Charles Armstrong School
2012 Community Fundraiser

Credit Card Registration and Purchase ID#

Consolidate all your purchases and donations on one credit card charge:
- ♦ Admission Fees (if not paid in advance)
- ♦ Pot of Gold
- ♦ Raffle Tickets
- ♦ CAS Giving Tree Fund-A-Need

It's easy! Here is what you do:
1. Print out the Credit Card Registration form (below)
2. Fill in all the information from your credit card and sign as Cardholder. The "Code" is the 3 digit code on the back of the card by the signature strip, for Visa and Master cards, and the four digit code on the front, for American Express cards.
3. Bring the completed form to the Exploratorium when you check in. Hand the form and your credit card to the check-in volunteers, who will verify that the registration form matches the card, and will return your card to you.
4. You will be given a Purchase ID card with a Purchase ID# that can be used for all your purchases and donations while at the Exploratorium. Bidding on our online silent auction items is through a separate credit card registration process.

**Thank you for contributing to the success of our biggest fundraising event of the year.
We hope you have a fun evening at the Exploratorium!**

Bring this completed form to Check-in at the Exploratorium
