## **AUTHORISED RELEASE CERTIFICATE - CAD FORM ONE**

### **USER/INSTALLER RESPONSIBILITIES**

#### **NOTE:**

- 1 It is important to understand that the existence of the Document alone does not automatically constitute authority to install the item(s).
- 2 Where the user/installer works in accordance with the national regulations of an Airworthiness Authority different from the Airworthiness Authority specified in Block 1 it is essential that the user/installer ensures that his/her Airworthiness Authority accepts item(s) from the Airworthiness Authority specified in Block 1.
- 3 Statements in Blocks 13a and 14a do not constitute installation certification. In all cases the aircraft maintenance record must contain an installation certification issued in accordance with the national regulations by the user/installer before the aircraft may be flown.
