

PARENT ORGANIZATIONS AND SCHOOL AFFILIATED ORGANIZATIONS

Procedures for Formal Recognition as a School Affiliated Organization:

A. Required Filings

Every group seeking to receive formal recognition as a school affiliated organization must complete the annual filing documents, including attachments, which are part of this regulation. Documents will be provided electronically and in writing to the School Board between July 1 and September 30 for the school year started in September. The School Board will take action on the request during a public meeting.

B. Guidance on Description of Programs and Activities to be provided.

In general, the School Board contemplates that the majority of programs sponsored by organizations will directly benefit more than a few students, will occur during regular school hours or as part of curricular, co-curricular or extracurricular activities, and will not charge students to attend. Programs provided during regular school hours by school affiliated organizations are considered school sponsored and school employees will provide supervision for students during such programs.

Coverage of an event under the School's Commercial General Liability Insurance program depends upon the event being disclosed to the School Board and within the scope of activities acknowledged by the School Board as covered. If events or programs occur outside regular school hours but on school property or at a school sponsored event, these events or programs must be disclosed to and reviewed by the Superintendent, who may seek review by the School Board if appropriate. In addition, the school affiliated organization will be responsible for providing suitable supervision for events outside regular school hours but on school property.

Any organization may provide additional disclosure of programs or activities during the school year as the need for such programs arise.

Adopted: 8/15/05

Regulation: 5.14

School Affiliated Organization: Annual Filing

File between July 1 and September 30 for the school year starting in September

To be filed with: **Office of the Superintendent**
 Falls Church City Public Schools
 803 W. Broad Street, Suite 300
 Falls Church, VA 22046

Date of filing: _____

School year: _____

Name and address of organization: _____

Attach the following:

- Attachment A: A list of officers with contact information
- Attachment B: Planned fundraising activities for the covered year. Please include the following information about each fundraising activity: brief description; timing; location; whether school staff or students would be involved and the nature of their involvement; and whether the funds raised are targeted for a particular initiative.
- Attachment C: Programs and activities to be supported by the organization's budget in the covered year. Please include the following information about each program and activity: brief description; timing; location; and whether school staff or students would be involved and the nature of their involvement.
- Attachment D: A form showing current tax status and insurance of the organization.

Adopted: 8/15/05

Falls Church City Public Schools

COMMUNITY RELATIONS SECTION

Regulation: 5.14

- Attachment E (first filing and subsequent filings if changes were made in the previous year): Charter and By-laws of the organization.

The signers below attest to the following on behalf of the organization:

- All fundraising activities by students will be governed by the same restrictions as apply to student fundraising and events (Policy 9.53).
- The organization is solely responsible for adopting and using appropriate financial management and money handling procedures.
- The organization is responsible for any necessary tax reporting, taxes, and audits.
- The organization is solely responsible for its own expenses.
- All activities of the organization will be conducted in compliance with Falls Church School Board policies and procedures, with individual school procedures, and with Community Education procedures when required.
- The organization will comply with volunteer screening procedures and submit names and addresses of all volunteers who have direct contact with or access to students so they can be screened.
- The organization acknowledges that activities or programs which occur off school property, all organizational operations including but not limited to financial transactions and any events not disclosed as part of this filing are not covered or insured by the Falls Church Public Schools Commercial General Liability Insurance program, and that the organization agrees to assume full liability for those activities.
- The organization agrees to update the information contained in the appendices, as needed, throughout the year, and acknowledges that any material misstatement or omission may result in withdrawal of school-affiliated status.

Is this organization a local chapter or affiliate of a statewide or national parent-teacher or parent-teacher-student organization? Yes _____ No ☐

If yes, the signers attest to the following additional requirements on behalf of the organization:

Adopted: 8/15/05

Fundraising Activities

The Falls Church City Band Booster solicits members from within the Falls Church Public School community. Donations were solicited via the attached form which was included in the back-to-school packets or Friday folders for students in grades 4 through 12. The form is attached and can easily be found electronically on the Band Booster website. Donations are our primary source of fundraising.

The Band Boosters has four major fundraisers planned for the 2006-2007 school year:

