## OPTION 1. Register a code printed on an access card purchased at your bookstore, either as a standalone product or as part of a package.

1. Go to [http:// bedfordstmartins.com/ reflectrelate](http://bedfordstmartins.com/reflectrelate).
2. In the “Unlock Premium Resources” box, click on “Do you have an access card?”
3. Enter your activation code and click “Go.”
4. Enter your e-mail address and password—if you haven’t registered with our site before, you will be asked to register.
5. Complete the registration form. Enter your first name, last name, and your e-mail address. Your e-mail address will serve as your username for the e-book.
6. Your e-mail address and password now provide you with access. When you visit this site in the future, you will not need to enter your activation code again.

\* **Note:** If access to the e-book was bundled with a printed textbook, you should find your Activation Code printed on a sealed card accompanying your printed book. Each Activation Code can be used only once, and subscriptions are not transferable.

## OPTION 2. Purchase access directly from Bedford/ St. Martin's.

1. Go to [http:// bedfordstmartins.com/ reflectrelate](http://bedfordstmartins.com/reflectrelate).
2. In the “Unlock Premium Resources” box, click on “Purchase access online.”
3. Click “Add to Cart” underneath the e-book, and then click the “Check Out Now” button in the “Your cart” area.
4. Enter your e-mail address and password—if you haven’t registered with our site before, you will be asked to register.
5. Complete the registration form. Enter your first name, last name, and your e-mail address. Your e-mail address will serve as your username for the e-book.
6. Create a password for yourself that you can easily remember for use throughout the term.
7. Select your institution type, and enter your zip code.
8. Enter your payment information including name as it appears on the credit card, card number, expiration date, and billing address. You will also receive an e-mail confirming your purchase and new account.

\* **Note:** Your instructor may have created a customized version of the e-book. To access this custom version, your instructor will (likely) already have given you a special custom “version number” that you’ll need to enter during the registration/purchase process to access the custom e-book. If you are unsure, ask your instructor.

To log in to the e-book, go to [http:// bedfordstmartins.com/ reflectrelate](http://bedfordstmartins.com/reflectrelate).
