

MANDATORY SUBMISSION AND COPYRIGHT FORM

Title of article:				
A signature below certifies compliance with the	following state	ements:		
Copyright transfer. In consideration of the acceptance of the above work for publication, I do hereby assign and transfer to Quintessence Publishing Company all rights, title, and interest in and to the copyright in the above-titled work. This assignment applies to all translations of said article as well as to preliminary display/posting of the abstract of the accepted article in electronic form before publication. If any changes in authorship (order, deletions, or additions) occur after the manuscript is submitted, agreement by all authors for such changes must be on file with the Publisher. An author's name may be removed only at his/her written request. (Note: material prepared by employees of the US government in the course of their official duties cannot be copyrighted.)				
Author responsibilities. I attest that: 1. The manuscript is original work without fabricat 2. The manuscript is not currently under consider elsewhere unless a final decision is made that th 3. I have made a significant scientific contribution manuscript; 4. I have read the complete manuscript and take r and understand that if the manuscript, or part o 5. All clinical images included with the manuscrip altered or retouched in any way.	ation elsewher the manuscript in to the study in esponsibility for f the manuscri	re and the research is not acceptable for and I am thorough or the content and pt, is found to be fa	or Quintessence Interna ly familiar with the prin completeness of the fin aulty or fraudulent, I sha	tional; mary data outlined in the nal submitted manuscript are responsibility.
Conflict of interest disclosure. All institutional or corporate affiliations of mine and all funding sources supporting the work are acknowledged. Except as disclosed below, I certify that I have no commercial associations (e.g. consultancies, patent-licensing arrangements, equity interests) that might represent a conflict of interest in connection with the submitted manuscript.				
Experimental procedures in humans and animals. The Journal endorses the principles embodied in the Declaration of Helsinki and insists that all investigations involving human beings reported in articles in the Journal be carried out in conformity with these principles. Authors reporting on their experimental work in humans, or animals, should also cite evidence in the Materials and Methods section of the article that this work has been approved by, respectively, an institutional clinical/human experimentation panel or an institutional animal care and use panel (or equivalent). Signature of each author is required in the same order as on the manuscript title page (Fax signatures, multiple forms are acceptable).
