2. MEMBERSHIP CATEGORY

Please see below an extract of NEMO's statutes relevant to membership. You can consult the full statutes on our website.

- § 2. Members of NEMO are national museums associations. If a country does not have an association to represent the museums, NEMO accepts as members other bodies being responsible for museums according to the following hierarchy:
- 1. National Museums Associations
- 2. other NGO's working for museums on a national scale
- 3. National governmental bodies being responsible for museums

Prerequisite for all organisations to become a member is their national museum coverage. Members can only come from EU Member states and Members of the European Council.

- § 3. NEMO members can only be representatives of organisations, the network does not accept individual members. As representatives they give their mandate to the executive board to speak for them and for the museums of their country.
- § 4. Only one organisation per country can be a member. In the case of there being two potential members in one country, the relevant associations must decide who is to be the member.
- § 6. Associated members can be anybody representing an organisation concerned/representing with museums. Associated members do not have a voting voice. There is no limit to the number of associated members in any one country.

3. MEMBERSHIP FEE

The annual basic fee for associated members and members is 150 Euros. The fee includes the yearly membership fee for the organisation and the participation of one representative at the annual meeting. Additional persons from the member organisation pay a conference fee of 100 Euro.

Organisations with a wider bigger financial capacity will be asked to pay more according to their annual turnover:

Annual turnover	Annual Fees
Up to 200.000 Euros	150 Euro
from 200.000 to 500.000 Euros	250 Euro
over 500.000 Euros	500 Euro

The Annual Meeting fee for persons not representing a member/associate member will be set each year by the Executive.
