

Hamilton Annual Fund Family Sponsorship

Hamilton has become an award winning Math, Science and Technology Academy with one of the highest test scores in the district. Limited state funding is threatening our ability to maintain the progress we have made! We need your help to bring our school, our kids to the next level.

You can help make a difference in your child's education!

We have three levels of family sponsorship that will go directly to Hamilton. There are added incentives in the packages that are designed to benefit you! Please consider donating to Hamilton's Annual Fund. This money directly supports and enhances as well as supplements the programs, initiatives, and priorities of our school.
