Parking permits cost \$5.00 each. Two permits will be available per student and will only be issued to a student with a valid driver's license. Permits must be hung from the rearview mirror and must be clearly visible.

This form was adapted from the Utah School Search Manual produced by the Attorney General's office.

Parking Instructions

2011–2012

Students – We want to make parking as easy and convenient for you as possible. To make you aware of what is expected and to avoid confusion and problems in the parking lot, please follow these instructions:

Student Parking Permits: Parking permits cost \$5.00 each. Two permits are available to every student. Hang your permit from the **rearview mirror** of the vehicle. **Every vehicle must have a permit displayed** while parked in the student parking lot. If it is not in the proper place a ticket will be issued. Because the parking lot is small, parking stalls are not guaranteed to every permit holder; however, we typically do not have a problem with insufficient parking stalls.

Student Parking Areas: Students may park in the parking lots on the north and east side of the school. Students may also park on the Driving Range parking lot during school hours. Vehicles must be removed from the driving range by 2:30 p.m. During school hours (7:00 a.m. – 2:45 p.m.) the faculty parking spots are for **faculty and staff only**.

Restricted Parking Areas: Students may NOT park in faculty spots, along the yellow curb, against any red curb, in the church parking lot, the Seminary parking lot or on the ends of rows.

Speed Limit in the Parking Lot: 10 miles per hour

Fire Lanes: Vehicles parked in the fire lanes or other essential service areas may be towed without warning.

Student Parking Ticketing Procedures: All fines are payable in the financial office. There is a \$10.00 charge for the first violation.
There is a \$20.00 charge for the second violation.
There is a \$50.00 charge for the third and all subsequent violations.

Be aware: On the fourth and all subsequent violations, your vehicle is subject to being ‘booted’. If this happens, the student will meet with an administrator, and the parent/guardian will be notified. All outstanding tickets and the \$50 “boot” fine must be paid before the ‘boot’ will be removed.

Parking privileges may be revoked.

Out-of-state vehicles must have a parking sticker or may be booted or towed after the first ticket.

For additional information see the student handbook. Thanks for your continued support.
