HOME LOGIC

Dear Parents and/or Guardians:

The North Hunterdon-Voorhees Regional High School District will once again be using the Home Logic program. Home Logic is designed to keep you informed of your child(ren)'s progress during the school year. You can view assignments, grades, and daily attendance. Home Logic continues to require very little time and effort on your part. You only need access to a computer with internet capabilities, whether you are at home, the office, or a local library.

Please note that mid-quarter Progress Reports and the first three marking period Report Cards are not mailed home. **The only Report Card parents will receive in the mail is the last marking period/end of year report card.** You will receive an email reminder when grades are posted for the first three marking periods and also at the mid-marking period dates so that you know when to sign-in to HomeLogic to view your child(ren)'s progress and grades. **If you wish to continue to receive the first three marking period Report Cards in the mail, please fill out the opt-in form at the bottom of this letter and return to your school's registrar.**

To log into Home Logic, please type the following link in your web browser:

<https://homelogic.nhvweb.net/homelogicxe/>. Returning users, enter your username and password. If this is your first time logging into Home Logic, please follow these steps:

- Click on the label “New User?” just under the Password.
- Click on “North Hunterdon-Voorhees Regional School District” and hit “Next” twice.
- Enter your first name, last name, and student ID number (assigned by the school) under Student Information and hit “Register”.
- Now you will be prompted to enter your email address (this would be already populated if your email is already in the system). If you would like to change your email, just type over it and click “Register”. This will update your email in our system.
- Your username and password will be emailed to this account. You can change your password after your initial login by clicking “Preferences”.

If you have any questions regarding Home Logic, please contact the following individuals:
