Dear Parents and Guardians,

All of us at Linwood Middle School are looking forward to welcoming your children to school tomorrow. As a reminder, all sixth grade students will report to the Cafeteria (please remind your children), all seventh grade students will report to Gym 1 and all eighth grade students will report to Gym 2.

For those families that did not receive a letter from Linwood last week, simply direct your children to the appropriate gathering site in the morning for their grade level; there will be homeroom rosters on the wall in alphabetical order. Once students are dismissed to their homerooms they will be given schedules, handbooks and other important materials. After an extended homeroom, we will have a full school day. All students will participate in Grade Level Assemblies on September 7, 10 and 11 where the Positive Behavior Support in Schools program and other items will be introduced to all students.

There is an extensive resource for Linwood parents, staff members and students that can be found on the Linwood Middle School page at the hyperlink below:

<http://www.livebinders.com/play/play?id=508440&backurl=/shelf/my>

The link can be cut and pasted into your browser and should be saved into your desktop 'favorites' as it shall continue to be added to in order to make accessing information easier. This tool is called a "Live Binder" and is, essentially, a virtual three ring binder (visit [www.livebinders.com](http://www.livebinders.com)) for more examples – there is a very good possibility that your children will use this example of technology in their classes this year!

I look forward to seeing your children tomorrow and the rest of you in the coming weeks.

Sincerely,

**Items to Remember**

This is an opportunity to gain a greater sense of the course requirements for each class your child is enrolled in. If you require more time or have personal questions I would suggest either emailing your teacher, calling them on the phone or making an appointment with them during their Team Meeting time.

Our food service vendor – Chartwells – will be at Linwood Middle School during Open House so you can refresh your child's food service account. Additionally, The Linwood PTSSO will be selling clothing and school supplies this evening in front of the Main Office and in the Lion House Center vestibule. Please consider supporting the PTSSO – all of the proceeds benefit the students at Linwood.

Please refrain from parking in the bus loop in front of the school. This is a fire zone; you will receive a ticket from the North Brunswick Police Department.

Linwood does not have child care services this evening; please refrain from bringing any children with you this evening.

Sincerely,

A handwritten signature in black ink, appearing to read "Brian Brotschul".
