:**

- a. Commit to performing at least 3% of the contract bid amount (unless otherwise specified) with the prime bidder's firm or in combination with another DVBE(s).
- b. Document DVBE participation on the Bidder Declaration GSPD-05-105.
- c. At the State's option a DVBE bidder working in combination with other DVBEs shall submit proof of its commitment by submitting a written confirmation from the DVBE(s) identified as a subcontractor on the Bidder Declaration. When requested, the document must be submitted to the address or facsimile number specified and within the timeframe identified in the notification. Failure to submit the written confirmation as specified may be grounds for bid rejection.

**Method A2. Non-DVBE bidder:**

- a. Commit to using certified DVBE(s) for at least 3% (unless otherwise specified) of the bid amount.
- b. Document DVBE participation on the Bidder Declaration GSPD-05-105.
- c. At the State's option prior to contract award, a bidder shall submit proof of its commitment by submitting a written confirmation from each DVBE identified as a subcontractor on the Bidder Declaration GSPD-05-105. The awarding department contracting official named in the solicitation may contact each listed DVBE, by mail, fax or telephone, for verification of the bidder's submitted DVBE information. When requested, the document must be submitted to the address or facsimile number specified and within the timeframe identified in the notification. Failure to submit the written confirmation as specified may be grounds for bid rejection.

**THE FOLLOWING MAY BE USED TO LOCATE DVBE SUPPLIERS:**

**Awarding Department**

Contact the department's contracting official named in this solicitation for any DVBE suppliers who may have identified themselves as potential subcontractors, and to obtain suggestions for search criteria to possibly identify DVBE suppliers for the solicitation. **DVBE BID INCENTIVE.** Unless stated elsewhere in the solicitation that the DVBE incentive has been waived, in accordance with Section 999.5(a) of the Military and Veterans Code an incentive will be given to bidders who provide DVBE participation. For evaluation purposes only, the State shall apply an incentive to bids that propose California certified DVBE participation as identified on the Bidder Declaration GSPD-05-105 and confirmed by the State. The incentive amount for awards based on low price will vary in conjunction with the percentage of DVBE participation. Unless a table that replaces the one below has been expressly established elsewhere within the solicitation, the following percentages will apply for awards based on low price.

<b>Confirmed DVBE Participation of:</b>	<b>DVBE Incentive:</b>
5% or Over	5%
4% to 4.99% inclusive	4%
3% to 3.99% inclusive	3%

As applicable: (1) Awards based on low price - the net bid price of responsive bids will be reduced (for evaluation purposes only) by the amount of DVBE incentive as applied to the lowest responsive net bid price. If the #1 ranked responsive, responsible bid is a California certified small business, the only bidders eligible for the incentive will be California certified small businesses. The incentive adjustment for awards based on low price cannot exceed 5% or \$100,000, whichever is less, of the #1 ranked net bid price. When used in combination with a preference adjustment, the cumulative adjustment amount cannot exceed \$100,000.

(2) Awards based on highest score - the solicitation shall include an individual requirement that identifies incentive points for DVBE participation.

A DVBE Business Utilization Plan (BUP) does not qualify a firm for a DVBE incentive. Bidders with a BUP, must submit a Bidders Declaration (GSPD-05-105) to confirm the DVBE participation for an element of work on this solicitation in order to claim a DVBE incentive(s).

### Commercially Useful Function Definition

California Code of Regulations, Title 2, § 1896.61(l):

The term "DVBE contractor, subcontractor or supplier" means any person or entity that satisfies the ownership (or management) and control requirements of §1896.61(f); is certified in accordance with §1896.70; and provides services or goods that contribute to the fulfillment of the contract requirements by performing a commercially useful function.

As defined in MVC §999, a person or an entity is deemed to perform a "commercially useful function" if a person or entity does **all** of the following:

- Is responsible for the execution of a distinct element of the work of the contract.
- Carries out the obligation by actually performing, managing, or supervising the work involved.
- Performs work that is normal for its business services and functions.
- Is not further subcontracting a portion of the work that is greater than that expected to be subcontracted by normal industry practices.

A contractor, subcontractor, or supplier will not be considered to perform a commercially useful function if the contractor's, subcontractor's, or supplier's role is limited to that of an extra participant in a transaction, contract, or project through which funds are passed in order to obtain the appearance of disabled veteran business enterprise participation.

## BIDDER DECLARATION Instructions

### All prime bidders (the firm submitting the bid) must complete the Bidder Declaration.

**1.a.** Identify all current certifications issued by the State of California. If the prime bidder has no California certification(s), check the line labeled “None” and proceed to Item #2. If the prime bidder possesses one or more of the following certifications, enter the applicable certification(s) on the line:

- Microbusiness (MB)
- Small Business (SB)
- Nonprofit Veteran Service Agency (NVSA)
- Disabled Veteran Business Enterprise (DVBE)

**1.b.** Mark either “Yes” or “No” to identify whether subcontractors will be used for the contract. If the response is “No”, proceed to Item #1.c. If “Yes”, enter on the line the distinct element of work contained in the contract to be performed or the goods to be provided by the prime bidder. Do not include goods or services to be provided by subcontractors.

Bidders certified as MB, SB, NVSA, and/or DVBE must provide a commercially useful function as defined in Military and Veterans Code Section 999 for DVBEs and Government Code Section 14837(d)(4)(A) for small/microbusinesses.

Bids must propose that certified bidders provide a commercially useful function for the resulting contract or the bid will be deemed non-responsive and rejected by the State. For questions regarding the solicitation, contact the procurement official identified in the solicitation.

**Note: A subcontractor is any person, firm, corporation, or organization contracting to perform part of the prime’s contract.**

**1.c.** This item is only to be completed by businesses certified by California as a DVBE.

(1) Declare whether the prime bidder is a broker or agent by marking either “Yes” or “No”. The Military and Veterans Code Section 999.2 (b) defines “broker” or “agent” as a certified DVBE contractor or subcontractor that does not have title, possession, control, and risk of loss of materials, supplies, services, or equipment provided to an awarding department, unless one or more of the disabled veteran owners has at least 51-percent ownership of the quantity and value of the materials, supplies, services, and of each piece of equipment provided under the contract.

(2) If bidding rental equipment, mark either “Yes” or “No” to identify if the prime bidder owns at least 51% of the equipment provided (quantity and value). If **not** bidding rental equipment, mark “N/A” for “not applicable.”

**2.** If no subcontractors are proposed, do not complete the table. Read the certification at the bottom of the form and complete “Page \_\_\_\_ of \_\_\_\_” on the form.

If subcontractors will be used, complete the table listing all subcontractors. If necessary, attach additional pages and complete the “Page \_\_\_\_ of \_\_\_\_” accordingly.
