Agency: **Central Florida Insurance Associates, LLC.**

Winter Springs, Florida (openpr) September 21, 2010 - Established in 1998, CIFA has been catering to a wide spectrum of clients located throughout Florida including Orlando, Miami, Ft. Lauderdale, Tampa, Jacksonville and everywhere in-between. They offer service to families and small businesses in and around these places and ensure that customer satisfaction is their major priority. Since they do not work for a government body or any other company they consent to insurance coverage that brings to the customers the lowest possible price and best personalized service.

“Our customer service representatives are the best in the industry — we’ll handle your requests quickly and professionally.” says Mr. Kevin Griffin of CFIA. He also adds, “We’ll customize your insurance solution and simplify the process for you every step of the way where we would identify your specific needs, do the comparison shopping, complete the enrollment and startup, be there for ongoing administration or questions and help with the yearly renewals or coverage changes.”

They have a group of professional insurance consultants who would aptly guide you through your insurance needs and if you are an existing member of another insurance policy they would have a thorough analysis of the same, come up with alternative approaches and programs and finally implement actions as per your insurance objectives effectively manage your insurance policy. “On average, we are able to save our clients 15-35% of what they are currently paying their current service provider.” says Mr. Kevin Griffin of CFIA.

The versatility of the company is such that not only does it provide major medical or life insurances but also provides supplemental insurance (www.cf-insure.com) that covers short term disability, long term disability, cancer policies, accident and hospitalization protection plans. These policies help you pay the unexpected expenses in the form of household bills or other minor expenses that supplement other major policy coverage. “Supplemental Insurance plans pay cash benefits directly to you. They are guaranteed renewable, fully portable and the benefits are paid regardless of any other insurance coverage.” says Mr. Kevin Griffin.
