County Fire Contract

Dear Members of the Board:

During the 1998/99 budget hearings, your Board adopted budgets for the Pajaro Dunes CSA 4 (Index 304300) and County Fire CSA 48 (Index 304100) which include contracts with the California Department of Forestry and Fire Protection (CDF). The original contract amount must be modified for the Pajaro Dunes CSA 4 to reflect a reimbursement for an overpayment in 1997/98 to the State of California, as well as an adjustment for a state personnel rate change.

Original Budget Amounts:

Pajaro Dunes CSA 4 (Index 304300)	\$401,598
County Fire CSA 48 (Index 304100)	\$1,363,530
Original Total	\$1,765,128

Revised Budget Amounts:

Pajaro Dunes CSA 4 (Index 304300)	\$412,016
County Fire CSA 48 (Index 304100)	\$1,363,530
Revised Total	\$1,775,546

In November, 1998 state personnel rates changed that impacted fire contracts for fiscal year 1998/99, with a negotiated increase in salaries for longevity and educational incentives. The County Fire CSA 48 budget includes a majority of limited term

employees that are not eligible for the changed rate; consequently, no additional funding is needed for this index. The Pajaro Dunes CSA budget includes full time, year round long term employees, requiring an additional \$10,418 in the contract, for a revised total of \$412,016. The additional funds are available as unanticipated revenue from an overpayment reimbursement from the 1997/98 contract. A resolution accepting and appropriating the unanticipated revenue into the fire contract is attached for your Board's approval.

Contract Language

As in past years, language in the contract requires that one year prior to the date of expiration of the contract, the County must give CDF written notice of whether the County intends to enter into a new agreement with CDF for fire protection services and, if so, whether the County intends to change the level of fire protection services from that provided under the current agreement. Therefore, it will be necessary to determine by June 30, 1999, whether or not the County will continue contracting with CDF for fire protection services and, if so, at what level during fiscal year 2000/2001.

If notification is not sent to CDF one year prior to expiration of the agreement, CDF has the option to extend the agreement for a period of up to one year from the original termination date and to continue providing services at the same or reduced levels as CDF determines appropriate during the extended period of the agreement.

Contract Attachment

The customary CDF contract agreements are augmented locally by a negotiated attachment outlining specific performance objectives for the contract period. This attachment is the product of ongoing discussion and development by CDF, Emergency Services, the County Fire Department Advisory Commission and the County Administrative Office with the purpose of clarifying roles and expectations of all concerned, thereby improving the delivery of fire protection services. The Fire Advisory Commission has reviewed and approved the attachment offered herein at their January 1999 meeting.

It is therefore recommended that your Board:

1. Approve the agreements and contract attachment with CDF for fire protection services in Fiscal Year 1998/99 in the amount of \$1,775,546;
2. Approve the attached resolution accepting and appropriating unanticipated revenue in the amount of \$10,418 for the Pajaro Dunes CSA 4 contract;

3. Authorize the Chairperson of the Board to execute the contract agreements on behalf of the County; and

4. Direct the County Administrative Office and General Services Department to return at the 1999/00 budget hearings with a recommendation on the appropriate fire protection provider for fiscal year 2000/01.

Very truly yours,

Roy K. Holmberg
Director

1. AUTHORIZATION

This agreement is entered into this 1st day of July, 1998, by and between the State of California, hereinafter called STATE, and Santa Cruz County, hereafter called LOCAL AGENCY through its duly authorized officers. As used herein, Director shall mean Director of the California Department of Forestry and Fire Protection.
