## INDEPENDENT ACCOUNTANT'S REPORT

Rome Township Ashtabula County PO Box 5057 Rome, Ohio 44085

To the Board of Trustees:

We have audited the accompanying financial statements of Rome Township, Ashtabula County, (the Township) as of and for the years ended December 31, 2003 and December 31, 2002. These financial statements are the responsibility of the Township's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. The Township's financial transactions were processed using the Auditor of State's Uniform Accounting Network (UAN). *Government Auditing Standards* considers this service to impair the independence of the Auditor of State to conduct the audit of the Township because the Auditor of State designed, developed, implemented, and, as requested, operates UAN. However, *Government Auditing Standards* permits the Auditor of State to audit and opine on this entity, because Ohio Revised Code § 117.101requires the Auditor of State to provide UAN services, and Ohio Revised Code §§ 117.11(B) and 115.56 mandate the Auditor of State to audit Ohio governments. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the Township prepares its financial statements on the basis of accounting prescribed or permitted by the Auditor of State, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances and reserves for encumbrances of the Township as of December 31, 2003 and 2002, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated June 29, 2004 on our consideration of the Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

#### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2003 AND 2002

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### A. Description of the Entity

Rome Township, Ashtabula County, (the Township) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Township is directed by a publicly-elected three-member Board of Trustees. The Township provides road and bridge maintenance, cemetery maintenance, fire protection and emergency medical services. The Township contracts with Rome Volunteer Fire Department to provide fire and emergency services.

The Township's management believes these financial statements present all activities for which the Township is financially accountable.

#### B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

#### C. Cash and Investments

Investments are reported as assets. Accordingly, purchases of investments are not recorded as disbursements, and sales of investments are not recorded as receipts. Gains or losses at the time of sale are recorded as receipts or disbursements, respectively. The Township maintained a general checking and STAR Ohio accounts. STAR Ohio is recorded at share values reported by the mutual fund.

#### D. Fund Accounting

The Township uses fund accounting to segregate cash and investments that are restricted as to use. The Township classifies its funds into the following types:

#### 1. General Fund

The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in another fund.

#### 2. Special Revenue Funds

These funds are used to account for proceeds from specific sources (other than from trusts or for capital projects) that are restricted to expenditure for specific purposes. The Township had the following significant Special Revenue Funds:

#### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2003 AND 2002 (Continued)

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### 2. Special Revenue Funds (continued)

*Road and Bridge Fund* - This fund receives property tax money for constructing, maintaining and repairing Township roads and bridges.

*Gasoline Tax Fund* - This fund receives gasoline tax money to pay for constructing, maintaining and repairing Township roads.

*Fire Levy Fund* – This fund receives property tax money for maintaining/purchasing equipment and covering costs for providing emergency fire services.

#### 3. Capital Projects Fund

These funds are used to account for receipts that are restricted for the acquisition or construction of major capital projects (except those financed through enterprise or trust funds). The Township had the following significant capital project fund:

*Issue II Fund* - The Township received a grant from the State of Ohio for the Callender Road widening and resurfacing project.

#### 4. Debt Service Fund

The debt service fund is used to accumulate resources for the payment of bonds and note indebtedness. The Township had the following significant Debt Service Fund:

*Note Retirement Fund* – This fund received tax proceeds to pay off debt owed on a Fire Truck. The debt was repaid in March 2002.

#### 5. Fiduciary Funds (Trust)

Trust funds are used to account for resources restricted by legally binding trust agreements. If the agreement requires the Township to maintain the corpus of the trust, the fund is classified as a nonexpendable trust fund. Other trust funds are classified as expendable. The Township had the following significant fiduciary funds:

*Nonexpendable Trust Funds* – Stintson and Horn Cemetery Bequests *Expendable Trust Fund* – Cemetery Association

#### E. Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

#### 1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the function level of control, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Unencumbered appropriations lapse at year end.

#### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2003 AND 2002 (Continued)

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### 2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must also approve estimated resources.

