

Wee College

for kids ages 5 - 7

Center for Continuing Education
Carnahan Building
525 Falconer Street
Jamestown, NY 14701

Come join us for one or both exciting summer adventures full of activities not to be missed! Don't be surprised during all this excitement when you happen to discover cool things to do with math and science!

ATTENTION PARENTS - Do you want a way to keep your kids engaged in math and/or science during the summer? JCC is proud to host Wee College for kids not old enough for Kids' College, yet old enough to learn and have fun! Both classes offer interactive, hands-on activities that kids will definitely enjoy! Kids can take one or both courses. Take both courses at a discount!

MATH CAMP MAYHEM

August 8 - 11 (Monday - Thursday)
8 a.m. - noon
Carnahan Building, Room Multi A & B
\$104

Wow, there're so many fun things to do with math! Each day is an adventure during this camp where you'll get to do such things as Tangram Animal Shapes, Wild West Addition/Subtraction, Beach Ball Math, M & M Cookie Monster Munch, Adding up for Edible Insects and Berry Pudding Pops!
*Dress appropriately to be outdoors.

SCIENCE OLYMPIAD

August 15 - 18 (Monday - Thursday)
8 a.m. - noon
Carnahan Building, Room Multi A & B
\$104

You don't need to be an athlete but you do need a sense of adventure and a yearning for fun to be a part of the science olympics! Everyday has exciting activities involving various concepts of science. Participate in the bucket of water race, create and launch water rockets, balance toys, drop an egg from various heights and much more! Each day there will be winners in the "contest of the day." *Dress appropriately to be outdoors.
