Walk or wheel: Join walkers and wheelchair users. The pledges you raise will help us improve lives!

Form a team: A team can be 2 or more people. Recruit everyone you know, come up with a fun name, and motivate each other!

Show your Spirit: If you don't want to walk or wheel, contact us about volunteering or just come and cheer us on. Everyone is welcome!

Raise Funds: We hope that you join us. However, if you are unable to attend, you can still help by making a gift or raising pledges.

It's More Than A Fundraiser . . .

Unbreakable Spirit Walk for OI is one of our signature fundraising and awareness events taking place in cities all over the United States.

Powered by volunteers and families with loved ones with OI, *Unbreakable Spirit* walks generate funds to improve the quality of life for individuals affected by OI.

Osteogenesis Imperfecta...

Osteogenesis imperfecta (OI) is a genetic bone disorder characterized by fragile bones that break easily. It is also known as "brittle bone disease". Rolling over in bed or sneezing can cause a fracture. In addition to frequent fractures, other symptoms can include loss of hearing, brittle teeth, or respiratory difficulties. There is no cure for OI yet, which affects an estimated 25,000 - 50,000 people in the United States.

The OI Foundation.....

The Osteogenesis Imperfecta (OI) Foundation began in 1970. The Foundation's mission is to improve the quality of life for people affected by OI through research to find treatments and a cure, education, awareness, and mutual support. The OI Foundation holds a Biennial National Conference for families impacted by OI; produces informational fact sheets, books, and other resources, and funds approximately \$1 million in research each year.
