We are sending this consent form to you to request permission for your student’s photo/image and/or personally identifiable information to be published on the district and school websites and social media sites, and in district newsletters, presentations, and press releases. The North Hunterdon-Voorhees Regional High School District would like to share news about student achievements and celebrate our educational programs with the entire community. As you are aware, there are potential dangers associated with the posting of any personally identifiable information on a website or other electronic media. Some parents may wish to avoid these potential dangers. Therefore, pursuant to law, we will not post or release any personally identifiable information without prior written consent from a student’s parent or guardian, which is granted through this form.