#### 3. Encumbrances

The Ohio Revised Code requires the Township to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated.

A summary of 2003 and 2002 budgetary activity appears in Note 3.

#### F. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

#### G. Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. Unpaid leave is not reflected as a liability under the Township's basis of accounting.

#### 2. EQUITY IN POOLED CASH AND INVESTMENTS

The Township maintains a cash and investments pool used by all funds. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash and investments at December 31 was as follows:

	2003	2002
Demand deposits	\$253,584	\$177,532
Investments:		
STAR Ohio	78,410	77,548
Cemetery Bequests	2,460	2,421
Total investments	80,870	79,969
Total deposits and Investments	\$334,454	\$257,501

**Deposits:** Deposits are either (1) insured by the Federal Depository Insurance Corporation or (2) collateralized by the financial institution's public entity deposit pool.

**Investments:** Investments in STAR Ohio are not evidenced by securities that exist in physical or book entry form. Bequest monies are maintained in pass book savings accounts.

#### 4. **PROPERTY TAX**

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by the Board of Trustees. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to make semiannual payment, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Township.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

#### 5. RISK MANAGEMENT

#### Risk Pool Membership

The Township belongs to the Ohio Township Association Risk Management Authority (OTARMA), a risk-sharing pool available to Ohio townships. OTARMA provides property and casualty coverage for its members. OTARMA is a member of the American Public Entity Excess Pool (APEEP). Member governments pay annual contributions to fund OTARMA. OTARMA pays judgments, settlements and other expenses resulting from covered claims that exceed the members' deductibles.

#### Casualty Insurance

OTARMA retains casualty risks up to \$250,000 per occurrence. Claims exceeding \$250,000 are reinsured with APEEP up to \$1,750,000 per claim and \$5,000,000 in the aggregate per year. Governments can elect additional coverage, from \$2,000,000 to \$10,000,000, which the General Reinsurance Corporation will reinsure.

If losses exhaust OTARMA's retained earnings, APEEP covers OTARMA losses up to \$5,000,000 per year, subject to a per -claim limit of \$2,000,000.

#### Property Coverage

OTARMA retains property risks including automobile physical damage up to \$100,000 on any specific loss. The Travelers Indemnity Company reinsures specific losses exceeding up \$100,000. The Travelers Indemnity Company also provides aggregate excess coverage for property including automobile physical damage subject to an annual stop loss. When the stop loss is reached in any year, The Travelers Indemnity Company provides coverage in excess of \$10,000.

The aforementioned casualty and property reinsurance agreements do not discharge OTARMA's primary liability for claims payments on covered losses. Claims exceeding coverage limits are the obligation of the respective government.

#### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2003 AND 2002 (Continued)

#### 5. **RISK MANAGEMENT (Continued)**

This plan provides retirement benefits, including postretirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For 2003 and 2002, PERS members contributed 8.5% of their gross salaries. The Township contributed an amount equal to 13.55% of participants' gross salaries for 2003 and 2002. The Township has paid all contributions required through December 31, 2003.

## INDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE AND ON INTERNAL CONTROL REQUIRED BY GOVERNMENT AUDITING STANDARDS

Rome Township Ashtabula County PO Box 5057 Rome, Ohio 44085

To the Board of Trustees:

We have audited the financial statements of Rome Township, Ashtabula County, (the Township), as of and for the years ended December 31, 2003 and 2002, and have issued our report thereon dated June 29, 2004 wherein we noted that the Township's financial transactions were processed using the Auditor of State's Uniform Accounting Network (UAN). *Government Auditing Standards* considers this service to impair the independence of the Auditor of State to conduct the audit of the Township because the Auditor of State designed, developed, implemented, and, as requested, operates UAN. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

#### Compliance

As part of obtaining reasonable assurance about whether the Township's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*. However, we noted certain instances of noncompliance that we have reported to management of the Township in a separate letter dated June 29, 2004.

## Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Township's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted other matters involving the internal control over financial reporting the internal control over financial reporting and its operation that we consider to be material weaknesses.