- For the fourth year, we are selling **Poinsettia and Winter Greenery** through two different vendors. The attached order form went home with students at Mt. Daniel Elementary, Thomas Jefferson Elementary, Mary Ellen Henderson Middle, and George Mason High early in the school year. An order form will also be sent to Booster parents electronically. We hope to receive coverage in the Falls Church News Press. With permission of the Athletic Boosters and School Administration, there will be a table set up at the homecoming game. This has been set up in previous years. Orders must be submitted by October 30th. Delivery will be between November 30th and December 6th. As in previous years the Pick-up location will probably be GMHS. Students and their families sell to their friends and extended family. All sales proceeds will be credited to the individual high student's accounts to offset their spring trip cost. Middle School sales will be summed together to reduce the cost of the 7th grade trip to Hershey Park. Parent volunteers and Booster Board members will organize and man the delivery point to distribute the products on the delivery date. The order form can be found electronically.
- Back by popular demand, the Boosters are offering **M*U*S*I*C Days** to the community. It stands for our Many Useful Students In (our) Community. Band and Choral students are saving two weeks in November to work in the community for donations to defray the cost of their trip. Community participants will sign up in advance to have a minimum of two students come to your home or place of business to perform music (instrumental or vocal), baby-sit, perform yard work including racking, weeding, etc., do odd jobs within reason. Last year two weekends were offered to the community with no dollar amount set for work performed; however, we encourage fair pay for good labor. Interested individuals will contact our event chair (to be decided) describing the job to be performed, the number of students required, and the location and time. Interested high school aged students will then volunteer to complete the task. The money collected will put into their individual trip accounts no profit will go to the band boosters.
- Through a contact with the BIE, we will be offering one or two **Pancake Mornings at Applebys**. The dates are not currently set, but October 14th is being discussed as the fall date and one other in the winter. Students and their families will sell \$5 tickets which will purchase two pancakes, two sausages, and juice. Students will volunteer to assist the wait staff on the mornings of the breakfast serving pancakes and bussing the dining areas. Again the Booster volunteer would like to the opportunity to sell the tickets at the football games or other community events.
- Also being discussed again in conjunction through a BIE connection is providing a Koons Ford Car Wash or one at GMHS. As details are worked out the Band Boosters will alert the School Board and the Superintendent. Preliminary plans would have students participating from 9 a.m. to 1 p.m. at either venue to defray their costs for the upcoming high school band trip in March. The proceeds will be credited equally among participating students

Support the Band Program

What is the Band Boosters Organization?

The Falls Church City Public Schools are among the best in the region, the state, and the nation.

One reason: the topnotch band program

Straight **Superior** ratings for our three competitive bands in grades 7-12 in the Virginia Band and Orchestra District X Festival

Awarded the Virginia Music Education Association's *Blue Ribbon for Excellence* for outstanding achievement, 2001-2006

400 band students participate from the beginners in 4th grade through 12th grade including IB music students.

Learning through music is proven to be directly linked to increased academic performance. Colleges, teachers and parents realize good musicians have discipline, are hard working and engage in complex problem-solving skills. These same skills are needed to make good students.

Students enrolled in music courses score higher on verbal and math SAT scores.

It is an association of parents, faculty, and members of the community dedicated to supporting music education at Thomas Jefferson Elementary, George Mason Middle and High Schools.

What has Band Boosters done with membership money?

- Helped **purchase** thousands of dollars worth of **instruments and equipment**.
- Have organized a **nonprofit lessons program** for our band students with instruction from performing musicians.
- Provides **scholarships** for lessons and band leadership camp opportunities.
- Provides chaperones for performances and competitions.
- Hire **professional clinicians** to work with the bands to improve performances for competitions.
- Coordinates **December Poinsettia and Wreath Fundraiser** to assist students in raising funds for trips

Attachment C

Programs and Activities

The Falls Church City Band Boosters provide support to bands at Thomas Jefferson Elementary School, Mary Ellen Henderson Middle School, and George Mason High School. Our funds (from membership donations and grants) are used to purchase and repair instruments and band uniforms, hire clinicians to provide supplemental instruction on specific instruments, buy sheet music and related items, help finance band trips, offer scholarships for instrumental lessons for students, pay fees (or partial fees) for students to enter festivals and competitions and send band directors to conferences.

The Band Boosters offers a not-for-profit private lessons program for students. These lessons are provided at both George Mason High School and Mary Ellen Henderson Middle School by some of the finest professional musicians, many from the Washington area military bands. The lessons are scheduled after school in the two band rooms. The lesson fee is \$20.00 per half-hour; there is an annual registration fee of \$10.00 per family. Longer lessons are available to more experienced students at \$10.00 per additional fifteen minutes. Payment is due in advance at the beginning of the month's lessons, usually scheduled as a block of four lessons. Lessons are scheduled Monday-Friday, beginning at 3:00 p.m. and ending at 9:00 p.m. Actual times are coordinated between the student and the teacher, according to availability of each. No profit is incurred for these lessons. A modest administrative fee (\$10.00 per family) plus \$1 per half hour of the lesson fees are included in the overall charge. These fees are used to defray any administrative costs including bill preparation, postage, etc. No administrator is paid to oversee the lessons program. If additional monies are available after administrative costs are covered, those are distributed by the Band Boosters for lessons scholarships or other enhancements for learning such as clinician fees. Last year, two year-long scholarships were administered and four four-lesson scholarships were awarded. These were awarded at the band teacher's recommendation based on perceived need and to those students switching from one instrument to another, i.e. clarinet to bass clarinet.

