

# Ridgetop Cares

Are you aware that there are students here at Ridgetop that cannot afford school supplies, a gym uniform or to pay the fees to go on a class field trip? Ridgetop PTSA has established a fund to help out with these little "extras" that so many of us take for granted. We are calling this endeavor "Ridgetop Cares" and we are seeking monetary donations.

Please consider contributing and **THANK YOU** for lending a helping hand and showing that indeed "Ridgetop Cares." Please make checks payable to *Ridgetop PTSA* and send it in to the school office. You are welcome to combine your donation with your membership fees and we will distribute the funds accordingly.

I would like to contribute:
