

WELCOME VENDORS GET HOOKED ON SAFETY—2007

We look forward to seeing you at our annual event and are confident you will find your day at Woodland a wise investment. We hope you will be able to sponsor a booth, but if you are unable to attend, we encourage you to become a "Blue Whale", "White Shark", or "Goldfish" level sponsor. All sponsors will be recognized at the event of their choice. There are also sponsorships available for bags, lanyards, printing and other promotional items. Please contact Stacey Ray at Stacey.ray@veoliawaterna.com (209-858-1645) for additional information regarding this level of sponsorship. If you would like to be an event sponsor in addition to sponsoring a booth, we can accommodate that as well.
