You should also mention when you received their initial deposit and date received, or the total of all their payments and dates received. Note: the initial deposit on the cemetery lot should be the amount of the Endowed Care, account 814, for each cemetery lot. This will allow for the transfer of endowed care funds, and any future deposits will go into Sale of Lots, account 802.

The second paragraph should start by mentioning that the letter should be ignored in case the payment has been made already. Next, a request for payment for a certain amount by a date specified which your pastor should agree to. Basically, mention both the amount and date by which the person has to make their next payment and future payments, if any.
