**OPERATIONS MANAGER
REBA COOPER**

Having had an interest in the Ronald McDonald House Charities for a number of years, I was excited when I was offered the position of Operations Manager for the San Antonio Lewis Street House. I had worked for Baylor University for 28 years and fully expected to retire there; however, when I was interviewed and toured the three beautiful facilities in San Antonio my plans (and my life) changed. Here was an opportunity to serve in a place that is designed to house and help families as they struggle with all the problems that come with the serious illness of their children.

My first five months here have been a real learning and rewarding experience. I discovered that our staff members wear many hats and perform varied duties willingly and joyfully to keep "our house" a serene, cheerful and comfortable "home away from home". We may be plumbers, repairmen, housekeepers or data processors one hour and in the next hour we may have our arms wrapped around a distraught mother whose child is very ill. Who could ask for a more rewarding profession? Quickly we learn to love each family that arrives at our house, and any chore in which we find ourselves involved is no chore at all, but a labor of love.

My heartfelt gratitude goes to those responsible for allowing me, this wonderful experience.

VAN DONATION

KEEPING CURRENT

BY PAT BIVIN, EXECUTIVE DIRECTOR

Executive Director, Pat Bivin & Ronald McDonald

Wow! We have sure had a busy year so far, not to mention a busy end to 2006. Last December we celebrated the holidays at our three homes with the best and only real "Santa". His warm red suit and jolly disposition filled the hearts of our families, staff and guests and a wonderful holiday dinner was prepared by the local McDonald owners. Our stomachs have also been filled all year with delicious dinners provided by the Friends of the Ronald McDonald House, Junior League and countless others whose support and dedication to our homes always shines through. We would also like to thank the Friends for making our homes look festive with their creative holiday decorating and for keeping our home filled with homemade cookies from the cookie patrol.

Due to the generosity of the Kolitz family, we are very excited to have acquired the lot next door to our Lewis Street Ronald McDonald House. Thanks to them and numerous others, we have a fun new family play yard with a playhouse, two playscapes, beautiful landscaping and new lighting. We welcomed our new addition with a ribbon cutting ceremony and mini carnival on Saturday, March 31, 2007. The festivities included a stuff-a-bear machine, ring toss, fortuneteller, gold fish, moon walk and cookie walk, as well as hot dogs and hamburgers fresh from the grill! We also had a special visit from Ronald McDonald himself who always puts a smile on the faces of our families. A big thank you also to the Fire Fighters from Station #4 who took time out of their very busy schedules to bring a real fire engine for the children to play on and explore.

All and all it has been a wonderful and exciting time for us and we look forward to more wonderful things to come!

SHARE YOUR HEART 2007

By Joyce Terk, VP Share Your Heart,
Friends of Ronald McDonald House

The Friends of Ronald McDonald House sponsored the annual Share Your Heart campaign during the month of February. Forty - two school across the San Antonio area sold paper hearts for twenty-five cents. Together administrators, teachers, parents, and students helped raise over \$12,000.00 for the houses. That's a lot of quarters! Rayburn Elementary was awarded a plaque for the most contributed in proportion to number of enrolled students with Bellaire Elementary a close second. A big thank you goes out to all committee members and especially to all the schools for sharing their hearts.

Let's Play - In Our New Playground

For more than twenty years our dream was to obtain the property adjacent to our Lewis Street Ronald McDonald House. Our dream came true when Sandi & Bob Koltiz purchased the land and donated it to our home. There are not words enough to express our sincere appreciation for their generosity and support.

Ground was broken on November 21, 2006. There was much work to be done. Leticia Zavala, a landscape architect, was contracted to draw up plans for the playground. With a playhouse as the focal point and playscapes at each side of the playground, the area took shape. Lighting, shrubs, flowers and "Ronald McDonald" benches donated by local McDonald owner/operators truly turned an area that was once a neighborhood eyesore into a fun and inviting show place. The finishing touch was a great entrance arch which reads "Kolitz Playground".

The weather cleared and the sun shone for our ribbon cutting on March 31, 2007. Ronald McDonald himself helped welcome our guests into the new playground. Volunteers from Southwest Airlines, St. Mary's Tri-Beta, Health Careers High School Interact, Martin Marietta, the San Antonio Fire Department, the Ronald McDonald House Board of Directors and Staff all worked to make the day special - and it was!

Many thanks to all of our friends who helped our dreams come true.