Each of these activities is ongoing, as needed and as funds permit. We attempt to spread the resources over all schools, but this year, we will fund necessary instrument repairs at MEHMS and continue to solicit or purchase used equipment for teacher demonstration purposes at TJ. In addition, the Band Booster volunteers have worked with the high school band instructor to implement a new system to ensure better care of the performance gowns and tuxes. The Boosters have agreed to either purchase new or repair the existing gowns and tuxes to bring them to a good inventory standard. Much like text books, the students will be assigned a garment for use during the year. At the end of the year the garment will be inspected for necessary repair and students may be assessed for damages. The Band Boosters consults the band directors and spends money based on their recommendations.

**Falls Church City Schools Band Boosters Lessons Program
Student Agreement**

1. Lesson fees for the 2005-2006 school year have been set at \$20.00 per 30-minute lesson. A 45-minute lesson is \$30.00, and a 60-minute lesson is \$40.00. Lessons longer than 30 minutes are at the discretion of the instructor. A \$10.00 per family registration fee is required with the first payment.
2. Payment is due by the first of each month for that month's lessons. Checks should be made payable to: **Band Boosters Lessons Program** and should be mailed to **Larry Allen, 412 Jackson Street, Falls Church, VA 22046**. Full payment for the month will be expected before any lessons take place, unless other arrangements have been made.
3. Students are required to give the instructor a full 24-hour notice for cancellation of a scheduled lesson. Payment for un-excused absences will be due in full. Lessons missed because of snow days, school closings, or legitimate emergencies may be made up without penalty, at the discretion of the instructor.
4. The lessons may take place between the hours of 3:00 pm and 8:30 pm, Monday through Friday, when school is in session. All lessons must be completed by 9:00 pm. Students should plan to arrive at least 5 minutes before lesson time. Scheduling is the responsibility of the instructors, to be coordinated with the student.
5. Parents or other designated individuals listed below must accompany all middle and elementary school students to and from their lessons. School-use policies require on-site parental supervision of the lessons. No one is allowed to wander through the school hallways or classrooms.
6. Students are expected to complete assignments given to them by their instructors and to follow practice schedule outlined to them by their instructors.
7. School property must be respected. Students will conduct themselves in the same manner that is expected of them during school hours.
8. Students and parents agree not to hold Falls Church City Schools, Thomas Jefferson Elementary School, Mary Ellen Henderson Middle School, and George Mason High School or its agents, the Falls Church City Band Boosters or its agents, or any other member of the George Mason High School community liable for anything that is not expressly stated in this agreement.
9. If any difficulties arise concerning the operation of this program, please notify the chairman, Larry Allen at (703) 237-9745, of Band Boosters President, Kathleen McCleery at (703) 536-4037.

I have read the above Student Agreement and agree to abide by these rules. I understand that violation of these rules may result in my losing the privilege of participation in the program.

Falls Church City Schools Band Boosters Lessons Program

Private Instrument Lessons by Professional Musicians for Falls Church City Students of All Ages Available at George Mason High School

(These lessons are optional and are not required for band participation
nor are they limited to band students)

The Falls Church City Band Boosters are very pleased to continue to offer private instrument lessons for our students. We provide private lessons at George Mason for a reduced rate, from some of the area's finest professional musicians, many from the Washington area military bands. The lessons are scheduled after school in the George Mason High School Band room. We anticipate that instruction on most band instruments will be available, as well as vocal instruction. This program has been well received and the students who have participated in previous years have made great progress on their instruments. Please take this opportunity to enroll your student in this successful non-profit program.

The lesson fee is \$20.00 per half-hour, and an annual registration fee of \$10.00 per family is due with the first month's payment. A thirty-minute lesson once per week is suitable for elementary and middle school students. Longer lessons are available to more experienced students at 10.00 increments per additional fifteen minutes. Payment is due in advance of the month's lessons, usually scheduled as four lessons. Please enclose your first month's payment, including the registration fee, with your enrollment. Lessons are scheduled Monday-Friday, beginning at 3:00 p.m. and ending at 9:00 p.m. Actual times are to be coordinated between the student and the teacher, according to availability of each.

The benefits of private music lessons are numerous. One-on-one instruction from a professional musician will enhance musical performance for the student already playing an instrument and can serve as an ideal introduction to music for the beginning student. Research has shown that musical training also improves spatial learning skills and can dramatically improve test scores on college entrance exams.

To enroll, fill out the form below and return it to **Mr. Larry Allen**, the coordinator, by US Mail to **412 Jackson Street, Falls Church, VA 22046**, or by student courier to the GM Band Room or school mail box at Thomas Jefferson Elementary or Mary Ellen Henderson Middle School. **Please enclose a check for \$90.00 (4 lessons @ \$20.00 + Family Registration Fee of \$10.00) made payable to Band Boosters Lessons Program to cover the first month of lessons.** Please note that this is a service provided by the Boosters, not a fundraising effort.

For more information, please telephone Mr. Allen at (703) 248-5500 x.3019 or (703) 237-9745.
