PRINCESS GRACE FOUNDATION-USA

During Her lifetime, Princess Grace of Monaco was deeply committed to helping emerging artists realize their career goals. The Princess Grace Foundation-USA continues this mission in Her honor.

National in scope, the Princess Grace Foundation-USA is dedicated to identifying and assisting emerging talent in theater, dance, and film by awarding grants in the form of scholarships, apprenticeships, and fellowships. The Foundation's Trustees share Princess Grace's dedication to supporting the arts and they believe, as She did, that cultivation and training of emerging talent is essential to ensure sustained excellence in the arts.

Each year, the Foundation announces a select group of Princess Grace Awards for distinction in the areas of theater, dance, and film. Students are eligible for scholarships; emerging artists working in companies qualify for apprenticeships and fellowships. A playwriting fellowship is available for individual artists through a residency at New Dramatists in New York City.

Incorporated in 1982, the Princess Grace Foundation-USA is a tax-exempt, non-profit, publicly supported organization.
