

Personal Statement

- Instructions:**
- Limit your response to 150 words per question.
 - All responses must be typed on this form.
 - Attention will be paid to spelling, syntax, and grammar.

Describe your experience in providing care for underserved and/or multicultural patients, groups, or communities and how you feel you have helped reduce healthcare disparities and/or improved the health of your community. (Limit 150 words)

Goal Statement (limit 150 words): describe your vision for your future practice. How will this practice contribute to the community/communities you plan to serve? Give examples of what services you plan to achieve. Please be specific.

Name: _____
