#### **School Tips**

#### If you are having trouble with a class.

Visit with your teacher about what you need to do to improve your grade. Take advantage of TEAL Time to get help in the classes you are not doing well in.

#### If your locker is jammed.

Let the front office know so they can refer a custodian to assist you.

#### If you are absent and need missed work.

When you are absent your parent/guardian should call the attendance secretary to excuse the absence. If you miss <u>more than three consecutive days</u> you may have your homework collected for you and available in the front office. Most missed assignments should be discussed and made up with your teacher.

#### If you need to purchase a lunch credit.

Please visit the lunchroom and pay before school begins or pay online. You can make lunch payments online at <u>www.mealpayplus.com</u>. Please note that online payments take 48 hours to post.

#### If you need to pay fines/class fee/PE uniform.

The financial office will be open before school, during lunch and after school. You may also pay your fees online at <u>www.myschoolfees.com</u>.

#### If you lost or found something.

Please visit the front office lost and found. Please remember that valuable items should not be brought to school.

#### If you have a question about your grades.

Visit with your teacher or check your grades online through Skyward. A computer is now available in the library for students to check their grades before or after school.

#### If someone is harassing or bullying you.

Talk to your teacher, counselor or administrator. Please talk to someone so we can help you.

#### If you are ill.

Make sure your parent/guardian excuses your absence and then work with your teacher to collect missed assignments. If you become ill during school let your teacher know. Check with the secretary in the front office to call home. If you are leaving school you must be checked out through the front office.

#### **Student Policies**

#### Attendance

Attendance is one of the most significant factors affecting student achievement in school. In order to assist students in their efforts to be academically successful and responsible citizens, Vista Heights expects students to be in class, prepared and on time each day. The objectives of the Vista Heights Attendance Guidelines are to:

- 1. Teach responsible behavior by encouraging students to be accountable for their attendance.
- 2. Support parent and student efforts in promotion of school attendance.
- 3. Provide a safe, effective, uninterrupted learning environment for every student.

#### Absences:

When a student is absent from school parents are requested to excuse the absence with a note or a phone call.

- Absences should be excused as soon as possible but no later than 5 days after the absence.
- Any student who misses (10) consecutive school days will be reported to state and district agencies, except for extenuating circumstances.
- It is the responsibility of the student to collect any work missed during the absence.
- If a student is absent for <u>more than 3 consecutive days</u> arrangements can be made for collection and pick up of homework.

#### Checking in late/Checking out early:

Students who arrive after school has begun need to check into the main office with a note or phone call from their parent or guardian. Students may not leave during the school day unless they are checked out through the front office by a parent/ guardian or authorized person. Any person checking out a student must present photo ID and be listed on the emergency release form before the student may be released from the school.

#### Tardies:

Students are expected to be on time to class, prepared, and ready to work when the tardy bell rings. There is a six minute passing period between classes. When the tardy bell rings all teachers will close their doors.

- Students not in the classroom before the bell rings are considered tardy and must report to C111 for a tardy note.
- Any student reporting to school late must check in at the main office if the tardy is excused with a note, parent phone call or parent may walk in with the student. Unexcused tardy students need to report to room C111.
- Excessive excused check- in's will be addressed with administration.
- Missed detentions will result in double time.
- Consequences for unexcused tardies include the following:

# of Total Tardies Per term	Consequence	Referred to
1	Student is warned, reads and signs the policy showing they understand what is expected of them.	Student Advocate
2	Student phone call to parent(s). Parent is notified that on the next tardy they will need to sign an attendance contract.	Student Advocate
3	Parent is required to sign a contract. Student serves a 30 minute lunch detention if parent does not sign and return contract within 3 days.	Student Advocate
4,5	Parent is contacted and student is assigned a 30 minute after school detention or lunch detention.	Student Advocate
6,7,8	Parent, student, administrator meeting. Student is assigned a 60 minute after school detention or two lunch detentions.	Administration

Truancy

Students are considered truant if they are absent from their assigned class without permission.

#### Assembly Behavior

Student behavior while attending assemblies should be much like behavior required while in class. Students who misbehave in an assembly will lose the privilege to attend future assemblies. Please follow these assembly rules:

- 1. Go directly to a seat. Move toward the center of the rows; do not save seats next to you.
- 2. Be courteous to those performing. Refrain from whistling, shouting, and other disruptive behavior.
- 3. Remain seated until dismissed by the person in charge.
- 4. No candy, pop, or food of any kind is allowed in the auditorium.
- 5. Please do not put feet (shoes) on the seat in front of you.
- 6. Teachers will assign seating by class to ensure orderly conduct.

#### No Backpack or Large Purses

For the following reasons, Vista Heights is a **no backpack** school:

- Safer school environment.
- It is more difficult to conceal weapons, electronic games, cell phones, headphones, and or candy/soda.
- There is less theft of other students' belongings.
- Less congestion during class changing times.
- Safer and easier access to aisles in classrooms and in the cafeteria.

