

Version 18.0, June 23, 2008

Project Statement

Joint iNEMI Board Assembly & Substrates TIG

Evaluation of Pb-Free Component & Board Finish Reliability

The _____ (“Participating Member” or non-member contributor)
(Company name)

agrees to participate in the iNEMI project entitled **Evaluation of Pb-Free Component & Board Finish Reliability** pursuant to and as defined in the iNEMI Project Participation Agreement¹ and the iNEMI Intellectual Property Policy, and carry out the tasks as assigned and agreed to in the Statement of Work² for this project. Pursuant to the iNEMI Intellectual Property Policy, the participating member or non-member contributor

does _____ does not _____ (check one)

have any intellectual property or background technology to disclose in conjunction with this project³ & ⁴.

The Evaluation of Pb-Free Component & Board Finishes Reliability Project requires each participating company to commit to the following:

- Participating member companies should expect to contribute a minimum of 1 man month of time to the project.
- The estimated cost of acquiring the test boards for this project is ~\$35,000. These costs will be distributed among member participants as outlined in the Evaluation of Pb-Free Component & Board Finish Reliability Statement of Work (SOW). There may be

¹ A majority of the Pb-Free Component & Board Finish Reliability Project member participants must be in favor of admitting new companies after the initial enrollment period is over.

² iNEMI Evaluation of Pb-Free Component & Board Finish Reliability Project Statement of Work (SOW), Version 18.0.

³ As provided for in the iNEMI Intellectual Property Policy, if background technology or intellectual property is claimed, a Declaration of same must be provided, in writing, to the iNEMI Secretariat within 45 days of signing this agreement.

⁴ Intellectual property or background technology disclosed in a declaration can only be used for the purpose of research in connection with this project, and not for commercial purposes by the project participants.

additional ancillary costs; however, the maximum amount per Member Company is capped at US\$6000.

- The iNEMI Evaluation of Pb-Free Component & Board Finish Reliability Project requires iNEMI membership.
- All project participants will adhere to the terms of the iNEMI Intellectual Property Policy for declaring, identifying, and disclosing background (confidential) technical information and background intellectual property.
- The data, information, and conclusions developed during this project will be available only to participating members of iNEMI who have formally joined this project by signing this Project Statement. All iNEMI members will be eligible to receive a summary report once it is released at the end of the project. The summary report will not contain such data as the participants determine⁵ should only be shared within the project.
- If iNEMI or one individual would like to present data or information gained in this project to other company or companies, in technical paper(s), or in article(s), every member in this Working group should be informed and a decision to allow this should be made during a normal working group conference call with an approval of a 2/3 project member participant vote.
- Control of the data and information gathered during the execution of this project will transfer to the iNEMI Secretariat 12 months after the conclusion of the project. After that period all requests for publication or transmission of data collected must be reviewed and approved by iNEMI. If the project is extended to include additional phases, the Project Team will continue to provide approvals for communication outside the Project Team as outlined in the bullet above.

⁵ The data not included in the summary report will be determined by majority vote amongst the participants
