**Durham Arts Council Gallery Policy:** DAC is a public building. Constant and diverse traffic and activities occur in the DAC building, and it is frequently scheduled for special events, especially receptions. Although DAC does not endorse any restrictions on particular artistic content, in making programming decisions we will consider the fact that there are many users of the building. In selecting art work for the OUR HOUSE exhibit, DAC will also consider the widest representation of students and faculty and the safety of the art work while it is on display.