Students may carry their backpack to and from school. However, during the school day, backpacks must remain in their lockers. **To facilitate carrying basic items to class we will allow one drawstring bag for each student.** The following guidelines can assist you in being successful without a backpack going to each class.

- Plan ahead for at least two periods (have your supplies/materials).
- Take the shortest route to your locker and next class without stopping for long visits with friends.
- Use your own locker.
- Keep your locker organized and clean.

#### **Bus Guidelines**

Bus drivers will instruct you concerning bus rules, but generally they are the same as those we expect while students are in the school. Students must be careful while boarding buses after school. Never approach a moving bus or run along beside the buses as they enter or leave the parking lot. Riding the school bus is a privilege; if you fail to follow the rules or expectations of the driver you may lose that privilege.

#### Closed Campus

Adult visitors to the school must first check in at the front office. Student visitors are not allowed. Students from other schools, who are loitering, will face a misdemeanor charge of trespassing. The police will be called. Once students arrive at school, they may not leave the school grounds unless properly checked out through the main office. If students do check out of school, they must check back in through the main office if they return to school. Students leaving school grounds without properly checking out will be marked as truant.

#### Computer Use/Acceptable Use Policy (ASD Policy 5225)

When using computers with internet access at Vista Heights, students must first have parents or guardians sign the Internet Use Policy Form online, giving their permission for their student to access the internet. School computers must be used responsibly by students. School computers must not be used to access or create materials that are considered inappropriate at school. This includes, but is not limited to: images and messages that are sexually explicit, violent, grotesque, or are meant to demean or harass others. Computer use is a privilege and may be taken away if students use the computers in an inappropriate fashion. Vista Heights strictly enforces the policies set forth by the Alpine School District's Acceptable Use Policy. The current policy is found at: http://alpinedistrict.org/policy/proc5225.pdf

#### Dress Code: (ASD Policy 5152)

Extremes of dress and appearance attract improper attention to the individual, which interferes with the educational process. The school will make the determination whether clothing or attire is inappropriate. Students may either be sent home to change or asked to wear a school t-shirt. This policy applies to all school related functions and activities. Violations will be referred to administration for consequences. The following guidelines will be followed at Vista Heights:

- Fads and extremes of dress that attract improper attention should be avoided.
- Hair should be clean and well groomed. Hair styles or colors distracting in appearance or needing constant attention are not acceptable. Also, odd colored or multicolored hair is not acceptable.
- All students male & female will be required to wear SHIRTS WITH SLEEVE. *Minimum cap sleeve is acceptable*.
- Tank tops, halters and bare midriffs, muscle shirts, are not acceptable. *Skirt length and shorts need to be closer to the knees than the hips.*
- Vulgar words, profane or obscene slogans (explicit or implied), or advertisements for alcohol, tobacco, and drugs on clothing will not be tolerated.

- All students are required to wear appropriate footwear to school. Footwear must not mark or damage floors.
- <u>Headwear/hats should NOT be worn in the building.</u> <u>carried, or held during school hours.</u> Any teacher or administrator may confiscate these items if the rules are not followed. (this includes bandannas)
- Students cannot display any body piercing in an area other than the ear.
- Exposed underwear is not allowed! No low riding, sagging or baggy clothing.

\*Interpretation of the dress standard is the right and responsibility of the school administration.

#### Drug/Alcohol/ Tobacco Policy (ASD Policy 5430)

Vista Heights Middle School is a "Drug Free Zone," this means that these rules not only apply to campus, but they are enforced up to 1000 feet off campus. Any student in violation of drug and alcohol policy shall be subject to the following actions:

Suspension from school for up to ten school days.
Referral to the local police department.

A second offense may involve a referral to an administrative hearing panel for possible expulsion.

In addition, students distributing or selling drugs or alcohol will appear at an administrative hearing panel for the first offense for possible expulsion.

A drug offense consists of the possession, use, or distribution (giving away or selling) of any controlled substance (including marijuana, cocaine, steroids, prescription drugs, or other drugs listed in the law): or any imitation controlled substance (something that looks like a controlled substance, even though it isn't): or any drug paraphernalia (things like hypodermic needles, bongs, roach clips, hash pipes, etc., which may be used to produce, package, distribute, or use drugs.)

#### **Discipline**

All students are expected to conduct themselves in a manner that will create a positive learning environment and not be offensive to any other student, teacher or visitor to the school. Students who do not conduct themselves in a manner appropriate for the school setting will be subject to school and district discipline.

#### Electronic Device Policy (ASD Policy 5250)

#### NUISANCE ITEMS

Nuisance items such as squirt guns, laser pens, rubber bands, hackey sacks etc. are not to be brought to school because they detract from our major purpose. Such items may be confiscated and may not be returned to the student (items will be returned to a parent only). IPODS, Radios, CD players, Game Boys, Video Devices and other such items should not be brought to school by students.

