 Visitation #2 – May 10th or 11th

1. What government meeting do you plan on visiting? (The only school based government you can count is a School Board Meeting).

2. How will a visitation to this government meeting help you understand local government?

3. Who will you need to contact to plan and complete your project? Provide the names of people and organizations that you will contact.

4. Consider how your personal time schedule will fit into this project. Explain any concerns you may have about school, work, sports, or project schedules interfering with this requirement.

5. What is your schedule for completion?

AGREEMENT: Upon teacher approval of this proposal, I will work diligently throughout the semester to successfully complete this project. I understand that it is my responsibility to seek advice from and update my teacher regularly. I will complete all portions of the project which will be negotiated during future conferences and act professionally while working on this project.
