CREATIVE GRIDS USA, LLC MINIMUM ADVERTISED PRICE POLICY (MAP) Effective January 1, 2011. (Updated and Revised December 1, 2013.)

Creative Grids USA, LLC, ("CG USA") has unilaterally adopted this Minimum Advertised Price Policy ("MAP Policy") on all products, which shall apply to retailers, including catalogs and internet retailers, (collectively, "Resellers") who resell CG products to end users located in the U.S. and Canada.

CG USA is adopting this MAP Policy to preserve its strong reputation for providing customers with high value products and strong after-sales support. Creative Grids USA, LLC greatly values the efforts of all Resellers to distribute CG products.

The MAP Policy shall work under the following guidelines:

- 1. The MAP Policy shall apply to the Creative Grids products listed in the MAP LISTING at the end of this document. It shall also cover any new Creative Grids products that are introduced periodically and apply as price changes are made unpredictably periodically due to increases in manufacturing costs. Current Creative Grids Retail Prices are always available, 24/7, at www.checkerdist.com The MAP Policy for selected Creative Grids Company products shall be listed on each Creative Grids price sheet for dealers. MAP pricing is established by Creative Grids USA, LLC for it's products and may be adjusted by Creative Grids USA, LLC at its sole discretion.
- 2. The MAP Policy applies to all advertisements of Creative Grids products in any and all media, including, without limitation, flyers, posters, coupons, mailers, inserts, newspapers, magazines, catalogs, mail order catalogs, Internet or similar electronic media including websites, email newsletters, email solicitations, television, radio, and public signage. The MAP policy is not applicable to any in-store advertising that is displayed only in the store and not distributed to any customer. In-store displays, point-of-sale signs, hangtags or bar codes or similar marks on products or product packaging which merely state the price are not considered "advertising" for purposes of this MAP Policy.
- **3.** "Bundling" or including a free or discounted product (whether made by Creative Grids or another manufacturer) with a Creative Grids product covered by this MAP Policy would violate this policy and is not permitted.
- **4.** If pricing is displayed, any strike-through or other alteration of the Minimum Advertised Price is prohibited.
- **5.** The MAP Policy applies only to advertised prices and does not apply to the price at which the products are actually sold or offered for sale to an individual consumer within the Resellers retail location or over the telephone. Creative Grids Resellers remain free to sell the MAP products at any prices they elect as long as they are not advertised via the methods mentioned above in Section 2.
- **6.** The MAP Policy does not establish maximum advertised prices. All Resellers may offer CG products at any price in excess of the MAP established for such products. Internet auctions may not display or have reserved bid or other acceptable prices below the MAP price.
- 7. The MAP Policy does not in any way limit the ability of any dealer to advertise that "they have the lowest prices" or, they "will meet or beat any competitor's price," that consumers should "call for a price" or phrases of similar import as long as the price advertised or listed for the products is not less than MAP.
- **8.** From time to time, Creative Grids USA, LLC may instigate promotions for products covered by the MAP Policy because the products are being discontinued or because they are just being released. In such events, Creative Grids USA, LLC, reserves the right to modify or suspend the MAP with respect to the affected products by notifying all Resellers of such a change via email. Creative Grids further reserves the right to adjust the MAP with respect to all or certain products at its sole discretion upon 7 days advance written or email notice to Resellers provided that such changes shall apply equally to all Resellers.
- **9.** In cases of violation of the MAP Policy, Resellers will be allowed twenty-four (24) hours to bring advertising into compliance or Creative Grids USA, LLC, sole North American Distributor Checker Distributors will cease supplying products to the Reseller. In cases of intentional and/or repeated failure to abide by this policy, Creative Grids USA, LLC will terminate all orders from Checker Distributors to the

Reseller. Creative Grids USA, LLC will not provide prior notice or issue warning before taking action under this policy.

10. This MAP Policy is solely Creative Grids USA, LLC's decision and responsibility. No employee or sales representative of Checker Distributors has any authority to discuss or modify this policy and any action of any person, which claims to modify this policy or to solicit or obtain the agreement of any person to the policy, is unauthorized and invalid. This MAP Policy and any MAP Product Listing is subject to modification or discontinuance by Creative Grids USA, LLC, in its sole and absolute discretion, at any time. Any action taken by Creative Grids USA, LLC under this policy shall be without liability to Creative Grids USA, LLC. or Checker Distributors. Any questions about this policy should be in writing and directed to Rob Krieger, Managing Director, Creative Grids USA, LLC, 400 Dussel Drive Suite B, Maumee, Ohio 43537, 1.800.258.6416 fax. rkrieger@checkerdist.com who will respond only in writing.