#### CELL PHONES

**Cell phones cannot be used, shown, or displayed during school hours (8:15-2:45).** Teachers and staff are instructed to confiscate cell phones that are used, shown, or displayed during that time. Students may use their cell phones before or after school. However, all students must use the school phone to check out of school, and to check out with the attendance office.

If any electronic device is confiscated and brought to the office, the following steps can be taken but are left to administrative discretion according to the offense and the severity of use;

1<sup>st</sup> Offense: phone is confiscated and will be returned at the end of the day.

 $2^{nd}$  Offense: phone is taken until a parent or guardian can pick it up.

3<sup>rd</sup> Offense: student subject to school discipline, phone is held until administration can meet with student and parent/guardian.

\* Additional offenses will result in administrative discipline.

#### Emergency Procedures

1. FIRE

Fire alarms will sound and students will evacuate the building according to the rehearsed evacuation plan in each classroom. Students will remain with the teacher outside until further instructions are given. If an emergency happens during the lunch time hour or at class break students would report to their previous period teacher.

#### **2. EARTHQUAKE**

A. The students will "cover and hold on" position under a desk or table if possible to enhance protection.

B. Students should move away from large windows and from under any heavy light fixtures.

C. Students will evacuate the building with the teacher when the alarm sounds. When everything is safe and the emergency is over the all clear bell will ring for students to reenter the building.

#### **3. INTRUDER**

A. Teacher will lock down their room with students inside and down against the wall out of view of the window.B. Students in the hall at the time of the intrusion need to go to the nearest room. If in the restroom, stay there.

#### First Aid/Medication

#### **Dispensing Medication**

Prescription medication must be kept in the front office and parent/guardian must provide the school with a written request and written health care provider approval. Forms may be picked up in the front office. If proper authorization has been obtained, a parent must bring medication to the school in its original prescription bottle with the original pharmacist label. It will be kept in the front office. Do not send any medication with a student in a baggy or lunch box. It is a district policy that the only medication that a student may have in their possession is for asthma or diabetes. The student must have Physician authorization on file in the front office for these medications.

#### Over the Counter Medication

Pain medication will **NOT** be provided in the office. If your student requires regular doses of pain medication please fill out a medical form signed by a doctor, and supply the office with medication.

Students who are found in possession of over the counter or prescription medications without proper authorizations may be subject to disciplinary action.

#### Grade Reports

Starting the 2012-2013 school year, all report cards will be available online via skyward. Progress reports will also be available at midterm. Parents and students are encouraged to use Skyward to monitor student progress during the year. Academic Tracking: Tracking methods to monitor progress may include talking with a teacher, TEAL progress reports, and Skyward.

#### Guidance Center

Guidance and counseling services are available for all students. If a parent or student would like to visit with a counselor please make an appointment with the counseling secretary. Schedule Changes: Schedule changes are strongly discouraged. In the event a schedule change is needed, a completed schedule change form and \$5 fee is required before the change can be made with your counselor.

#### <u>Language</u>

Appropriate language should be used with friends and teachers anywhere on school grounds. Language which includes swearing, obscene jokes or gestures and dirty words, will not be tolerated whether it is in the classroom, halls or playing fields.

#### Lockers

A locker with a combination lock is assigned to students at the beginning of the year. Students will share their locker with another student. Locker combinations are changed each year and the combination is issued only to those students who are responsible for that locker. The school is not responsible for lost or stolen items; please leave valuable items at home! Lockers should be clean and cannot have any material on the outside. Legal opinions have ruled that school lockers will remain the property of the school. Authorized personnel have a responsibility and right to examine the contents of lockers for reason of health, safety, and security.

It is imperative that you keep your combination confidential. The following guidelines will help avoid problems with your locker:

- Do not give your combination to any other person even your best friend.
- Do not leave your combination set on the last number.
- Use only your assigned locker. Do not change lockers without permission from the office.

Failure to follow these guidelines may result in a fine or loss of locker privilege.

#### Lunchroom Behavior

Lunch may be purchased on a daily or monthly basis. Payments for lunch may be made prior to school in the cafeteria or online at <u>www.mealpayplus.com</u>. Payments made online take 48 hours to post. Students must use proper lunchroom manners:

3. During class time, class groups must be accompanied by their teacher.

4. An authorized media center pass is required of all students who use the library during instructional time.

5. Students should check in at the desk as they enter so the staff is aware of who is in the center and what they will be doing so the staff is better able to assist.

6. Students may only check out one book at a time. Most books are checked out for two weeks and may be renewed for three additional two week periods.

7. There will be a charge of \$.10 per day for overdue items. Late reference items will be charged \$.25 per day.
