REGISTRAR OF VOTERS
COUNTY OF RIVERSIDE

Dear Riverside County Voter:

Your Consolidated Uniform District Election Law (UDEL) Election ballot may contain contests for school districts, community college districts, special districts, city offices and/or measures. Information in this Sample Ballot and Voter Information Pamphlet will assist you in making informed choices when marking your ballot. You may mark your selections on your sample ballot and take it with you to the polls for reference to easily and quickly complete your official ballot. Whether you go to the polls or use a vote-by-mail ballot, the paper ballot is the same. Additionally, one electronic accessible voting unit will be available at each polling location for any voter's use.

The additional information below is to ensure your ballot is counted promptly and accurately.

Polling Place

Your polling place is listed on the back cover of this pamphlet. Polling places will be open from 7 a.m. to 8 p.m. on Election Day, November 3rd.

Marking Your Ballot

Voter selections are indicated by connecting the arrow to the right of the candidate's name for whom you wish to vote or connecting the arrow to the right of YES or NO for a measure. Illustrated marking instructions are contained in this pamphlet and a demonstration is available on our website at www.voteinfo.net.

Can't make it to the polls?

United States® Census 2010

In 2010, the U.S. Census Bureau will issue the call for every resident of our nation to “Be Counted.”

Here are some reasons why the 2010 Census is important to you!

- Over \$300 billion are distributed to states, counties and cities based on the results of the census. That equals about \$1,000 per person per year until the next Census in 2020.
- Census data affects your voice in Congress by determining how many seats each state will have in the U.S. House of Representatives.
- Census data is used to determine how many California Assembly and Senate seats will be in Riverside County.
- Census data is used to draw the district boundaries for the County Board of Supervisors, some City Council districts, Board of Education Districts, and other special districts.

Do your part to ensure Riverside County is accurately counted.
