## PARTICIPANT COMMITMENT

I understand the purpose of the Leadership Lewis County program, and if selected I will devote the time and resources necessary to complete the program. I know the program includes an orientation, graduation, and nine once-a-month, full-day sessions from September through May. Even though emergencies do arise, I understand that the orientation and graduation are mandatory parts of the program and full participation is expected for all sessions, projects, and special assignments.

Failure to comply with this policy may result in dismissal from the program and forfeiture of tuition. If you, and your employer, if applicable, are unable to make this commitment, it is not in your best interest to apply. Are you and your employer willing to make such a commitment?
